2.02 Term

The term of this Agreement commences September 3, 2020 and terminates September 30, 2021, unless terminated earlier as provided herein.

This Agreement may be terminated by Company, with or without cause, if Company is not in default of any terms of this Agreement or in the payment of any rents or other charges to Authority, upon 30 days' written notice to Authority. In the event any such notice of termination is given, the termination of this Agreement will be effective 30 calendar days from the date of the notice or such later date as set forth in the notice of termination.

ARTICLE 3

USE OF THE AIRPORT AND RELATED FACILITIES

3.01 Company's Rights and Privileges

In addition to all rights granted elsewhere in this Agreement, Company will have the right to use, in common with others so authorized by Authority, areas (other than areas leased exclusively or preferentially to others), facilities, equipment, and improvements at the Airport for the operation of Company's ground handling business and all activities reasonably necessary to such operations serving air carriers possessing a current airline-airport use and lease agreement (Signatory Air Carriers); air carriers possessing a current operating agreement for non-signatory air carriers (Non-Signatory Air Carriers); and nonscheduled, charter or itinerant aircraft, when such aircraft are lawfully located within the potential use areas as depicted in Exhibit A of this Agreement, attached hereto and by this reference made a part hereof (air carriers are hereinafter collectively referred to as Company's Customers).

A. Services

Company will have the non-exclusive right to provide the following ground handling services to Company's Customers:

Light Maintenance

To provide light maintenance to Company's Customers at the Authority's GSE Facilities to such extent as is (1) provided in the rights and uses as stated in the applicable agreement between the Company's Customers and the Authority, which allows the Company's Customers to use the GSE Facilities at the Airport; and (2) provided in Authority's Rules and Regulations and Operating Directives pertaining to the Airport. The term "light maintenance" as used herein means preventative maintenance, breakdown repairs, and parts support for Company's Customers' ground service equipment with personnel qualified by the Federal Aviation Administration (FAA).

B. Ingress and Egress

(1) Use of Public Way

Company will have the right of ingress to and egress from Airport for Company's officers, employees, agents, and invitees, including Company's customers, suppliers, and contractors. Company's right of ingress and egress will be subject to FAA regulations, applicable laws, and Authority's Rules, Regulations, Policies, Standard Procedures and Operating Directives governing the general public and access to non-public areas.

(2) Methods of Ingress or Egress

Authority may at any time temporarily or permanently close, re-route, or consent to or request the closing or re-routing of any method of ingress to or egress from Airport, so long as a reasonably equivalent means of ingress and egress is available to Company. Company hereby releases and discharges Authority from any and all claims, demands, or causes of action that Company may have arising out of such a closing or re-routing.

3.02 Exclusions and Reservations

A. Nothing in this Article will be construed as authorizing Company to conduct any business separate and apart from the conduct of its ground handling business.

- B. Company will not knowingly interfere or permit interference with the use, operation, or maintenance of the Airport, including but not limited to, the effectiveness or accessibility of the drainage, sewerage, water, communications, fire protection, utility, electrical, or other systems installed or located from time to time at the Airport; and Company will not engage in any activity prohibited by Authority's approved FAR Part 150 Noise Compatibility Study and Preferential Runway Use Program as amended or supplemented from time to time.
- C. Company will be properly certified under appropriate federal, state and local regulations. Copies of such certificates will be furnished to Authority on demand.
- D. Company will not do or permit to be done any act that might cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that will cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If Company does or permits to be done any act not permitted under this Agreement, or fails to do any act required under this Agreement, regardless of whether such act will constitute a breach of this Agreement, which act or failure, in and of itself, causes an increase in Authority's insurance premiums, Company will immediately remedy such actions and/or pay the increase in premiums, upon notice from Authority to do so.
- E. Company will pay all applicable sales, use, intangible and ad valorem taxes, if any and of any kind, whether levied against Company or Authority. Company will also pay other taxes or assessments arising out of or assessed as a result of the uses, rights and privileges granted Company hereunder. Company reserves the right to contest such taxes or assessments and withhold payment of such taxes and assessments upon written notice to Authority of its intent to do so, so long as the nonpayment of such taxes and assessments does not result in a lien against the Airport or a direct liability on the part of Authority. Authority agrees to immediately forward to Company any notices of taxes and assessments due upon receipt of same.
- F. The uses, rights and privileges granted to Company pursuant to this Article will be subject to any and all reasonable and nondiscriminatory Rules, Regulations and Operating Directives established by Authority, as may be amended from time to time.
- G. This Agreement will not be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC 40103(e) or 49 USC 47107(a), as may be amended from time to time, and related regulations.

- H. Any and all rights and privileges not specifically granted to Company for its use of and operations at the Airport pursuant to this Agreement are hereby reserved for and to Authority.

ARTICLE 4

OBLIGATIONS OF COMPANY

4.01 Business Operations

Company will provide all necessary equipment, personnel and other appurtenances necessary to conduct its operations. Company will conduct its business operations hereunder in a lawful, orderly and proper manner, considering the nature of such operations, so as not to unreasonably annoy, disturb, endanger or be offensive to others on the Airport. Company will provide all services under this Agreement on a fair and reasonable basis to all users of the Airport. Service will be prompt, courteous and efficient.

4.02 Manager

Company will have a fully qualified and experienced manager assigned to a duty station or office at the Airport who will be available at all times. Company will, at all times during the absence of such manager, assign or cause to be assigned a qualified subordinate to be in charge and to act for the manager in their absence.

4.03 Conduct of Employees and Invitees

Company will, within reason, control the conduct, demeanor and appearance of its employees, invitees, and of those doing business with Company and, upon objection from Authority concerning the conduct, demeanor or appearance of any such persons, will immediately take all reasonable steps necessary to remove the cause of objection.

4.04 Equipment and Vehicle Parking

Company will ensure that all equipment, including but not limited to, vehicles owned or operated by Company, its vendors and/or contractors, will not be parked in a manner that interferes in any way with any other operations at the Airport. Company's equipment and vehicles and those of its vendors and/or contractors will be parked in designated parking areas as provided by Authority. No vehicle shall access the Aircraft Operations Area (AOA) unless directly related to Company's business operations. All vehicles driven, escorted, or parked on the AOA must meet Authority's insurance requirements and any other applicable Airport Policies, Rules and Regulations, Operating Directives and Security requirements. All vehicles, including those of its employees, agents, vendors and/or contractors, excluding escorted vehicles, accessing the AOA must bear

Company's identification on both sides of the vehicle and Authority's logo decal. Information regarding vehicle access to the AOA is available from Authority's Badging Office. All persons accessing the AOA must adhere to Authority's SIDA training, Airport Security Program, and TSA regulations.

Employee parking permits are required for the Employee Parking Lot and may be required for Company's leased or common use operational areas. Information regarding employee parking permits is available from Authority's Parking Permit Office at (813) 870-8792.

4.05 Nuisance

Company will not commit any nuisance, waste, or injury on the Airport and will not do or permit to be done anything that may result in the creation, commission or maintenance of such nuisance, waste, or injury.

4.06 Excessive Load

Company hereby agrees that it will use all paved areas on the Airport as constructed and in accordance with the permitted use of such paved areas, and Company will prohibit its employees, agents, invitees, or sublessees from placing excessive loads on paved areas on the Airport. Company will be responsible for the repair of any paved area damaged by non-conforming usage or excessive loading.

4.07 Sound Level

Company will take all reasonable measures to reduce to a minimum vibration that may cause damage to any equipment, structure, building or portion of any building located on the Airport, and to keep the sound level of its operation as low as possible.

4.08 Frequency Protection

Should Company install any type of radio transceiver or other wireless communications equipment, Company will provide frequency protection within the aviation air/ground VHF frequency band and the UHF frequency band in accordance with restrictions promulgated by the FAA for the vicinity of FAA Transmitter or Receiver facilities. Frequency protection will also be provided for all other frequency bands operating in the vicinity of Company's equipment. Should interference occur as a result of Company's installation, Authority reserves the right to shut down Company's installation until appropriate remedies to the interference are made by Company. Such remedies may include, but are not limited to, relocation to another site. The cost of all such efforts to remedy the interference will be solely at Company's expense.

4.09 Flammable Liquids

Company will not keep or store flammable liquids within any covered or enclosed portion of the Airport without the prior written approval of Authority. Any such liquids having a flash point of less than 110 degrees Fahrenheit will be kept and stored in safety containers of a type approved by Underwriters Laboratories.

4.10 Permits and Licenses

Company will obtain and maintain throughout the term of this Agreement all permits, licenses, or other authorizations required in connection with the operation of its business at the Airport.

4.11 Security Badging

Any Company employee, or any employee of its contractors or agents, that require unescorted access to the Security Identification Display Area (SIDA) to perform work under this Agreement will be badged with an Airport identification badge (Badge) provided by Authority's ID Badging Department and will be subject to an FBI fingerprint-based criminal history records check (CHRC) and an annual Security Threat Assessment (STA). A new or renewed Badge will not be issued to an individual until the results of the CHRC and the STA are completed and indicate that the applicant has not been convicted of a disqualifying criminal offense. If the CHRC or STA discloses a disqualifying criminal offense, the individual's new or renewed badge application will be rejected. The costs of the CHRC and the annual STA will be paid by Company. These costs are subject to change without notice, and Company will be responsible for paying any increase in the costs. All badged employees of Company and its contractors or agents will comply with Authority's regulations regarding the use and display of Badges.

Company will be assessed a fine for each Badge that is lost, stolen, unaccounted for or not returned to Authority at the time of Badge expiration, employee termination, termination of the Agreement, or upon written request by Authority. This fine will be paid by Company within 15 days from the date of invoice. The fine is subject to change without notice, and Company will be responsible for paying any increase in the fine.

If any Company employee is terminated or leaves Company's employment, Authority must be notified immediately, and the Badge must be returned to Authority promptly.

4.12 Signs

All standard signs will be provided by Authority at the request and cost of Company. Authority will endeavor to incorporate Company's needs on such directional and location signs and messages

as agreed upon between Company and Authority, consistent with Authority's graphic standards; provided, however, that Company will submit in advance the sum of money that is required for the cost of signing and message modifications. All other signage, such as posters, banners, or displays, will not be allowed without the prior written approval of Authority. Unapproved signage will be removed by Authority at Company's expense.

4.13 Personal Property

Any personal property of Company placed on the Airport will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage. Company hereby waives all rights of subrogation against or recovery from Authority for any such loss or damage.

4.14 Surrender of Personal Property

Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Airport on the date of termination. Failure on the part of Company to remove all of its personal property within 10 days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever lawful disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of any rent terms of this Agreement, Authority will have a lien for such rent upon any personal property found upon the Airport in accordance with Florida Statutes and, in such event, Company will not remove any personal property from the Airport without written approval of Authority.

ARTICLE 5

OPERATION AND MAINTENANCE OF THE AIRPORT

Authority will be responsible for the overall maintenance, cleaning, and operation of the Airport.

5.01 Authority's Obligations

- A. Authority will, with reasonable diligence, prudently develop, improve, and at all times maintain and operate the Airport in a first class manner consistent with airports of similar size with qualified personnel and keep the Airport in an orderly, clean, neat and sanitary condition, and good repair, unless such maintenance, operation, or repair is Company's obligation pursuant to Article .02 herein.

- B. Authority will, to the extent it is legally able so to do, use reasonable efforts to keep the Airport and its aerial approaches free from ground obstruction for the safe and proper use by Company.
- C. Authority will not be liable to Company for temporary failure to furnish all or any of such services to be provided in accordance with this Section when such failure is due to mechanical breakdown not caused by Authority's negligence or any other cause beyond the reasonable control of Authority.
- D. Authority will maintain (1) loading bridges owned by Authority; (2) preconditioned air systems owned by Authority; (3) associated 400 Hertz units owned by Authority; (4) inbound and outbound baggage handling systems; baggage conveyors owned and installed by Authority when available for Company's use; (5) lightning detection systems; and (6) other systems that may be acquired by Authority in the future.
- E. Authority will, in the operation of the Airport, comply with all local, state and federal laws, rules and regulations.

5.02 Company's Obligations

- A. Company will, at all times, preserve and keep the Airport in an orderly, clean, neat, and sanitary condition, free from trash and debris resulting from Company's operations.
- B. Company will keep, at its own expense, the terminal aircraft aprons and/or cargo aircraft aprons free of fuel, oil, debris, and other foreign objects.
- C. Should Company fail to perform its material obligations hereunder, Authority will have the right to perform such activities; provided, however, other than in a case of emergency, Authority will give Company reasonable advance written notice of non-compliance, not to exceed ten days, prior to the exercise of this right; provided, however, that if the nature of the cure is such that it cannot be reasonably effectuated within ten (10) days, Company will have an additional period with Authority approval (or, in the alternative, with an Authority approved schedule) reasonably necessary to effectuate such cure. If Authority's right to perform such activities is exercised, Company will pay Authority, upon receipt of invoice, the cost of such services plus 10 percent. Nonpayment of such invoice will be deemed a condition of default of this Agreement.

ARTICLE 6
REPORTS AND AUDITS

6.01 Monthly Statements

Within ten days after the close of each calendar month of the term of this Agreement, Company will submit to Authority, by electronic portal or other method satisfactory to Authority, a detailed statement signed by a responsible officer of Company of its Gross Receipts for the preceding month upon which the fees payable to Authority set forth in this Agreement are computed.

6.02 Books and Records

Company will keep full and accurate books and records showing all of its Gross Receipts. Company agrees that records and instruments will be available to Airport for at least three years after each annual period. If Company utilizes a computerized accounting system, Authority will be allowed to download information from the system for the purpose of verifying Gross Receipts. In the event Company does not maintain exclusive sequential numbering for invoices commencing at the Airport, Company agrees to provide copies of invoices from other sales locations included in the non-exclusive sequence to Authority or its auditors for the purposes of testing reporting completeness.

6.03 Annual Statement

Within 60 days after the end of each 12-month period during the term of this Agreement, Company will furnish a certified statement to Authority, signed by a responsible officer of Company, containing a list of the Gross Receipts by month used to compute the Privilege Fees and other payments made to Authority as shown on the books and records of Company during the period covered by the statement.

6.04 Authority's Right to Perform Audits, Inspections, or Attestation Engagements

A. Notwithstanding Company's requirement to submit an annual statement, Authority or its representative may at any time during the term of the Agreement or within three years after the end of the Agreement, initiate and perform audits, inspections, or attestation engagements over all or selected operations performed by Company under this Agreement. Free and unrestricted access will be granted to all of Company's books and records, including the State of Florida sales tax return records and records of a parent, affiliate, and/or subsidiary companies and any subconsultants or subcontractors directly pertinent to this Agreement. If the records are kept at locations other than the Airport, Company will arrange for said records to be brought to a location convenient to Authority's

auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority's team to Company's location of records for the purpose of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority's team. In the event Company maintains the requested records in electronic format, upon request by Authority's auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors and to make photocopies of records as needed.

- B. Company agrees to deliver or to provide access to all records requested by Authority's auditors within 14 calendar days of the request at the initiation of the engagement and to deliver or to provide access to all other records requested during the engagement within seven calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority's auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree that Company may be charged liquidated damages of \$100.00, in addition to all other contractual financial requirements, for each item in a records request, per calendar day, for each time Company is late in submitting requested records to perform the engagement. Accrual of the fee will continue until specific performance is accomplished.
- C. If, as a result of any engagement, it is determined that Company owes additional rent, fees, or other charges to Authority, Company will pay such amounts, and Authority may assess interest up to 12% on the amount due from the date the amount was initially due. If it is determined that Company has underreported Gross Receipts or underpaid fees related to Gross Receipts by three percent (3%) or more for the period under review, Company will also pay for the entire cost of the engagement.

ARTICLE 7 PAYMENTS

For the rights and privileges granted herein, Company agrees to pay the following fees and charges to Authority, in lawful money of the United States of America, without set off, by check or approved electronic transfer made payable to Authority. Payment for fees and charges hereunder will be due within 15 days after the date of the invoice, except as provided herein. Said fees and charges will be deemed delinquent if payment is not received within 15 days of the stated date of such invoice.

7.01 Privilege Fees

A. Percentage Privilege Fee (PPF)

The PPF is five (5%) percent of Company's monthly Gross Receipts, as defined below, for the previous month as presented in Company's Monthly Statement of Gross Receipts.

- B. Company will not modify its accounting treatment or rename or redefine services or products that, under the terms of this Agreement, would be subject to the PPF. Company understands that Authority does not support the practice of directly transferring Company's obligation for payment of the PPF due herein to its customers. Except as already referenced herein, Company agrees that if such additional charges or fees are collected from the customer for the purpose of collecting the PPF, such fees will be disclosed to the customer as "Company's cost of doing business at the Airport" and will not be represented as an Airport tax.

7.02 Annual Reconciliation

Following receipt of Company's annual certified statement, Authority will prepare and submit to Company a statement showing PPF due compared to the PPF previously invoiced by Authority for the applicable period. If the PPF previously invoiced by Authority for the applicable period exceeds the PPF calculated on the certified Gross Receipts, Authority will issue a credit memo indicating that the overpayment will be credited to the fees next thereafter due from Company. If the PPF previously invoiced by Authority is less than the PPF calculated on the certified Gross Receipts, Authority will invoice Company for the sums due. Said invoice will be due and payable within 15 days after the date of the invoice.

7.03 Definition of Gross Receipts

A. Amounts Included

As used herein the term "Gross Receipts" will include the gross revenues from all sales made and services performed for cash, credit or otherwise, pursuant to Company's operations and solicitations at the Airport, regardless of when or whether paid.

B. Amounts Excluded and Restrictions on Exclusions

Gross Receipts will not include:

- (1) The retail value of fuel and oil and the related fuel service fee;

- (2) Gross revenues that Company receives for all the non-exclusive rights, privileges and concessions described in the Uses of the Airport and Related Facilities Article of this Agreement that Company provides to Signatory Air Carriers;
- (3) Sales and services performed by Company to entities located off Airport;
- (4) Catering sales charged by Company that were previously assessed Authority's concession fee on the caterer's invoice (any markup by Company will be included in Gross Receipts); or
- (5) Ferrying and diverted landings.

7.04 Diversion of Gross Receipts

Any intentional diversion of Gross Receipts will constitute a breach of contract, and Authority will have the right to immediately terminate this Agreement upon determination by Authority or its auditors that an intentional diversion exists or has occurred.

7.05 Collection of Authority Fees

No later than 15 days from the date of invoice during the term hereof, Company will remit to Authority all fees collected during the preceding month on behalf of Authority in accordance with this Agreement. During the term hereof, upon request and on behalf of Authority, Company will collect all landing fees, gate use fees, federal inspection service use fees, common use fees, and other fees and charges applicable to Company's Customers, and report such fees monthly, it being agreed that Authority will pay Company as a collection fee five percent (5%) of all such fees. Common use fees are not to be collected on behalf of Authority for air carriers or aircraft that do not use the Main Terminal complex and are handled as a ramp operation.

7.06 Employee Parking Fees

Authority reserves the right to charge Company or its employees a reasonable and non-discriminatory fee based on Authority's cost of providing services and facilities for the employee parking areas provided at the Airport. If Company is invoiced by Authority for parking fees, payment is due to Authority within 15 days from the date of the invoice, or parking privileges may be terminated.

7.07 Interest on Delinquent Payments

Without waiving any other right or action available to Authority in the event of default of Company's payment of fees or other charges hereunder, and in the event Company is delinquent in such

payments to Authority, for a period of five business days after the payment is due, Authority reserves the right to charge Company interest thereon, from the date such fees or other charges became due to the date of payment, at the Federal Reserve Bank of New York prime rate in effect on the date the fees or other charges became due plus four percent (FRBNY prime + 4%) or 12 percent per annum, whichever is greater, to the maximum extent permitted by law.

7.08 Fees and Other Charges a Separate Covenant

Company will not for any reason withhold or reduce its required payments of fees and other charges provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

7.09 Place of Payments

Company will submit all payments required by this Agreement as follows:

INDEMNIFICATION

- A. To the maximum extent permitted by Florida law, in addition to Company's obligation to provide, pay for and maintain insurance as set forth elsewhere in this Agreement, Company will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, suits, claims, procedures, liens, expenses, losses, costs, royalties, fines and damages (including but not limited to claims for attorney's fees

and court costs) caused in whole or in part by the:

- (1) Presence on, use or occupancy of Authority property;
- (2) Acts, omissions, negligence (including professional negligence and malpractice), errors, recklessness, intentional wrongful conduct, activities, or operations;

- (4) Performance, non-performance or purported performance of this Agreement;
- (5) Violation of any law, regulation, rule, Advisory Circular, or ordinance;
- (6) Infringement of any patent, copyright, trademark, trade dress or trade secret rights; and/or
- (7) Contamination of the soil, groundwater, surface water, storm water, air or the environment by fuel, gas, chemicals or any other substance deemed by the Environmental Protection Agency or other regulatory agency to be an environmental contaminant

by Company or Company's officers, employees, agents, volunteers, subcontractors, invitees, or any other person directly or indirectly employed or utilized by Company whether the liability, suit, claim, lien, expense, loss, cost, fine or damages is caused in part by an indemnified party. This indemnity obligation expressly applies, and shall be construed to include, any and all claims caused in part by negligence, acts or omissions of Authority, its members, officers, agents, employers and volunteers.

B. In addition to the duty to indemnify and hold harmless, Company will have the separate and independent duty to defend Authority, its members, officers, agents, employees, and volunteers from all suits, claims, proceedings, or actions of any nature seeking damages, equitable or injunctive relief expenses, losses, costs, royalties, fines or attorney's fees or any other relief in the event the suit, claim, or action of any nature arises in whole or in part from the:

- (1) Presence on, use or occupancy of Authority property;
- (2) Acts, omissions, negligence (including professional negligence and malpractice), recklessness, intentional wrongful conduct, activities, or operations;
- (3) Any breach of the terms of this Agreement;

- (4) Performance, non-performance or purported performance of this Agreement;
- (5) Violation of any law, regulation, rule, Advisory Circular, or ordinance;
- (6) Infringement of any patent, copyright, trademark, trade dress or trade secret rights; and/or
- (7) Contamination of the soil, groundwater, surface water, stormwater, air or the environment by fuel, gas, chemicals or any other substance deemed by the Environmental Protection agency or other regulatory agency to be an environmental contaminant

by Company or Company's officers, employees, agents, volunteers, subcontractors, invitees, or any other person directly or indirectly employed or utilized by Company whether it is caused in part by Authority, its members, officers, agents, employees, or volunteers. This duty to defend exists immediately upon presentation of written notice of a suit, claim or action of any nature to Company by a party entitled to a defense hereunder. This indemnity obligation expressly applies, and shall be construed to include any, and all claims caused in part by negligence, acts or omissions of Authority, its members, officers, agents, employers and volunteers.

- C. If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Fla. Stat. § 725.06(2)-(3) or Fla. Stat. § 725.08, then with respect to the part so limited, Company agrees to the following: To the maximum extent permitted by Florida law, Company will indemnify and hold harmless Authority, its members, officers, agents, employees, and volunteers from any and all liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fee, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of Company and persons employed or utilized by Company in the performance of this Agreement.
- D. If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are limited by Florida Statute § 725.06 (1) or any other applicable law, then with respect to the part so limited the monetary limitation on the extent of the indemnification shall be the greater of the (i) monetary value of this Agreement, (ii) coverage amount of Commercial General Liability Insurance required under this Agreement or (iii) \$1,000,000.00. Otherwise, the obligations of this Article will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.
- E. In addition to the requirements stated above, to the extent required by Florida Department

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u>S250.06</u></p> <p>Effective: <u>05/31/02</u></p> <p>Revised: <u>03/04/20</u></p> <p>Page: <u>1</u> of <u>11</u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

PURPOSE: To establish the insurance terms and conditions associated with contractual insurance requirements. This Standard Procedure is applicable to all companies with Authority contracts, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, every contractor, subcontractor, consultant, and sub-consultant at each tier. Unless otherwise provided herein, any exceptions to the following conditions or changes to required coverages or coverage limits must have prior written approval from the General Counsel and Executive Vice President of Legal Affairs or designee.

INSURANCE COVERAGE:

A. Procurement of Coverage:

With respect to each of the required coverages, the company will, at the company's expense, procure, maintain and keep in force the types and amounts of insurance conforming to the minimum requirements set forth in the applicable contract. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, company shall further require that all contractors, subcontractors, consultants, and sub-consultants at each tier satisfy and meet all the requirements of the applicable contract, including the terms and conditions of this Standard Procedure. Coverage will be provided by insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better. Utilization of non-rated companies, companies with AM Best ratings lower than A-, or companies with a financial size category lower than VII must be submitted by the company to the Authority Director of Risk and Insurance or designee for approval prior to use. The Authority retains the right to approve or disapprove the use of any insurer, policy, risk pooling or self-insurance program.

B. Term of Coverage:

Except as otherwise specified in the contract, the insurance will commence on or prior to the effective date of the contract and will be maintained in force throughout the duration of the contract and for any period of extended coverage required in the contract. If a policy is written on a claims-made form, the retroactive date must be shown and this date must be before the earlier of the date of the execution of the contract or the beginning of contract

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u> S250.06 </u></p> <p>Effective: <u> 05/31/02 </u></p> <p>Revised: <u> 03/04/20 </u></p> <p>Page: <u> 2 </u> of <u> 11 </u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

work, and the coverage must respond to all claims reported within three years following the period for which coverage is required unless a longer period of time is otherwise stated in the contract.

C. Reduction of Aggregate Limits:

If the general or aggregate limit for any policy is exhausted, the company, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, all of the company's contractors, subcontractors, consultants, and sub-consultants at each tier, will immediately take all possible steps to have it reinstated. The commercial general liability policies and any excess or umbrella policies used to provide the required amount of insurance shall include a per project designated aggregate limit endorsement providing that the limits of such insurance specified in the contract shall apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each insurance policy will be specifically endorsed to require the insurer to provide written notice to the Authority at least 30 days (or 10 days prior notice for non-payment of premium) prior to any cancellation, non-renewal or adverse change, initiated by the insurer, and applicable to any policy or coverage described in the contract or in this Standard Procedure. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority
 Attn.: Chief Executive Officer
 Tampa International Airport
 Post Office Box 22287
 Tampa, Florida 33622

Additionally, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the workers' compensation, commercial general liability and railroad protective insurance (if required) of every contractor, subcontractor, consultant, and sub-consultant at each tier shall be specifically

endorsed to require the insurer to provide the Florida Department of Transportation notice within ten days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described in the contract or this Standard Procedure.

D. No waiver by approval/disapproval:

The Authority accepts no responsibility for determining whether the company or any contractor, subcontractor, consultant, or sub-consultant at each tier is in full compliance with the insurance coverage required by the contract. The Authority's approval or failure to disapprove any policy, coverage, or Certificate of Insurance does not relieve or excuse the company of any obligation to procure and maintain the insurance required in the contract or in this Standard Procedure, nor does it serve as a waiver of any rights or defenses the Authority may have.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverages and Required Limits of Insurance

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, in the opinion of the Authority, circumstances merit a change in such coverage or minimum limits of insurance required by the contract, the Authority may change the coverage and the minimum limits of insurance required, and the company will, within 60 days of receipt of written notice of a change in the coverage and/or the minimum limits required, comply with such change and provide evidence of such compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made by the Authority until at least two years after inception of the contract or two years after any change by the Authority in the coverages or minimum limits of insurance required in the contract unless extreme conditions warrant such change and are agreeable to both parties. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, any such change or modification in coverage or

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u>S250.06</u></p> <p>Effective: <u>05/31/02</u></p> <p>Revised: <u>03/04/20</u></p> <p>Page: <u>4</u> of <u>11</u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

limits shall also apply to the contractors, subcontractors, consultants, and sub-consultants at each tier.

If, in the opinion of the Authority, compliance with the insurance requirements is not commercially practicable for the company, its contractors, subcontractors, suppliers, consultants, or subconsultants at each tier, at the written request of the company, the Authority may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the company. Any such modification will be subject to the prior written approval of the Authority's General Counsel and Executive Vice President of Legal Affairs or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Authority Premises

The company and, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company's contractors, subcontractors, consultants, and sub-consultants at each tier, will not commence work, or use or occupy Authority's premises in connection with the contract, until the required insurance is in force, preliminary evidence of insurance acceptable to the Authority has been provided to the Authority, and the Authority has granted permission to the company to commence work or use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the company will furnish the Authority with an ACORD Certificate of Liability Insurance (Certificate) reflecting the required coverage described in the contract and this Standard Procedure.

The Certificate must:

- a. Be signed by an authorized representative of the insurer. Upon request of the Authority, company will furnish the Authority with any specific endorsements effecting coverage required by the contract. The endorsements are to be signed by a person authorized by insurer to bind the coverage on the insurer's behalf;
- b. State that: "Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, and its employees are additional insureds for all policies described above other than workers' compensation and professional liability (if required by contract)";
- c. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, state that the Florida Department of Transportation is an additional insured for commercial general liability;
- d. Indicate that the insurers for all required policies shown on the Certificate have waived their subrogation rights against the Authority, members of the Authority's governing body, and the Authority's officers, volunteers, agents, and employees;
- e. Indicate that the Certificate has been issued in connection with the contract;
- f. Indicate the amount of any deductible or self-insured retention applicable to all coverages; and
- g. Identify the name and address of the Certificate holder as:

Hillsborough County Aviation Authority
 Attn.: Chief Executive Officer
 Tampa International Airport
 Post Office Box 22287
 Tampa, Florida 33622;

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u> S250.06 </u></p> <p>Effective: <u> 05/31/02 </u></p> <p>Revised: <u> 03/04/20 </u></p> <p>Page: <u> 6 </u> of <u> 11 </u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

If requested by the Authority, the company will, within 15 days after receipt of written request from the Authority, provide the Authority, or make available for review, a certified complete copy of the policies of insurance. The company may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The company will provide the Authority with renewal or replacement evidence of insurance, acceptable to the Authority, prior to expiration or termination of such insurance.

G. Deductibles, Self-Insurance, Alternative Risk or Insurance Programs:

1. All deductibles, as well as all self-insured retentions and any alternative risk or insurance programs (including, but not limited to, the use of captives, trusts, pooled programs, risk retention groups, or investment-linked insurance products), must be approved by the General Counsel and Executive Vice President of Legal Affairs or designee. The company agrees to provide all documentation necessary for the Authority to review the deductible, self-insurance or alternative risk or insurance program.
2. The company will pay on behalf of the Authority, any member of the Authority's governing body, and/or any officer, volunteer, agent, or employee of the Authority, any deductible, self-insured retention (SIR), or difference from a fully insured program which, with respect to the required insurance, is applicable to any claim by or against the Authority, or any member of the Authority's governing body, or any officer, volunteer, agent, or employee of the Authority.
3. The agreement by the Authority to allow the use of a deductible, self-insurance or alternative risk or insurance program will be subject to periodic review by the Director of Risk and Insurance or designee. If, at any time, the Authority deems that the continued use of a deductible, self-insurance, or alternative risk or insurance program by the company should not be permitted, the Authority may, upon 60 days' written notice to the company, require the company to replace or modify the deductible, self-insurance, or alternative risk or insurance program in a manner satisfactory to the Authority.

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u>S250.06</u></p> <p>Effective: <u>05/31/02</u></p> <p>Revised: <u>03/04/20</u></p> <p>Page: <u>7</u> of <u>11</u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

4. Any deductible amount, self-insurance, or alternative risk or insurance program's retention will be included and clearly described on the Certificate prior to any approval by the Authority. This is to include fully insured programs as to a zero deductible per the policy. Authority reserves the right to deny any Certificate not in compliance with this requirement.
5. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the commercial general liability may not be subject to a self-insured retention. Subject to approval by the Authority under subparagraphs 1-4 above, the commercial general liability may contain a deductible, provided that such deductible shall be paid by the named insured.

H. Company's Insurance Primary:

The insurance required by the contract will apply on a primary and non-contributory basis. Any insurance or self-insurance maintained by the Authority will be excess and will not contribute to the insurance provided by or on behalf of the company.

To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company will ensure that the insurance provided by all contractors, subcontractors, consultants, and subconsultants at each tier will apply on a primary basis as to any other insurance available and shall not be more restrictive than the coverage afforded to the named insured.

I. Incident Notification:

In accordance with the requirements of Standard Procedure S250.02, the company will promptly notify the Airport Operations Center (AOC) of all incidents involving bodily injury or property damage occurring on Authority-owned property, tenant owned property or third party property.

J. Customer Claims, Issues, or Complaints:

In addition to complying with all terms outlined in Standard Procedure S250.02, all

customer claims, issues, or complaints involving property damage or bodily injury related to the company will be promptly handled, addressed and resolved by the company.

The company will track all customer claims, issues, or complaints involving property damage or bodily injury and their status on a Claims Log available for review, as needed, by Risk Management. The Claims Log should include a detailed report of the incident along with the response and/or resolution. Risk Management has the option to monitor all incidents, claims, issues or complaints where the Authority could be held liable for injury or damages.

K. Applicable Law:

With respect to any contract entered into by the Authority with a value exceeding \$10,000,000, if any required policy or program is: (i) issued to a policyholder outside of Florida or (ii) contains a “choice of law” or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy or program must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy or program in connection with claims arising out of work performed pursuant to the contract.

L. Waiver of Subrogation:

The company, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, waives all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents, and employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company. The company shall require all contractors, subcontractors, suppliers, consultants and subconsultants at each tier for themselves and their insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, to waive all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents and its employees, as well as the State of Florida, Department of

Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company to the extent covered and paid for by any insurance maintained by the company’s contractors, subcontractors, suppliers, consultants and subconsultants at each tier. The company shall further require that all contractors, subcontractors, suppliers, consultants, and subconsultants at each tier include the following in every contract and on each policy:

“Hillsborough County Aviation Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents, and its employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, are additional insureds for the coverages required by all policies as described above other than workers compensation and professional liability.”

M. Company’s Failure to Comply with Insurance Requirements:

1. Authority's Right to Procure Replacement Insurance

If, after the inception of the contract, the company fails to fully comply with the insurance requirements of the contract, in addition to and not in lieu of any other remedy available to the Authority provided by the contract, the Authority may, at its sole discretion, procure and maintain on behalf of the company, insurance which provides, in whole or in part, the required insurance coverage.

2. Replacement Coverage at Sole Expense of Company

The entire cost of any insurance procured by the Authority pursuant to this Standard Procedure will be paid by the company. At the option of the Authority, the company will either directly pay the entire cost of the insurance or immediately reimburse the Authority for any costs incurred by the Authority, including all premiums, fees, taxes, and 15% for the cost of administration.

a. Company to Remain Fully Liable

<p style="text-align: center;">STANDARD PROCEDURE</p> <p style="text-align: center;">Aviation Authority</p>	<p>Number: <u>S250.06</u></p> <p>Effective: <u>05/31/02</u></p> <p>Revised: <u>03/04/20</u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	<p>Page: <u>10</u> of <u>11</u></p>

The company agrees to remain fully liable for full compliance with the insurance requirements in the contract. To the extent that there is any exclusion, deficiency, reduction, or gap in a policy which makes the insurance more restrictive than the coverage required, the company agrees to remain responsible and obligated to make the Authority whole as if the company and all of its contractors, subcontractors, consultants, and sub-consultants at each tier fully met the insurance requirements of the contract.

b. Authority's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Authority is solely for the Authority's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the company or by any of its contractors, subcontractors, consultants, or sub-consultants at each tier. Authority is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate or modify any such insurance which might be procured by the Authority pursuant to this Standard Procedure.
