Meeting	Aug 11, 2022 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action

Background:

This Project will install moving walkways on Level 4 in the Long Term Parking Garage (LTPG) aligned with the existing elevator cores. Access to the Main Terminal from Level 4 in the LTPG will be across the new pedestrian bridge. In addition, this Project will remove all portions of the existing monorail system, maintenance facility, guideway, equipment and other apparatus associated with the monorail system infrastructure. This will increase the number of parking spaces in both the Short Term Parking Garage (STPG) and the LTPG.

On October 30, 2019, a Request for Qualifications entitled Monorail System Decommissioning and Moving Walkway Installation at Tampa International Airport was issued.

On March 5, 2020, the Board approved negotiations with the number one ranked firm, Manhattan Construction Company.

On June 4, 2020, the Board approved a Part 1 Contract for Design-Build Services in the maximum purchase authorization amount of \$2,288,048 for design of the Project.

On August 5, 2021, the Board approved a Part 2 Contract for Design-Build Services in the maximum purchase authorization amount of \$14,137,731 for construction of the moving walkway portion of the Project.

On March 3, 2022, the Board approved a Part 2 Supplemental Contract A for Design-Build Services in the maximum purchase authorization amount of \$14,878,596 for the decommissioning of the monorail, the demolition and removal of all related infrastructure, and the reconfiguration of the affected parking spaces in the STPG and LTPG.

On April 6, 2022, the Chief Executive Officer approved Change Order No. 1 in the amount of \$6,257.34 for modifications to the temporary protection over the 2021 Christmas and New Years Holidays.

Proposal:

The scope of work of this Change Order No. 2 will include the re-sequencing of the Phase 2 monorail demolition. This Change Order No. 2 will also change the substantial completion date for the Phase 2 monorail demolition portion of the Project to June 14, 2024. This change to the Project schedule will reduce impacts to the overall capacity of the STPG and LTPG (when compared to the initial Project schedule), resulting in increased inventory of parking spaces for guest use.

The maximum purchase authorization for this Change Order No. 2 will be \$1,445,486.00, bringing the total combined Project Contract amount-to-date to \$32,756,118.34.

This Change Order No. 2 will incorporate a W/MBE participation of 23.6% for design and 12.5% for construction.

Funding:

This item is included in the Capital Budget.

Recommendation:

Management recommends adoption of Resolution No. 2022-84.

Resolution:

Resolution No. 2022-84 approves and authorizes execution of Change Order No. 2 to Part 2 Contract for Design-Build Services, Monorail System Decommissioning and Moving Walkway Installation, HCAA Project No. 8315 20 at Tampa International Airport with Manhattan Construction Company; and authorizes the Chief Executive Officer or his designee to execute all other ancillary documents.

(Flagship) for the period of October 1, 2020 through September 30, 2025 with three, discrete one-year renewal options to be executed at the discretion of the Chief Executive Officer. The Contract includes a schedule of rates for routine public and non-public cleaning, project cleaning, extra work and supplies for each Contract year and the optional renewal years. The following rates were established for Year 1: Routine public cleaning at \$0.4000 per square foot; Routine non-public cleaning at \$0.0700 per square foot; Project cleaning at \$0.1300 per square foot; Extra work at \$17.90 per hour; and Supplies at \$0.0500 per passenger. The overall cost impact for the remainder of Fiscal Year 2022 is approximately \$455,300 and for Fiscal Year 2023 is approximately \$2,531,800.

The Authority may cancel the Contract with 60 days written notice.

Funding:

Firms must also obtain national and local chain of custody approval from the Transportation Security Administration under each airline's Aircraft Operator Standard Security Program.

Authority Policy P410 authorizes sole source purchases when no other authorized vendor can supply the required equipment, materials, supplies or services.

On March 16, 2022, a Notice of Intent to Award a Sole Source Procurement to Baggage Airline Guest Services, Inc. for Remote Baggage Check Services at Tampa International Airport was issued. No responses were received.

Subject	4. Concession Contract for Cashless Solution Kiosk, Ready Credit Corporation, Tampa International Airport, Resolution No. 2022-82
Meeting	Aug 11, 2022 - Aviation Authority Regular Board Meeting
Access	Public
Type	Action

Background:

Ready Credit Corporation (Ready Credit) has an existing Temporary Concession Contract for Cashless Solution Kiosk with the Authority to provide cash-to-card services at Tampa International Airport (Airport). The Temporary Contract expired on July 31, 2022; however, services are still available at the Airport as permitted due to a holdover provision in the Temporary Contract.

Ready Credit provides cash-to-card services at two (2), twenty-four (24) kiosk machines in locations accessible to the public on the Ticketing Level of the Airport Main Terminal. Airport guests and employees are able to convert cash to pre-paid Visa debit cards for a transaction fee of \$6.00.

Policy P820, Award of Concession Agreements, allows for negotiations with an existing operator when, upon anticipated expiration of the full term of an agreement, it is determined by the Chief Executive Officer to be in the best interest of the Authority. Ready Credit is currently the only operator for these types of services in FAA-designated Large Hub Airports.

Proposal:

The Chief Executive Officer considers it to be in the Authority's best interests to enter into a new Concession Contract for Cashless Solution Kiosk with Ready Credit to provide cash-to-card services at the Airport. The Contract will commence on August 11, 2022 and will expire on July 31, 2025, and includes two (2) one-year renewal options, unless terminated sooner. The Contract may be terminated by either party, with or without cause, upon thirty (30) days' written notice.

Under the Contract, Ready Credit will pay the Authority a monthly Privilege Fee of 10% of all transaction fees for the machines located at the Airport.

Due to the nature of this business the Contract does not have a specific Airport Concessions Disadvantaged Business Enterprise (ACDBE) goal.
