The payments, fees and other charges due hereunder commence April 1, 2017 and continue throughout the term of this Agreement unless this Agreement is terminated as provided herein.

2.04 Termination

This Agreement may be terminated by Authority, with or without cause, upon 30 days' written notice to Company. This Agreement may be terminated by Company, with or without cause, if Company is not in default of any terms of this Agreement or in the payment of any rents or other charges to Authority, upon 30 days' written notice to Authority. In the event any such notice of termination is given, the termination of this Agreement will be effective 30 calendar days from the date of the notice or such later date as set forth in the notice of termination.

ARTICLE 3
USE OF THE AIRPORT AND RELATED FACILITIES

3.01 Company's Rights and Privileges

In addition to all rights granted elsewhere in this Agreement, Company will have the right to use, in common with others so authorized by Authority, areas (other than areas leased exclusively or preferentially to others), facilities, equipment, and improvements at the Airport for the operation of Company's ground handling business and all activities reasonably necessary to such operations serving air carriers possessing a current airline-airport use and lease agreement (hereinafter

referred to as "Signatory Air Carriers"); air carriers possessing a current operating agreement for non-signatory air carriers (hereinafter referred to as "Non-Signatory Air Carriers"); and nonscheduled, charter or itinerant aircraft, when such aircraft are lawfully located within the potential use areas as depicted in Exhibit A of this Agreement, attached hereto and by this reference made a part hereof (air carriers are hereinafter collectively referred to as "Company's Customers").

A. Services

- (1) Company will have the non-exclusive right to provide to Company's Customers ground service equipment (GSE) preventative maintenance and repair services, including but not limited to, the following:
 - a) Steering and suspension parts replacement;
 - b) Parts replacement on the unit's braking system;
 - c) Parts replacement on the unit's hydraulic lifting system;
 - d) Troubleshooting failures that cause the unit to be unserviceable; and
 - e) Minor electrical repairs as needed.

B. Ingress and Egress

(1) Use of Public Way

Company will have the right of ingress to and egress from Airport for Company's officers, employees, agents, and invitees, including Company's Customers, suppliers, and contractors. Company's right of ingress and egress will be subject to FAA regulations, applicable laws, and Authority's Rules, Regulations, Policies, Standard Procedures and Operating Directives governing the general public and access to non-public areas.

(2) Methods of Ingress or Egress

Authority may at any time temporarily or permanently close, re-route, or consent to or request the closing or re-routing of any method of ingress to or egress from Airport, so long as a reasonably equivalent means of ingress and egress is available to Company. Company hereby releases and discharges Authority from

any and all claims, demands, or causes of action that Company may have arising out of such a closing or re-routing.

3.02 Exclusions and Reservations

- A. Nothing in this Article will be construed as authorizing Company to conduct any business separate and apart from the conduct of its ground handling business.
- B. Company will not knowingly interfere or permit interference with the use, operation, or maintenance of the Airport, including but not limited to, the effectiveness or accessibility of the drainage, sewerage, water, communications, fire protection, utility, electrical, or other systems installed or located from time to time at the Airport; and Company will not engage in any activity prohibited by Authority's approved FAR Part 150 Noise Compatibility Study and Preferential Runway Use Program as amended or supplemented from time to time.
- C. Company will be properly certified under appropriate federal, state and local regulations. Copies of such certificates will be furnished to Authority on demand.
- D. Company will not do or permit to be done any act that might cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport, or that will cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If Company does or permits to be done any act not permitted under this Agreement, or fails to do any act required under this Agreement, regardless of whether such act will constitute a breach of this Agreement, which act or failure, in and of itself, causes an increase in Authority's insurance premiums, Company will immediately remedy such actions and/or pay the increase in premiums, upon notice from Authority to do so.
- E. Company will pay all applicable sales, use, intangible and ad valorem taxes, if any and of any kind, whether levied against Company or Authority. Company will also pay other taxes or assessments arising out of or assessed as a result of the uses, rights and privileges granted Company hereunder. Company reserves the right to contest such taxes or assessments and withhold payment of such taxes and assessments upon written notice to Authority of its intent to do so, so long as the nonpayment of such taxes and assessments does not result in a lien against the Airport or a direct liability on the part of Authority. Authority agrees to immediately forward to Company any notices of taxes and assessments due upon receipt of same.

- F. The uses, rights and privileges granted to Company pursuant to this Article will be subject to any and all reasonable and nondiscriminatory Rules, Regulations and Operating Directives established by Authority, as may be amended from time to time.
- G. This Agreement will not be construed to grant or authorize the granting of an exclusive right within the meaning of 49 USC 40103(e) or 49 USC 47107(a), as may be amended from time to time, and related regulations.
- H. Any and all rights and privileges not specifically granted to Company for its use of and operations at the Airport pursuant to this Agreement are hereby reserved for and to Authority.

ARTICLE 4
OBLIGATIONS OF COMPANY

4.01 Business Operations

Company will provide all necessary equipment, personnel and other appurtenances necessary to conduct its operations. Company will conduct its business operations hereunder in a lawful, orderly and proper manner, considering the nature of such operations, so as not to unreasonably annoy, disturb, endanger or be offensive to others on the Airport. Company will provide all services under this Agreement on a fair and reasonable basis to all users of the Airport. Service will be prompt, courteous and efficient.

4.02 Manager

Company will have a fully qualified and experienced manager assigned to a duty station or office at the Airport who will be available at all times. Company will, at all times during the absence of such manager, assign or cause to be assigned a qualified subordinate to be in charge and to act for the manager in their absence.

4.03 Conduct of Employees and Invitees

Company will, within reason, control the conduct, demeanor and appearance of its employees, invitees, and of those doing business with Company and, upon objection from Authority concerning the conduct, demeanor or appearance of any such persons, will immediately take all reasonable steps necessary to remove the cause of objection.

4.04 Equipment and Vehicle Parking

Company will ensure that all equipment, including but not limited to, vehicles owned or operated by Company, its vendors or contractors, will not be parked in a manner that interferes in any way

with any other operations at the Airport. Company's equipment and vehicles and those of its vendors or contractors will be parked in designated parking areas as identified by Authority.

4.05 Nuisance

Company will not commit any nuisance, waste, or injury on the Airport and will not do or permit to be done anything that may result in the creation, commission or maintenance of such nuisance, waste, or injury.

4.06 Excessive Load

Company hereby agrees that it will use all paved areas on the Airport as constructed and in accordance with the permitted use of such paved areas, and Company will prohibit its employees, agents, invitees, or sublessees from placing excessive loads on paved areas on the Airport. Company will be responsible for the repair of any paved area damaged by non-conforming usage or excessive loading.

4.07 Sound Level

Company will take all reasonable measures to reduce to a minimum vibration that may cause damage to any equipment, structure, building or portion of any building located on the Airport, and to keep the sound level of its operation as low as possible.

4.08 Frequency Protection

Should Company install any type of radio transceiver or other wireless communications equipment, Company will provide frequency protection within the aviation air/ground VHF frequency band and the UHF frequency band in accordance with restrictions promulgated by the FAA for the vicinity of FAA Transmitter or Receiver facilities. Frequency protection will also be provided for all other frequency bands operating in the vicinity of Company's equipment. Should interference occur as a result of Company's installation, Authority reserves the right to shut down Company's installation until appropriate remedies to the interference are made by Company. Such remedies may include, but are not limited to, relocation to another site. The cost of all such efforts to remedy the interference will be solely at Company's expense.

4.09 Flammable Liquids

Company will not keep or store flammable liquids within any covered or enclosed portion of the Airport without the prior written approval of Authority. Any such liquids having a flash point of less

than 110 degrees Fahrenheit will be kept and stored in safety containers of a type approved by Underwriters Laboratories.

4.10 Permits and Licenses

Company will obtain and maintain throughout the term of this Agreement all permits, licenses, or other authorizations required in connection with the operation of its business at the Airport.

4.11 Security Badging

Any Company employee, or any employee of its contractors or agents, that require unescorted access to the Security Identification Display Area (SIDA) to perform work under this Agreement will be badged with an Airport identification badge (hereinafter referred to as "Badge") provided by Authority's ID Badging Department and will be subject to an FBI fingerprint-based criminal history records check (CHRC) and an annual Security Threat Assessment (STA). A new or renewed Badge will not be issued to an individual until the results of the CHRC and the STA are completed and indicate that the applicant has not been convicted of a disqualifying criminal offense. If the CHRC or STA discloses a disqualifying criminal offense, the individual's new or renewed badge application will be rejected. The costs of the CHRC and the annual STA will be paid by Company. These costs are subject to change without notice, and Company will be responsible for paying any increase in the costs. All badged employees of Company and its contractors or agents will comply with Authority's regulations regarding the use and display of Badges.

Company will be assessed a fine for each Badge that is lost, stolen, unaccounted for or not returned to Authority at the time of Badge expiration, employee termination, termination of the Agreement, or upon written request by Authority. This fine will be paid by Company within 15 days from the date of invoice. The fine is subject to change without notice, and Company will be responsible for paying any increase in the fine.

If any Company employee is terminated or leaves Company's employment, Authority must be notified immediately, and the Badge must be returned to Authority promptly.

4.12 Signs

All standard signage will be provided by Authority at the request and cost of Company. Authority will endeavor to incorporate Company's needs on such directional and location signs and messages as agreed upon between Company and Authority, consistent with Authority's graphic standards; provided, however, that Company will submit in advance the sum of money that is required for the cost of signage and message modifications. All other signage, such as posters,

banners, or displays, will not be allowed without the prior written approval of Authority. Unapproved signage will be removed by Authority at Company's expense.

4.13 Personal Property

Any personal property of Company placed on the Airport will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage. Company hereby waives all rights of subrogation against or recovery from Authority for any such loss or damage.

4.14 Surrender of Personal Property

Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Airport on the date of termination. Failure on the part of Company to remove all of its personal property within 10 days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever lawful disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of any rent terms of this Agreement, Authority will have a lien for such rent upon any personal property found upon the Airport in accordance with Florida Statutes and, in such event, Company will not remove any personal property from the Airport without written approval of Authority.

ARTICLE 5

OPERATION AND MAINTENANCE OF THE AIRPORT

Authority will be responsible for the overall maintenance, cleaning, and operation of the Airport.

5.01 Authority's Obligations

- A. Authority will, with reasonable diligence, prudently develop, improve, and at all times maintain and operate the Airport in a first class manner consistent with airports of similar size with qualified personnel and keep the Airport in an orderly, clean, neat and sanitary condition, and good repair, unless such maintenance, operation, or repair is Company's obligation pursuant to Section .02 below.
- B. Authority will, to the extent it is legally able so to do, use reasonable efforts to keep the Airport and its aerial approaches free from ground obstruction for the safe and proper use by Company.

- C. Authority will not be liable to Company for temporary failure to furnish all or any of such services to be provided in accordance with this Section when such failure is due to mechanical breakdown not caused by Authority's negligence or any other cause beyond the reasonable control of Authority.
- D. Authority will maintain (1) loading bridges owned by Authority; (2) preconditioned air systems owned by Authority; (3) associated 400 Hertz units owned by Authority; (4) inbound and outbound baggage handling systems; baggage conveyors owned and installed by Authority when available for Company's use; (5) lightning detection systems; and (6) other systems that may be acquired by Authority in the future.
- E. Authority will, in the operation of the Airport, comply with all local, state and federal laws, rules and regulations.

5.02 Company's Obligations

- A. Company will, at all times, preserve and keep the Airport in an orderly, clean, neat, and sanitary condition, free from trash and debris resulting from Company's operations.
- B. Company will keep, at its own expense, the terminal aircraft aprons and/or cargo aircraft aprons free of fuel, oil, debris, and other foreign objects.
- A. Should Company fail to perform its material obligations hereunder, Authority will have the right to perform such activities; provided, however, other than in a case of emergency, Authority will give Company reasonable advance written notice of non-compliance, not to exceed ten days, prior to the exercise of this right; provided, however, that if the nature of the cure is such that it cannot be reasonably effectuated within ten (10) days, Company will have an additional period with Authority approval (or, in the alternative, with an Authority approved schedule) reasonably necessary to effectuate such cure. If Authority's right to perform such activities is exercised, Company will pay Authority, upon receipt of invoice, the cost of such services plus 10 percent. Nonpayment of such invoice will be deemed a condition of default of this Agreement.

ARTICLE 6 REPORTS AND AUDITS

6.01 Monthly Statements

Within ten days after the close of each calendar month of the term of this Agreement, Company will submit to Authority, by electronic portal or other method satisfactory to Authority, a detailed

statement signed by a responsible officer of Company of its Gross Receipts for the preceding month upon which the fees payable to Authority set forth in this Agreement are computed.

6.02 Books and Records

Company will keep full and accurate books and records showing all of its Gross Receipts. Company agrees that records and instruments will be available to Airport for at least three years after each annual period. If Company utilizes a computerized accounting system, Authority will be allowed to download information from the system for the purpose of verifying Gross Receipts. In the event Company does not maintain exclusive sequential numbering for invoices commencing at the Airport, Company agrees to provide copies of invoices from other sales locations included in the non-exclusive sequence to Authority or its auditors for the purposes of testing reporting completeness.

6.03 Annual Statement

Within 60 days after the end of each 12-month period during the term of this Agreement, Company will furnish a certified statement to Authority, signed by a responsible officer of Company, containing a list of the Gross Receipts by month used to compute the Privilege Fees and other payments made to Authority as shown on the books and records of Company during the period covered by the statement.

6.04 Authority's Right to Perform Audits, Inspections, or Attestation Engagements

A. Notwithstanding Company's requirement to submit an annual statement, Authority or its representative may at any time during the term of the Agreement or within three years after the end of the Agreement, initiate and perform audits, inspections, or attestation engagements over all or selected operations performed by Company under this Agreement. Free and unrestricted access will be granted to all of Company's books and records, including the State of Florida sales tax return records and records of a parent, affiliate, and/or subsidiary companies and any subconsultants or subcontractors directly pertinent to this Agreement. If the records are kept at locations other than the Airport, Company will arrange for said records to be brought to a location convenient to Authority's auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority's team to Company's location of records for the purpose of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority's team. In the event Company maintains the requested records in electronic format, upon request by Authority's auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no

additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors and to make photocopies of records as needed.

- B. Company agrees to deliver or to provide access to all records requested by Authority's auditors within 14 calendar days of the request at the initiation of the engagement and to deliver or to provide access to all other records requested during the engagement within seven calendar days of each request. The Parties recognize that Authority will incur additional costs if records requested by Authority's auditors are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree that Company may be charged liquidated damages of \$100.00, in addition to all other contractual financial requirements, for each item in a records request, per calendar day, for each time Company is late in submitting requested records to perform the engagement. Accrual of the fee will continue until specific performance is accomplished.
- C. If, as a result of any engagement, it is determined that Company owes additional rent, fees, or other charges to Authority, Company will pay such amounts, and Authority may assess interest up to 12% on the amount due from the date the amount was initially due. If it is determined that Company has underreported Gross Receipts or underpaid fees related to Gross Receipts by three percent (3%) or more for the period under review, Company will also pay for the entire cost of the engagement.

ARTICLE 7 PAYMENTS

For the rights and privileges granted herein, Company agrees to pay the following fees and charges to Authority, in lawful money of the United States of America, without set off, by check or approved electronic transfer made payable to Authority. Payment for fees and charges hereunder will be due within 15 days after the date of the invoice, except as provided herein. Said fees and charges will be deemed delinquent if payment is not received within 15 days of the stated date of such invoice.

7.01 Percentage Privilege Fee (PPF)

- A. The PPF is five (5%) percent of Company's monthly Gross Receipts, as defined below, for the previous month as presented in Company's Monthly Statement of Gross Receipts.
- B. Company will not modify its accounting treatment or rename or redefine services or products that, under the terms of this Agreement, would be subject to the PPF. Company understands that Authority does not support the practice of directly transferring Company's

obligation for payment of the PPF due herein to Company's Customers. Except as already referenced herein, Company agrees that if such additional charges or fees are collected from Company's Customer for the purpose of collecting the PPF, such fees will be disclosed to Company's Customer as "Company's cost of doing business at the Airport" and will not be represented as an Airport tax.

7.02 Annual Reconciliation

Following receipt of Company's annual certified statement, Authority will prepare and submit to Company a statement showing the PPF due, compared to the PPF previously invoiced by Authority for the applicable period. If the PPF previously invoiced by Authority for the applicable period exceeds the PPF calculated on the certified Gross Receipts, Authority will issue a credit memo indicating that the overpayment will be credited to the fees next thereafter due from Company. If the PPF previously invoiced by Authority is less than the PPF calculated on the certified Gross Receipts, Authority will invoice Company for the sums due. Said invoice will be due and payable within 15 days after the date of the invoice.

7.03 Definition of Gross Receipts

A. Amounts Included

As used herein the term "Gross Receipts" will include the gross revenues from all sales made and services performed for cash, credit or otherwise, pursuant to Company's operations and solicitations at the Airport, regardless of when or whether paid.

B. Amounts Excluded and Restrictions on Exclusions:

Gross Receipts will not include gross revenues that Company receives for all the non-exclusive rights, privileges and concessions described in the Uses of the Airport and Related Facilities article of this Agreement that Company provides to Signatory Air Carriers.

7.04 Diversion of Gross Receipts

Any intentional diversion of Gross Receipts will constitute a breach of contract, and Authority will have the right to immediately terminate this Agreement upon determination by Authority or its auditors that an intentional diversion exists or has occurred.

7.05 Collection of Authority Fees

No later than 15 days from the date of invoice during the term hereof, Company will remit to Authority all fees collected during the preceding month on behalf of Authority in accordance with this Agreement. During the term hereof, upon request and on behalf of Authority, Company will collect all landing fees, gate use fees, federal inspection service use fees, common use fees, and other fees and charges applicable to Company's Customers, and report such fees monthly, it being agreed that Authority will pay Company as a collection fee five percent (5%) of all such fees. Common use fees are not to be collected on behalf of Authority for air carriers or aircraft that do not use the terminal building complex and are handled as a ramp operation.

7.06 Employee Parking Fees

Authority reserves the right to charge Company or its employees a reasonable and non-discriminatory fee based on Authority's cost of providing services and facilities for the employee parking areas provided at the Airport.

7.07 Interest on Delinquent Payments

Without waiving any other right or action available to Authority in the event of default of Company's payment of fees or other charges hereunder, and in the event Company is delinquent in such payments to Authority, for a period of five business days after the payment is due, Authority reserves the right to charge Company interest thereon, from the date such fees or other charges became due to the date of payment, at the Federal Reserve Bank of New York prime rate in effect on the date the fees or other charges became due plus four percent (FRBNY prime + 4%) or 12 percent per annum, whichever is greater, to the maximum extent permitted by law.

7.08 Fees and Other Charges a Separate Covenant

Company will not for any reason withhold or reduce its required payments of fees and other charges provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

7.09 Place of Payments

Company will submit all payments required by this Agreement as follows:

ARTICLE 8 SECURITY FOR PAYMENT

8.01 Payment Security Requirements

- A. Unless Company has maintained an agreement similar to this Agreement with Authority during the 18 months prior to the effective date of this Agreement without the occurrence of any act or omission that would have been a default under this Agreement, Company will provide Authority on or before the effective date of this Agreement with an acceptable bond, irrevocable letter of credit or other similar security acceptable to Authority in an amount equal to the estimate of three months' rents, fees and charges (excluding PFCs), payable by Company under this Agreement, to guarantee the faithful performance by Company of its obligations under this Agreement and the payment of all rents, fees, tax assessments, and charges due hereunder (hereinafter referred to as "Payment Security"). Company will be obligated to maintain such Payment Security in effect until the expiration of 18 consecutive months during which Company commits no default under this Agreement. Such Payment Security will be in a form and with a company acceptable to Authority and licensed to do business in the State of Florida. In the event that any such Payment Security is for a period less than the full period required under this Agreement or if such Payment Security is canceled, Company will provide a renewal or replacement Payment Security for the remaining required period at least 60 days prior to the date of such expiration or cancellation. Such Payment Security will require notice by the surety to Authority at least 60 days prior to any cancellation.

- B. In the event Authority is required to draw down or collect against Company's Payment Security for any reason, Company will, within 15 days after such draw down or collection, take such action as is necessary to replenish the existing Payment Security to an amount equal to three months' estimated rents, fees and charges or provide additional or supplemental Payment Security from another source so that the aggregate of all Payment Security is equal to three months' estimated rents, fees and charges payable by Company pursuant to this Agreement.

- C. In addition to the foregoing, upon the occurrence of any act or omission by Company that would constitute a default under this Agreement, or upon Company's election to assume this Agreement under Federal Bankruptcy Rules and Regulations, as such may be amended, supplemented, or replaced, Authority, by written notice to Company given at any time within 90 days of the date such event becomes known to Authority, may impose or re-impose the requirements of this Article upon Company. In such event, Company will provide Authority with the required Payment Security within 15 days from its receipt of such written notice and will thereafter maintain such Payment Security in effect until the expiration of a period of 18 consecutive months during which Company commits no additional act or omission that would constitute a default under in this Agreement or the termination of bankruptcy proceedings, whichever is later.

- D. If Company fails to obtain and keep in force the Payment Security required hereunder, such failure will be grounds for immediate termination of this Agreement. Authority's rights under this Article will be in addition to all other rights and remedies provided to Authority under this Agreement.

8.02 Satisfactory Performance

Subject to the provisions of Section .01 above, the Payment Security will be returned within 90 days following the expiration of the term (including any renewals) of this Agreement, subject to the satisfactory performance by Company of all terms, conditions, and covenants contained herein.

ARTICLE 9
INDEMNIFICATION

To the fullest extent permitted by law, Company agrees to protect, reimburse, indemnify and hold Authority, its agents, Board members, employees, and officers free and harmless from and against any and all liabilities, claims, expenses, losses, costs, fines, and damages (including but not limited to attorney's fees and court costs) and causes of action of every kind and character arising out of, resulting from, incident to, or in connection with Company's presence on or use or occupancy of

the Airport; Company's acts, omissions, negligence, activities, operations, professional negligence, or malpractice; Company's performance, non-performance or purported performance of this Agreement; or any breach by Company of the terms of this Agreement, or any such acts, omissions, negligence, activities, operations, professional negligence, or malpractice of Company's officers, employees, agents, subcontractors, invitees, or any other person directly or indirectly employed or utilized by Company, that results in any bodily injury (including death) or any damage to any property, including loss of use, incurred or sustained by any party hereto, any agent or employee of any party hereto, any other person whomsoever, or any governmental agency, regardless of whether or not it is caused in whole or in part by the negligence of a party indemnified hereunder.

In addition to the duty to indemnify and hold harmless, Company will have the duty to defend Authority, its agents, Board members, employees, and officers from all liabilities, claims, expenses, losses, costs, fines, and damages (including but not limited to attorney's fees and court costs) and causes of action of every kind and character. The duty to defend under this Article is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of Company, Authority, and any indemnified party. The duty to defend arises immediately upon written presentation of a claim to Company.

Company recognizes the broad nature of these indemnification, hold harmless, and duty to defend clauses, and voluntarily makes this covenant and expressly acknowledges the receipt of \$10.00 and such other good and valuable consideration provided by Authority in support of this indemnification in accordance with the laws of the State of Florida. This Article shall survive the termination of this Agreement. Compliance with insurance requirements under this Agreement shall not relieve Company of its liability or obligation to indemnify, hold harmless and defend Authority as set forth in this Article.

- B. The conduct of any business or performance of any acts at the Airport not specifically authorized in this Agreement or by any other agreement between Authority and Company, and Company's failure to discontinue that business or those acts within 30 days of receipt by Company of Authority's written notice to cease said business or acts.

11.02 Authority's Remedies

In the event of any of the foregoing events of default enumerated in this Article, and following 30 days' notice by Authority and Company's failure to cure, Authority, at its election, may exercise any one or more of the following options or remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law:

Notwithstanding any other provisions of this Agreement, and in addition to any and all other requirements of this Agreement or any other covenants, representations, or warranties of Company, Company hereby expressly covenants, warrants, and represents to Authority, in connection with Company's operations at the Airport, the following:

- A. Company is knowledgeable of and agrees to comply with all applicable federal, state, and local environmental laws, ordinances, rules, regulations, and orders that apply to Company's facilities or operations at the Airport and acknowledges that such environmental laws, ordinances, rules, regulations, and orders change from time to time, and Company agrees to keep informed of any such future changes.
- B. In addition to any and all other requirements of Company to indemnify and hold Authority harmless contained in this Agreement, Company agrees to hold harmless and indemnify Authority for any violation by Company of such applicable federal, state, and local environmental laws, ordinances, rules, regulations, and orders and for any non-compliance by Company with any permits issued to Company pursuant to such environmental laws, which hold harmless and indemnity will include, but not be limited to, enforcement actions to assess, abate, remediate, undertake corrective measures, and monitor environmental conditions and for any monetary penalties, costs, expenses, or damages, including natural resource damages, imposed against Company, its employees, invitees, suppliers, or service providers or against Authority by reason of Company's violation or non-compliance.

- C. Company agrees to cooperate with any investigation, audit, or inquiry by Authority or any governmental agency regarding possible violation of any environmental law or regulation upon the Airport premises.

Such termination will not relieve Company of or from liability for such discharge or spill.
- B. If Company is deemed to be a generator of hazardous waste, as defined by federal, state, or local law, Company will obtain a generator identification number from the U. S. Environmental Protection Agency (EPA) and the appropriate generator permit and will

Notwithstanding any other provisions or terms of this Agreement, Company acknowledges that certain properties on Authority-owned land are subject to stormwater rules and regulations. It is further expressly agreed, covenanted, and stipulated that if for any reason service of such process is not possible, and Company does not have a duly noted resident agent for service of process, as an alternative method of service of process, Company may be personally served with such process out of this State, by the registered mailing of such complaint and process to Company at the address set out hereinafter in this Agreement and that such service will constitute valid service upon Company as of the date of mailing and Company will have 30 days from date of mailing to respond thereto. It is further expressly understood that Company hereby agrees to the process so served, submits to the jurisdiction of the court and waives any and all obligation and protest thereto, any laws to the contrary notwithstanding.

<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

PURPOSE: To establish the insurance terms and conditions associated with contractual insurance requirements. This Standard Procedure is applicable to all companies with Authority contracts. Unless otherwise provided herein, any exceptions to the following conditions or changes to required coverages or coverage limits must have prior written approval from the Vice President of Facilities and Administration or designee.

INSURANCE COVERAGE:

A. Procurement of Coverage:

With respect to each of the required coverages, the company will, at the company's expense, procure, maintain and keep in force the amounts and types of insurance conforming to the minimum requirements set forth in the applicable contract. Coverages will be provided by insurance companies eligible to do business in the State of Florida and having an AM Best rating of A- or better and a financial size category of VII or better. Utilization of non-rated companies or companies with AM Best ratings lower than A- or a financial size category lower than VII may be approved on a case by case basis by Risk Management.

B. Term of Coverage:

Except as otherwise specified in the contract, the insurance will commence on or prior to the effective date of the contract and will be maintained in force throughout the duration of the contract. Completed operations coverage may be required to be maintained on specific commercial general liability policies effective on the date of substantial completion or the termination of the contract, whichever is earlier. If a policy is written on a claims made form, the retroactive date must be shown and this date must be before the earlier of the date of the execution of the contract or the beginning of contract work, and the coverage must respond to all claims reported within three years following the period for which coverage is required unless stated otherwise in the contract.

C. Reduction of Aggregate Limits:

If the aggregate limit is exhausted, the company will immediately take all possible steps to have it reinstated. The general liability policies shall include a per policy endorsement

providing that the limits of such insurance specified in the contract shall apply solely to the work under the contract without erosion of such limits by other claims or occurrences.

1. Cancellation Notice

Each of the insurance policies will be specifically endorsed to require the insurer to provide the Authority with 30 days written notice (or 10 days for non-payment of premium) prior to the cancellation of the policy. The endorsement will specify that such notice will be sent to:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622

D. No waiver by approval/disapproval:

The Authority accepts no responsibility for determining whether the company's insurance is in full compliance with the insurance required by the contract. Neither the approval by the Authority nor the failure to disapprove the insurance furnished by the company will relieve the company of their full responsibility to provide the insurance required by the contract.

E. Future Modifications – Changes in Circumstances:

1. Changes in Coverages and Required Limits of Insurance

The coverages and minimum limits of insurance required by the contract are based on circumstances in effect at the inception of the contract. If, in the opinion of the Authority, circumstances merit a change in such coverages or minimum limits of insurance required by the contract, the Authority may change the coverages and minimum limits of insurance required, and the company will, within 60 days of receipt of written notice of a change in the coverages and minimum limits required, comply with such change and provide evidence of such

<p>STANDARD PROCEDURE</p> <p>Aviation Authority</p>	<p>Number: <u>S250.06</u></p> <p>Effective: <u>05/31/02</u></p> <p>Revised: <u>12/11/14</u></p> <p>Page: <u>3</u> of <u>7</u></p>
<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

compliance in the manner required by the contract. Provided, however, that no change in the coverages or minimum limits of insurance required will be made until at least two years after inception of the contract. Subsequent changes in the coverages or minimum limits of insurance will not be made until at least two years after any prior change unless extreme conditions warrant such change and are agreeable to both parties.

If, in the opinion of the Authority, compliance with the insurance requirements is not commercially practicable for the company, at the written request of the company, the Authority may, at its sole discretion and subject to any conditions it deems appropriate, relax or temporarily suspend, in whole or in part, the insurance requirements which would otherwise apply to the company. Any such modification will be subject to the prior written approval of the Vice President of Facilities and Administration or designee, and subject to the conditions of such approval.

F. Proof of Insurance – Insurance Certificate:

1. Prior to Work, Use or Occupancy of Authority Premises

The company will not commence work, use or occupy Authority premises in connection with the contract until the required insurance is in force, preliminary evidence of insurance acceptable to the Authority has been provided to the Authority, and the Authority has granted permission to the company to commence work, use or occupy the premises in connection with the contract.

2. Proof of Insurance Coverage

As preliminary evidence of compliance with the insurance required by the contract, the company will furnish the Authority with a certificate(s) of insurance satisfactory to the Authority. This certificate must be signed by an authorized representative of the insurer. If requested by the Authority, the company will, within 15 days after receipt of written request from the Authority, provide the Authority, or make available for review, certificates of insurance, copies of required endorsements and/or a certified complete copy of the policies of

insurance. The company may redact those portions of the insurance policies that are not relevant to the coverage required by the contract. The company will provide the Authority with renewal or replacement evidence of insurance, acceptable to the Authority, prior to expiration or termination of such insurance.

The insurance certificate must:

- a. Indicate that, to the extent required by the contract:
 - i. the Authority, members of the Authority's governing body, and the Authority's officers, volunteers and employees are included as Additional Insureds on all policies other than workers compensation and professional liability, and
 - ii. the insurers for all policies have waived their subrogation rights against the Authority;
- b. Indicate that the certificate has been issued in connection with the contract;
- c. Indicate the amount of any deductible or self-insured retention applicable to all coverages;
- d. Identify the name and address of the certificate holder as:

Hillsborough County Aviation Authority
Attn.: Chief Executive Officer
Tampa International Airport
Post Office Box 22287
Tampa, Florida 33622
and;
- e. Be signed and dated using approved methods by an individual who is an authorized representative of each insurer, whose insurance is the subject of

the certificate and who is authorized by each such insurer to issue the certificate of insurance as modified. Facsimile signatures are acceptable.

G. Deductibles / Self Insurance:

1. All property and builders risk deductibles, as well as all self-insured retentions or any schemes other than a fully insured program, must be approved by the Vice President of Facilities and Administration or designee. The company agrees to provide all documentation necessary for the Authority to review the deductible or alternative program.
2. The company will pay on behalf of the Authority, or any member of the Authority's governing body or any officer or employee of the Authority, any deductible or self-insured retention (SIR) which, with respect to the required insurance, is applicable to any claim by or against the Authority, or any member of the Authority's governing body, or any officer or employee of the Authority.
3. The contract by the Authority to allow the use of a deductible or self-insurance program will be subject to periodic review by the Risk Manager. If, at any time, the Authority deems that the continued use of a deductible or self-insurance program by the company should not be permitted, the Authority may, upon 60 days written notice to the company, require the company to replace or modify the deductible or self-insurance in a manner satisfactory to the Authority.
4. Any deductible amount or SIR program will be included and clearly described on the certificate prior to any approval by the Authority. This is to include fully insured programs as to a zero deductible per the policy. Authority reserves the right to deny any certificate not in compliance with this requirement.

H. Company's Insurance Primary:

The company's required insurance will apply on a primary basis. Any insurance maintained by the Authority will be excess and will not contribute to the insurance provided by or on behalf of the company.

<p>Subject: CONTRACTUAL INSURANCE TERMS AND CONDITIONS</p>	

I. Applicable Law:

With respect to any contract entered into by the Authority with a value exceeding \$10,000,000, if any required policy is: (i) issued to a policyholder outside of Florida or (ii) contains a “choice of law” or similar provision stating that the law of any state other than Florida shall govern disputes concerning the policy, then such policy must be endorsed so that Florida law (including but not limited to Part II of Chapter 627 of the Florida Statutes) will govern any and all disputes concerning the policy in connection with claims arising out of work performed pursuant to the contract.

J. Waiver of Subrogation:

The company, for itself and on behalf of its insurers, to the fullest extent permitted by law without voiding the insurance required by the contract, waives all rights against the Authority, members of the Authority’s governing body and the Authority’s officers, volunteers and employees, for damages or loss to the extent covered and paid for by any insurance maintained by the company.

K. Company’s Failure to Comply with Insurance Requirements:

1. Authority's Right to Procure Replacement Insurance

If, after the inception of the contract, the company fails to fully comply with the insurance requirements of the contract, in addition to and not in lieu of any other remedy available to the Authority provided by the contract, the Authority may, at its sole discretion, procure and maintain on behalf of the company, insurance which provides, in whole or in part, the required insurance coverage.

2. Replacement Coverage at Sole Expense of Company

The entire cost of any insurance procured by the Authority will be paid by the company. At the option of the Authority, the company will either directly pay the entire cost of the insurance or immediately reimburse the Authority for any costs incurred by the Authority including premium and a 15% administration cost.

Subject: CONTRACTUAL INSURANCE
TERMS AND CONDITIONS

a. Company to Remain Fully Liable

Except to the extent any insurance procured by the Authority actually provides the insurance coverage required by the contract, the company will remain fully liable for full compliance with the insurance requirements in the contract.

b. Authority's Right to Terminate, Modify, or Not Procure

Any insurance procured by the Authority is solely for the Authority's benefit and is not intended to replace or supplement any insurance coverage which otherwise would have been maintained by the company. Authority is not obligated to procure any insurance pursuant to these requirements and retains the right, at its sole discretion, to terminate any such insurance which might be procured by the Authority.
