XI. ACCOUNTING RECORDS/AUDIT REQUIREMENTS

XI.A Books and Records

In connection with payments to Company under this Contract, it is agreed Company will maintain full and accurate books of account and records customarily used in this type of business operation, in conformity with Generally Accepted Accounting Principles (GAAP). Company will maintain such books and records for five years after the end of the Term of this Contract. Records include, but are not limited to, books, documents, papers, records, and research related to this Contract. Company will not destroy any records related to this Contract without the express written permission of the Authority.

XI.B Authority Right to Perform Audits, Inspections, or Attestation Engagements

At any time or times during the Term of this Contract or within three years after the end of this Contract, Authority, or its duly authorized representative, will be permitted to initiate and

perform audits, inspections or attestation engagements over Company's records for the purpose of determining payment eligibility under this Contract or over selected operations performed by Company under this Contract for the purpose of determining compliance with this Contract.

Free and unrestricted access will be granted to all of Company's records directly pertinent to this Contract or any work order, as well as records of parent, affiliate and subsidiary companies and any subconsultants or subcontractors. If the records are kept at locations other than the Airport, Company will arrange for said records to be brought to a location convenient to Authority auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority team to Company headquarters for purposes of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority team. In the event Company maintains its accounting or Contract information in electronic format, upon request by Authority auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors, and to make photocopies of records as needed.

Company agrees to deliver or provide access to all records requested by Authority auditors within fourteen (14) calendar days of the request at the initiation of the engagement and to deliver or provide access to all other records requested during the engagement within seven (7) calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree Authority may charge the Company liquidated damages in the amount of one hundred dollars (\$100.00) per day, for each requested record not received. Such damages may be assessed beginning on the fifteenth (15th) or eighth (8th) day, as applicable, following the date the request was made. Accrual of such fee will continue until specific performance is accomplished. This liquidated damage rate is not an exclusive remedy and Authority retains all rights, including but not limited to, its rights to elect its remedies and pursue all legal and equitable remedies. The Parties expressly agree that these liquidated damages are not a penalty and represent reasonable estimates of fair compensation for the losses that reasonably may be anticipated from Company's failure to comply.

If as a result of any engagement, it is determined that Company has overcharged Authority, Company will re-pay Authority for overcharge and Authority may assess interest of up to twelve percent (12%) on the overcharge from the date the overcharge occurred. If it is determined that Company has overcharged Authority by more than three percent for the period under consideration, Company will also pay for the entire cost of the engagement.

Company will include a provision providing Authority the same access to business records at the subconsultant and subcontractor level in all of its subconsultant and subcontractor agreements executed related to this Contract.

Company agrees to comply with Section 20.055(5), Florida Statutes, and with respect to contracts entered by Company after the Effective Date of this Contract, to incorporate in all

subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

- B. Company agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any agreement, management contract, or subcontract, purchase or lease agreement.

- C. Monitoring: Authority will monitor the ongoing good faith efforts of Company in meeting the requirements of this Article. Authority will have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this Article, including, but not limited to, records, records of expenditures, contracts between Company and the W/MBE participant, and other records pertaining to W/MBE participation, which Company will maintain for a minimum of three years following the end of this Contract. Opportunities for W/MBE participation will be reviewed prior to the exercise of any renewal, extension or material amendment of this Contract to consider whether an adjustment in the W/MBE requirement is warranted. Without limiting the requirements of this Contract, Authority reserves the right to review and approve all subleases or subcontracts utilized by Company for the achievement of these goals.
- D. Prompt Payment: Company agrees to pay each subcontractor under this Contract for satisfactory performance of its contract no later than ten (10) calendar days from the receipt of each payment Company receives from Authority. - D. When the work on which the claim for additional cost or Contract time is based has been completed, Company will, within ten (10) days, submit Company's written claim to Authority. Such claim by Company, and the fact that Authority has kept strict account of the actual cost and/or time associated with the claim, will not in any way be construed as proving or substantiating the validity of the claim.
- E. Pending final resolution of a claim, unless otherwise agreed in writing, Company will proceed diligently with performance of this Contract and maintain effective progress to complete the work within the time(s) set forth in this Contract.
- F. The making of final payment for this Contract may constitute a waiver of all claims by Authority except those arising from:
 - 1. Claims, security interests or encumbrances arising out of this Contract and unsettled;
 - 2. Failure of the work to comply with the requirements of this Contract;
 - 3. Terms of special warranties required by this Contract; and

If a party intends to be accompanied at a meeting by legal counsel, the other party shall be given at least three (3) working days' notice of such and also may be accompanied by legal counsel. All negotiations

pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of rules of evidence.

Following the First Meeting and the Second Meeting, Authority will review Company's claims and may (1) request additional information from Company which will be immediately provided to Authority, or (2) render a decision on all or part of the claim in writing within twenty-one (21) days following the receipt of such claim or receipt of additional information requested.

If Authority decides that the work related to such claim should proceed regardless of Authority disposition of such claim, Authority will issue to Company a written directive to proceed. Company will proceed as instructed.

B. Prior to the initiation of any litigation to resolve disputes between the Parties, the Parties will make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. Following negotiations, as a condition precedent to litigation, the Parties will mediate any dispute with a mediator selected by Authority. Such mediation shall occur in Hillsborough County, Florida.

reimburse Authority in the full amount of any such monetary penalty or other damages. This amount must be paid by Company within 15 days from the date of written notice.
