Notwithstanding the occurrence of any event of default, Company will remain liable to Authority for all payments payable hereunder and for all preceding breaches of this Contract.

Furthermore, unless Authority elects to cancel this Contract, Company will remain liable for and promptly pay any and all payments accruing hereunder until termination of this Contract.

XI. ACCOUNTING RECORDS/AUDIT REQUIREMENTS

XI.A Books and Records

In connection with payments to Company under this Contract, it is agreed Company will maintain full and accurate books of account and records customarily used in this type of business operation, in conformity with Generally Accepted Accounting Principles (GAAP). Company will maintain such books and records for five years after the end of the Term of this Contract.

Records include, but are not limited to, books, documents, papers, records, research and Work Orders related to this Contract. Company will not destroy any records related to this Contract without the express written permission of the Authority.

XI.B Authority Right to Perform Audits, Inspections, or Attestation Engagements

At any time or times during the Term of this Contract or within three years after the end of this Contract, Authority, or its duly authorized representative, will be permitted to initiate and perform audits, inspections or attestation engagements over Company's records for the purpose of determining payment eligibility under this Contract or over selected operations performed by Company under this Contract for the purpose of determining compliance with this Contract.

Free and unrestricted access will be granted to all of Company's records directly pertinent to this Contract or any work order, as well as records of parent, affiliate and subsidiary companies and any subconsultants or subcontractors. If the records are kept at locations other than the Airport, Company will arrange for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority team to Company headquarters for purposes of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority team. In the event Company maintains its accounting or Contract information in electronic

format, upon request by Authority auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors, and to make photocopies of records as needed.

Company agrees to deliver or provide access to all records requested by Authority auditors within fourteen (14) calendar days of the request at the initiation of the engagement and to deliver or provide access to all other records requested during the engagement within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree Authority may charge the Company liquidated damages in the amount of one hundred dollars (\$100.00) per day, for each requested record not received. Such damages may be assessed beginning on the fifteenth (15th) or eighth (8th) day, as applicable, following the date the request was made. Accrual of such fee will continue until specific performance is accomplished. This liquidated damage rate is not an exclusive remedy and Authority retains all rights, including but not limited to, its rights to elect its remedies and pursue all legal and equitable remedies. The Parties expressly agree that these liquidated damages are not a penalty and represent reasonable estimates of fair compensation for the losses that reasonably may be anticipated from Company's failure to comply.

If as a result of any engagement, it is determined that Company has overcharged Authority, Company will re-pay Authority for overcharge and Authority may assess interest of up to twelve percent (12%) on the overcharge from the date the overcharge occurred. If it is determined that Company has overcharged Authority by more than three percent for the period under consideration, Company will also pay for the entire cost of the engagement.

Company will include a provision providing Authority the same access to business records at the subconsultant and subcontractor level in all of its subconsultant and subcontractor agreements executed related to this Contract.

Company agrees to comply with Section 20.055(5), Florida Statutes, and with respect to contracts entered by Company after the Effective Date of this Contract, to incorporate in all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

This indemnification in this paragraph shall survive the termination of this Contract. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida's and FDOT's sovereign immunity.

H. Authority and its members, officers, agents, employees, and volunteers reserve the right, at their option, to participate in the defense of any suit, without relieving Company of any of its obligations under this Article.

To ensure compliance with Title VI, Company must take reasonable steps to ensure that LEP persons have meaningful access to Company’s programs (70 Fed. Reg. at 74087 to 74100); and
12. Title IX of the Education Amendments of 1972, as amended, which prohibits Company from discriminating because of sex in education programs or activities (20

U.S.C. 1681 et seq).

- C. In all solicitations either by competitive bidding or negotiation made by the Company for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier must be notified by Company of Company's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color or national origin.
- D. Company will provide all information and reports required by the Regulations or directives issued pursuant thereto and must permit access to its books, records, accounts, other sources of information and its facilities as may be determined by Authority or the FAA to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of Company is in the exclusive possession of another who fails or refuses to furnish this information, Company will so certify to Authority or the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.
- E. In the event of Company's non-compliance with the non-discrimination provisions of this Contract, Authority will impose such contractual sanctions as it or the FAA may determine to be appropriate, including, but not limited to, withholding of payments to Company under this Contract until Company complies, and/or cancellation, termination or suspension of this Contract, in whole or in part.
- F. Company will include the provisions of Paragraphs A through E above, in every subcontract and subconsultant contract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued thereto. Company will take such action with respect to any subcontract or procurement as Authority or the FAA may direct as a means of enforcing such provisions, including sanctions for non-compliance. Provided, however, that in the event Company becomes involved in or is threatened with litigation with a subcontractor or supplier as a result of such direction, Company may request Authority to enter into such litigation to protect the interests of Authority and, in addition, Company may request the United States to enter into such litigation to protect the interests of the United States.
- G. Company assures that, in the performance of its obligations under this Contract, it will fully comply with the requirements of 14 CFR Part 152, Subpart E (Non-Discrimination in Airport Aid Program), as amended from time to time, to the extent applicable to Company, to ensure, among other things, that no person will be excluded from participating in any activities covered by such requirements on the grounds of race, creed, color, national origin, or sex. Company, if required by such requirements, will provide assurances to Authority that Company will undertake an affirmative action program and will require the same of its subconsultants.

XV. WOMAN AND MINORITY-OWNED BUSINESS ENTERPRISE

XV.A Authority Policy

Authority is committed to the participation of Woman and Minority-Owned Business Enterprises (W/MBEs) in non-concession, non-federally funded contracting opportunities in accordance with Authority W/MBE Policy and Program. Company will take all necessary and reasonable steps in accordance therewith to ensure that W/MBEs are encouraged to compete for and perform subcontracts under this Contract.

XV.B Non-Discrimination

- A. Company and any subcontractor of Company will not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Company will carry out applicable requirements of Authority W/MBE Policy and Program in the award and administration of this Contract. Failure by Company to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as Authority deems appropriate.
- B. Company agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any agreement, management contract, or subcontract, purchase or lease agreement.
- C. Company agrees to include the statements in paragraphs (A) and (B) above in any subsequent agreement or contract that it enters and cause those businesses to similarly include the statements in further agreements or contracts.
- D. Company, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, doesn't hereby covenant and agree, (1) that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of Airport facilities; (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination; and (3) that Company will fully comply with the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964 as amended from time to time.
- E. In the event of breach of an of the above nondiscrimination covenants pursuant to Part 21 of the Regulations of the Office of the Secretary of Transportation, as amended, Authority will have the right to terminate this Contract and to re-enter as if said Contract had never been made or issued. The provision will not be effective until the procedures of Title 49 CFR part 21 are followed and completed, including exercise or expiration of appeal rights.

XV.C W/MBE Participation

- A. W/MBE Goal: No specific expectancy for W/MBE participation has been established for this Contract; however, Company agrees to make a good faith effort, in accordance with

Authority W/MBE Policy and Program, throughout the Term of this Contract, to contract with W/MBE firms certified as a woman-owned or minority-owned business by the City of Tampa, Hillsborough County, the State of Florida Department of Management Services, Office of Supplier Diversity, or as a Disadvantaged Business Enterprise (DBE) under the Florida Unified Certification Program pursuant to 49 CFR Part 26 in the performance of this Contract.

- B. W/MBE Termination and Substitution: Company is prohibited from terminating or altering or changing the Scope of Services of a W/MBE subcontractor except upon written approval of Authority in accordance with Authority procedures relating to W/MBE terminations contained in the W/MBE Policy and Program. Failure to comply with the procedure relating to W/MBE terminations or changes during this Contract will be a material violation of this Contract and will invoke the sanctions for non-compliance specified in this Contract and the W/MBE Policy and Program.
- C. Monitoring: Authority will monitor the ongoing good faith efforts of Company in meeting the requirements of this Article. Authority will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this Article, including, but not limited to, records, records of expenditures, contracts between Company and the W/MBE participant, and other records pertaining to W/MBE participation, which Company will maintain for a minimum of three years following the end of this Contract. Opportunities for W/MBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of this Contract to consider whether an adjustment in the W/MBE requirement is warranted. Without limiting the requirements of this Contract, Authority reserves the right to review and approve all subleases or subcontracts utilized by Company for the achievement of these goals.
- D. Prompt Payment: Company agrees to pay each subcontractor under this Contract for satisfactory performance of its contract no later than ten (10) calendar days from the receipt of each payment Company receives from Authority. Company agrees further to release retainage payments to each subcontractor within ten (10) calendar days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Authority. This clause applies to both W/MBE and non-W/MBE subcontractors.

Company will give Authority the opportunity to keep strict account of actual cost and/or time associated with the claim. The failure to give proper notice as required herein will constitute a waiver of said claim.
- C. Written notice of intention to claim must be made within ten (10) days after Company first recognizes the condition giving rise to the claim or before the work begins on which Company bases the claim, whichever is earlier.
- D. When the work on which the claim for additional cost or Contract time is based has been completed, Company will, within ten (10) days, submit Company's written claim to Authority. Such claim by Company, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.
- E. Pending final resolution of a claim, unless otherwise agreed in writing, Company will proceed diligently with performance of this Contract and maintain effective progress to complete the work within the time(s) set forth in this Contract.
- F. The making of final payment for this Contract may constitute a waiver of all claims by

Authority except those arising from:

1. Claims, security interests or encumbrances arising out of this Contract and unsettled;
2. Failure of the work to comply with the requirements of this Contract;
3. Terms of special warranties required by this Contract; and
4. Latent defects.

If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Second Meeting: If the First Meeting fails to resolve the dispute or if the Parties fail to meet, a senior executive for Company and for Authority, neither of which have day to day Contract responsibilities, shall meet, within ten (10) days after a dispute occurs, in an attempt to resolve the dispute and any other identified disputes or any unresolved issues that may lead to dispute. Authority may invite other Parties as necessary to this meeting. If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Following the First Meeting and the Second Meeting, Authority will review Company's claims and may (1) request additional information from Company which will be immediately provided to Authority, or (2) render a decision on all or part of the claim in writing within twenty-one (21) days following the receipt of such claim or receipt of additional information requested.

If Authority decides that the work related to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Company a written directive to proceed. Company will proceed as instructed.

B. Prior to the initiation of any litigation to resolve disputes between the Parties, the Parties will make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Following negotiations, as a condition precedent to litigation, the Parties will mediate any dispute with a mediator selected by Authority. Such mediation shall occur in Hillsborough County, Florida.

C. Any action initiated by either party associated with a claim or dispute will be brought in the

Circuit Court in and for Hillsborough County, Florida.
