Terms and Conditions**

**Effective: 05/31/02**

**Revised: 03/04/20**

**02/23/23**

**11/16/23**

**PURPOSE:** To establish the insurance terms and conditions associated with contractual insurance requirements. This Standard Procedure is applicable to all companies with Authority contracts, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, every contractor, subcontractor, consultant, and sub-consultant at each tier. Unless otherwise provided herein, any exceptions to the following conditions or changes to required coverages or coverage limits must have prior written approval from the General Counsel and Executive Vice President of Legal Affairs or designee.

#### **INSURANCE COVERAGE:**

A. Procurement of Coverage:

With respect to each of the required coverages, the company will, at the company's expense, procure, maintain and keep in force the types and amounts of insurance conforming to the minimum requirements set forth in the applicable contract. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, company shall further require that all contractors, subcontractors, consultants, and sub-consultants at each tier satisfy and meet all the requirements of the applicable contract, including the terms and conditions of this Standard Procedure. Coverage will be provided by insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better.

Utilization of non-rated companies, companies with AM Best ratings lower than A-, or companies with a financial size category lower than VII must be submitted by the company to the Authority Director of Enterprise Risk Management or designee for approval prior to use. The Authority retains the right to approve or

disapprove the use of any insurer, policy, risk pooling or self-insurance program.

B. Term of Coverage:

Except as otherwise specified in the contract, the insurance will commence on or prior to the effective date of the contract and will be maintained in force throughout the duration of the contract and for any period of extended coverage required in the contract. If a policy is written on a claims-made form, the retroactive date must be shown and this date must be before the earlier of the date of the execution of the contract or the beginning of contract work, and the coverage must respond to all claims reported within three years following the period for which coverage is required unless a longer period of time is otherwise stated in the contract.

C. Reduction of Aggregate Limits:

If the general or aggregate limit for any policy is exhausted, the company, and to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, all of the company's contractors, subcontractors, consultants, and sub-consultants at each tier, will immediately take all possible steps to have it reinstated. The commercial general liability policies and any excess or umbrella policies used to provide the required amount of insurance shall include a per project designated aggregate limit endorsement providing that the limits of such insurance specified in the contract shall apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each insurance policy will be specifically endorsed to require the insurer to provide written notice to the Authority at least 30 days (or 10 days prior notice for non-payment of premium) prior to any cancellation, non-renewal or adverse change, initiated by the insurer, and applicable to any policy or coverage described in the contract or in this Standard Procedure. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority

Attn.: Chief Executive Officer

Tampa International Airport

Post Office Box 22287

Tampa, Florida 33622

Additionally, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the workers' compensation, commercial general liability and railroad protective insurance (if required) of every contractor, subcontractor, consultant, and sub-consultant at each tier shall be specifically endorsed to require the insurer to provide the Florida Department of Transportation notice within ten days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described in the contract or this Standard Procedure.

D. No waiver by approval/disapproval:

The Authority accepts no responsibility for determining whether the company or any contractor, subcontractor, consultant, or sub-consultant at each tier is in full compliance with the insurance coverage required by the contract. The Authority's approval or failure to disapprove any policy, coverage, or Certificate of Insurance does not relieve or excuse the company of any obligation to procure and maintain the insurance required in the contract or in this Standard Procedure, nor does it serve as a waiver of any rights or defenses the Authority may have.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverages and Required Limits of Insurance

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, in the opinion of the Authority, circumstances merit a change in such coverage or minimum limits of insurance required by the contract, the Authority may change the coverage and the minimum limits of insurance required, and the company will, within 60 days of receipt of written notice of a change in the coverage and/or the minimum limits required, comply with such change and provide evidence of such compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made by the Authority until at least two years after inception of the contract or two years after any change by the Authority in the coverages or minimum limits of insurance required in the contract unless extreme conditions warrant such change and are agreeable to both parties. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, any such change or modification in coverage or limits shall also apply to the

contractors, subcontractors, consultants, and sub-consultants at each tier.

If, in the opinion of the Authority, compliance with the insurance requirements is not commercially practicable for the company, its contractors, subcontractors, suppliers, consultants, or subconsultants at each tier, at the written request of the company, the Authority may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the company. Any such modification will be subject to the prior written approval of the Authority's General Counsel and Executive Vice President of Legal Affairs or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Authority Premises

The company and, to the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company's contractors, subcontractors, consultants, and sub-consultants at each tier, will not commence work, or use or occupy Authority's premises in connection with the contract, until the required insurance is in force, preliminary evidence of insurance acceptable to the Authority has been provided to the Authority, and the Authority has granted permission to the company to commence work or use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the company will furnish the Authority with an ACORD Certificate of Liability Insurance (Certificate) reflecting the required coverage described in the contract and this Standard Procedure.

The Certificate must:

- a. Be signed by an authorized representative of the insurer. Upon request of the Authority, company will furnish the Authority with any specific endorsements effecting coverage required by the contract. The endorsements are to be signed by a person authorized by insurer to bind the coverage on the insurer's behalf;
  
- b. State that: "Hillsborough County Aviation Authority, members of the Authority's governing body and the Authority's officers, volunteers, and its employees are additional insureds for all policies described above other than workers' compensation and professional liability (if required by contract)";
  
- c. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, state that the Florida Department of Transportation is an additional insured for commercial general liability;

d. Indicate that the insurers for all required policies shown on the Certificate have waived their subrogation rights against the Authority, members of the Authority's governing body, and the Authority's officers, volunteers, agents, and employees;

e. Indicate that the Certificate has been issued in connection with the contract;

f. Indicate the amount of any deductible or self-insured retention applicable to all coverages; and

g. Identify the name and address of the Certificate holder as:

Authority Hillsborough County Aviation

Attn.: Chief Executive Officer

Tampa International Airport

Post Office Box 22287

Tampa, Florida 33622;

If requested by the Authority, the company will, within 15 days after receipt of written request from the Authority, provide the Authority, or make available for review, a certified complete copy of the policies of insurance. The company may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The company will provide the Authority with renewal or replacement evidence of insurance, acceptable to the Authority, prior to expiration or termination of such insurance.

G. Deductibles, Self-Insurance, Alternative Risk or Insurance Programs:

1. All deductibles, as well as all self-insured retentions and any alternative risk or insurance programs (including, but not limited to, the use of captives, trusts, pooled programs, risk retention groups, or investment-linked insurance products), must be approved by the General Counsel and Executive Vice President of Legal Affairs or designee. The company agrees to provide all documentation necessary for the Authority to review the deductible, self-insurance or alternative risk or insurance program.
2. The company will pay on behalf of the Authority, any member of the Authority's governing body, and/or any officer, volunteer, agent, or employee of the Authority, any deductible, self-insured retention (SIR), or difference from a fully insured program which, with respect to the required insurance, is applicable to any claim by or against the Authority, or any member of the Authority's governing body, or any officer, volunteer, agent, or employee of the Authority.
3. The agreement by the Authority to allow the use of a deductible, self-insurance or alternative risk or insurance program will be subject to periodic review by the Director of Enterprise Risk Management or designee. If, at any time, the Authority deems that the continued use of a deductible, self-insurance, or alternative risk or insurance program by the

company should not be permitted, the Authority may, upon 60 days' written notice to the company, require the company to replace or modify the deductible, self-insurance, or alternative risk or insurance program in a manner satisfactory to the Authority.

4. Any deductible amount, self-insurance, or alternative risk or insurance program's retention will be included and clearly described on the Certificate prior to any approval by the Authority. This is to include fully insured programs as to a zero deductible per the policy. Authority reserves the right to deny any Certificate not in compliance with this requirement.

5. To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the commercial general liability may not be subject to a self-insured retention. Subject to approval by the Authority under sub-paragraphs 1-4 above, the commercial general liability may contain a deductible, provided that such deductible shall be paid by the named insured.

H. Company's Insurance Primary:

The insurance required by the contract will apply on a primary and non-contributory basis. Any insurance or self-insurance maintained by the Authority will be excess and will not contribute to the insurance provided by or on behalf of the company.

To the extent required by Florida Department of Transportation Public Transportation Grant Agreement, the company will ensure that the insurance provided by all contractors, subcontractors, consultants, and subconsultants at each tier will apply on a primary basis as to any other insurance available and shall not be more restrictive than the coverage afforded to the named insured.

I. Incident Notification:

In accordance with the requirements of Standard Procedure S250.02, the company will promptly notify the Airport Operations Center (AOC) of all incidents involving bodily injury, property damage, data breach, security breach, ransomware (data theft), or an extortion threat occurring on Authority-owned property, tenant-owned property or third-party property.

J. Customer Claims, Issues, or Complaints:

In addition to complying with all terms outlined in Standard Procedure S250.02, all customer claims, issues, or complaints involving property damage, bodily injury, data theft, or an extortion threat related to the company will be promptly handled, addressed and resolved by the company.

The company will track all customer claims, issues, or complaints involving property damage, bodily injury, data theft, or an extortion threat and their status on a Claims Log available for review, as needed, by Enterprise Risk Management. The Claims Log should include a detailed report of the incident along with the response and/or resolution. Enterprise Risk Management has the option to monitor all incidents, claims, issues or complaints where the Authority could be held liable for injury or damages.

K. Applicable Law:

With respect to any contract entered into by the Authority with a value exceeding \$10,000,000, if any required policy or program is: (i) issued to a policyholder outside of Florida or (ii) contains a "choice

of law” or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy or program must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy or program in connection with claims arising out of work performed pursuant to the contract.

L. Waiver of Subrogation:

The company, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, waives all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents, and employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company. The company shall require all contractors, subcontractors, suppliers, consultants and subconsultants at each tier for themselves and their insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, to waive all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents and its employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company to the extent covered and paid for by any insurance maintained by the company’s contractors, subcontractors, suppliers, consultants and subconsultants at each tier. The company shall further require that all contractors, subcontractors, suppliers, consultants, and

subconsultants at each tier include the following in every contract and on each policy:

“Hillsborough County Aviation Authority, members of the Authority’s governing body and the Authority’s officers, volunteers, agents, and its employees, as well as the State of Florida, Department of Transportation, including the Department’s officers and its employees, are additional insureds for the coverages required by all policies as described above other than workers compensation and professional liability.”

M. Company’s Failure to Comply with Insurance Requirements:

1. Authority's Right to Procure Replacement Insurance

If, after the inception of the contract, the company fails to fully comply with the insurance requirements of the contract, in addition to and not in lieu of any other remedy available to the Authority provided by the contract, the Authority may, at its sole discretion, procure and maintain on behalf of the company, insurance which provides, in whole or in part, the required insurance coverage.

2. Replacement Coverage at Sole Expense of Company

The entire cost of any insurance procured by the Authority pursuant to this Standard Procedure will be paid by the company. At the option of the Authority, the company will either directly pay the entire cost of the insurance or immediately reimburse the Authority for any costs incurred by the Authority, including all premiums, fees, taxes, and 15% for the cost of administration.

a. Company to Remain Fully Liable

The company agrees to remain fully liable for full compliance with the insurance requirements in the contract. To the extent that there is any exclusion, deficiency, reduction, or gap in a policy which makes the insurance more restrictive than the coverage required, the company agrees to remain responsible and obligated to make the Authority whole as if the company and all of its contractors, subcontractors, consultants, and sub-consultants at each tier fully met the insurance requirements of the contract.

b. Authority's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Authority is solely for the Authority's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the company or by any of its contractors, subcontractors, consultants, or sub-consultants at each tier. Authority is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate or modify any such insurance which might be procured by the Authority pursuant to this Standard Procedure.
