ARTICLE 4 USES AND RESTRICTIONS

4.01 Permitted Uses

The Premises shall be used by Company solely and exclusively for the catering of food and food products to airlines at the Airport, and for the catering of food and food products to entities off of the Airport, including the parking of vehicles owned or operated by Company, its officers, employees, contractors, furnishers of business services and business guests, logistical operations, and other activities that are directly related to Company's kitchen operation and are authorized under this Agreement.

No vehicle maintenance, repair or refueling of Company's vehicles are permitted on Premises or Common Use Areas without prior written approval of Authority. Employee and other parking shall be conducted on areas designated as Preferential Use Premises only. Company will pay to Authority, within fifteen (15) days from date of the invoice, the costs incurred for such removal plus ten percent (10%). Non-payment of such invoice will be deemed a default of this Agreement for which Company shall be entitled to notice and cure periods, pursuant to the Default and Termination Article of this Agreement.

Common Use Areas are restricted to egress and ingress and the loading and unloading of vehicles. There shall be no storage or parking of vehicles in designated Common Use Areas.

4.03 Exclusions and Reservations

- A. Nothing in this Article will be construed as authorizing Company to conduct any business on the Premises and Airport separate and apart from the conduct of its permitted uses as authorized in this Agreement.

- B. Company will not use the Premises for any purpose that would be unlawful or constitute a nuisance or interference in any way with the use and occupancy of other buildings and structures in the vicinity or neighborhood of the Premises.
- C. Company is expressly prohibited from subletting, co-opting, or any other arrangement that would result in the lease or use of the Premises by an entity or individual other than Company.
- D. Company will not interfere or permit interference with the use, operation, or maintenance of Airport, including but not limited to, the effectiveness or accessibility of the drainage, sewerage, water, communications, fire-protection, utility, electric, or other systems installed or located at the Airport; and Company will not engage in any activity prohibited by Authority's existing or future noise abatement procedures nor its Rules and Regulations and Operating Directives.
- E. The rights and privileges granted Company pursuant to this Article will be subject to Authority Rules and Regulations, as may be amended from time to time.
- F. Company will not do or permit to be done anything, either by act or failure to act, that will cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance of Authority, or that will cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Agreement. If such act or failure to act on the part of Company will cause cancellation of any such policy, Company will immediately, upon notification by Authority, take whatever steps or actions deemed necessary to cause reinstatement of said insurance. Furthermore, if Company does or permits to be done any act not expressly permitted under this Agreement, or fails to do any act required under this Agreement, regardless of whether such act constitutes a breach of this Agreement that causes an increase in Authority's insurance premiums, Company will immediately remedy such actions and pay the increase in premiums, upon notice from Authority to do so; but in any event, Company will hold Authority harmless for any expenses and damage resulting from any action as set forth in this paragraph.
- G. Except as provided elsewhere in this Agreement, nothing in this Agreement will be construed as establishing exclusive rights, operational or otherwise, to Company.
- H. Company may operate a food preparation and catering facility, but Company will not install, maintain or operate a public food service facility of any kind on the Premises directly or by a licensee, except that Company will have the right to provide food preparation and service to its employees, without compensation, and to install vending machines for the purpose of dispensing candy, confections, beverages, and light refreshments to its employees, provided that such devices will only be permitted in operational areas of Preferential Use Premises that are not available to the general public.
- I. Authority reserves the right to occupy or lease vacant areas of the building that are not a part of the Premises, as well as the right for reasonable access thereto.
- J. Other than those areas used for the purpose of egress and ingress, all operations will be conducted on the Premises.

ARTICLE 5
TERM

5.01 Effective Date

This Agreement is effective upon execution by Company and approval and execution by Authority.

5.02 Term

The term of this Agreement commences October 1, 2020 and terminates September 30, 2025 unless terminated earlier as provided herein.

5.03 Commencement of MAPF, Percentage Privilege Fee, Fees and Other Charges

The MAPF, Percentage Privilege Fee, fees and other charges due hereunder commence on October 1, 2020 and continue throughout the term of this Agreement and the Renewal Term, unless this Agreement is terminated as provided herein.

5.04 Renewal Option

If Company is not in default of any terms of this Agreement or in the payment of any MAPF, Percentage Privilege Fee, fees or other charges or obligations to Authority, this Agreement may be renewed at the terms and conditions stated hereunder for one (1) five-year period upon written request by Company at least one hundred and twenty (120) days prior to Agreement's expiration and written approval by Authority's Chief Executive Officer or designee. Such renewal will be effective by letter without formal amendment to this Agreement. If such Renewal Option is requested by Company and approved by Authority, this Agreement will have a final termination date of September 30, 2030.

5.05 Termination

This Agreement may be terminated by Authority, with or without cause, upon one hundred and eighty (180) days' written notice to Company. If Company is not in default of any terms of this Agreement or in the payment of the MAPF, Percentage Privilege Fee, fees or other charges to Authority, this Agreement may be terminated by Company, with or without cause, upon one hundred and eighty (180) days' written notice to Authority. In the event any such notice of termination is given, the termination of this Agreement will be effective one hundred and eighty (180) calendar days from the date of the notice or such date set forth in the notice of termination.

ARTICLE 6
PAYMENTS

For the rights and privileges granted herein, Company agrees to pay to Authority, in lawful money of the United States of America, the following:

6.01 Minimum Annual Privilege Fee

The total annual MAPF will be \$275,502.60, payable in monthly installments of \$22,958.55 plus applicable taxes, on or before the first day of each and every calendar month, in advance and without demand, commencing on October 1, 2020. The MAPF represents the current fair market annual rental rate as determined by appraisal for the Premises and is calculated as follows:

- A. 32,178 square feet of building space at \$5.00 per square foot per year = \$160,890.00; and
- B. 156,822 square feet of land at \$.70 per square foot per year = \$109,775.40; and
- C. 48,372 square feet of pavement at \$.10 per square foot per year = \$4,837.20.

For any period of less than one (1) calendar month that this Agreement is in effect, the MAPF will be calculated on a pro rata basis.

6.02 Operation and Maintenance Expenses

In addition to payment of the MAPF, Percentage Privilege Fee, fees and other charges, and in accordance with the provisions of Article 9, Maintenance and Repair, Company agrees to pay all operation and maintenance expenses applicable to the Premises and all expenses of every kind and character including the repair and ordinary restoration thereof associated with the upkeep of the Premises.

Authority and Company agree that the Premises are leased on a triple net basis and that Company is solely responsible for all obligations normally imposed on the owner of real estate with respect to the Premises, including, but not limited to, utilities, janitorial services, property taxes, insurance, all building and structural maintenance and repairs, and any other expenses that arise from the use, operation and management of Company's business.

6.03 Adjustment of MAPF Rates to Fair Market Annual Rental Rate

If the Renewal Option is exercised, Authority will adjust all MAPF rates outlined in Article 6.01 to fair market annual rental rate at the end of the initial term; provided, however, that the MAPF will not be reduced below the annual MAPF paid during the preceding year. The Authority shall determine the fair market annual rental rate and the adjustment of the MAPF will be determined by Authority based on the prevailing rate for similarly located premises of comparable use.

Thereafter, the Authority will increase the MAPF rates outlined in Article 6.01(B) and (C) above annually by 2.15% beginning October 1, 2026 and continuing on October 1 of each year thereafter throughout the Renewal Term, if exercised.

6.04 Percentage Privilege Fee

In addition to the rents due hereunder, throughout the initial term and any Renewal Term hereto, Company hereby agrees to pay a Percentage Privilege Fee that will be the excess difference in dollars and cents during each calendar month between the MAPF and five percent (5%) of the Gross Receipts derived by Company from the operation of its catering business to airlines at the Airport plus two percent (2%) of the Gross Receipts derived by Company from the provision of goods and services to entities off-Airport. In the event the Percentage Privilege Fee does not exceed one-twelfth (1/12th) of the MAPF during any month in the term hereof, then no Percentage Privilege Fee will be due and payable for that month.

6.05 Percentage Privilege Fee Adjustment

Authority reserves the right to adjust the Percentage Privilege Fee to an amount greater than the five percent (5%) of the Gross Receipts derived by Company from the operation of its catering business to airlines at the Airport, as stated in this Agreement, to an amount not to exceed eight percent (8%). Authority will provide a 90-day advance written notice to Company of any such adjustment.

6.06 Employee Parking Fees

Employee parking permits are required for the Authority's Employee Parking Lot and may be required for Company's leased or common use operational areas. Information regarding employee parking permits is available from Authority's Parking Permit Office at (813) 870-8792. Authority reserves the right to charge Company or its employees a reasonable and non-discriminatory parking fee based on Authority's cost of providing services and facilities for the employee parking areas provided at the Airport. If Company is invoiced by Authority for parking fees, payment is due to Authority within fifteen (15) days from the date of the invoice, or parking privileges may be terminated.

6.07 Interest on Delinquent Payments

Without waiving any other right or action available to Authority in the event of default of Company's payment of rents, fees or other charges hereunder, and in the event Company is delinquent in such payments to Authority for a period of five (5) business days after the payment is due, Authority reserves the right to charge Company interest thereon, from the date such rents, fees or other charges became due to the date of payment, at the Federal Funds Rate plus seven percent (7%) in effect on the date the rents, fees or other charges became due (FFR +7%) or twelve percent (12%) per annum, whichever is greater, to the maximum extent permitted by law.

6.08 Rents, Fees and Other Charges a Separate Covenant

Company will not for any reason withhold or reduce its required payments of rents, fees and other charges, including, but not limited to, MAPF or Percentage Privilege Fee, provided in this Agreement, it being expressly understood and agreed by the Parties that the payment of rents, fees and other charges is a covenant by Company that is independent of the other covenants of the Parties hereunder.

ARTICLE 7
REPORTS AND AUDITS

7.01 Monthly Statements

Within ten (10) days after the close of each calendar month of the term of this Agreement, Company will submit to Authority, by electronic portal or other method satisfactory to Authority, a detailed statement signed by a responsible officer of Company of its Gross Receipts for the preceding month upon which the fees payable to Authority set forth in this Agreement are computed.

7.02 Books and Records

Company will keep full and accurate books and records showing all of its Gross Receipts. Company agrees that records and instruments will be available to Authority for at least three (3) years after each annual period. If Company utilizes a computerized accounting system, Company will provide downloaded information from the system to Authority for the purpose of verifying Gross Receipts. Authority may verify reliability of data provided by Company by requesting data download parameters or by requesting to witness the download. In the event Company does not maintain exclusive sequential numbering for invoices commencing at the Airport, Company agrees to provide copies of invoices from other sales locations included in the non-exclusive sequence to Authority or its auditors for the purposes of testing reporting completeness.

7.03 Annual Statement

No more than 90 days after December 31 of each year during the term of this Agreement, Company will have prepared by an independent certified public accountant, and delivered to Authority, a certified statement and an accounting that will reflect the Gross Receipts received by Company from the operation of its business at the Airport and off the Airport, on a monthly basis, during the preceding year. Such certified statement will separately identify those Gross Receipts derived from the operation of its catering business to airlines at the Airport and those Gross Receipts derived from the provision of goods and services to entities off the Airport. In the event Company's cumulative payments during the year exceed the greater of the cumulative Percentage Privilege Fee due Authority or the cumulative MAPF due, Authority will issue a credit memo indicating that said overpayment will be credited to the fees next thereafter due from Company. If Company has underpaid the greater of the MAPF due or the Percentage Privilege Fee due, Authority will invoice Company for the sums due. Said invoice will be due and payable within fifteen (15) days after the date of such invoice.

7.04 Authority's Right to Perform Audits, Inspections, or Attestation Engagements

- A. Notwithstanding Company's requirement to submit an annual statement, Authority or its representative may at any time during the term of the Agreement or within three (3) years after the end of the Agreement, initiate and perform audits, inspections, or attestation engagements over all or selected operations performed by Company under this Agreement. During Company's business hours, free and unrestricted access will be granted to all of Company's books and records, including the State of Florida sales tax return records and records of a parent, affiliate, and/or subsidiary companies and any subconsultants or subcontractors directly pertinent to this Agreement. If the records are kept at locations other than within a 30 mile radius of the Airport, Company will arrange for said records to be brought to a location convenient to Authority's auditors to conduct the engagement as set forth in this Article. Or, Company may transport Authority's team to Company's location of records for the purpose of undertaking said engagement. In such event, Company will pay reasonable costs of transportation, food and lodging for Authority's team. In the event Company maintains the requested records in electronic format, upon request by Authority's auditors, Company will provide a download or extract of data files in a computer readable format acceptable to Authority at no additional cost. Authority has the right during the engagement to interview Company's employees, subconsultants, and subcontractors and to make photocopies of records as needed. Authority and its auditors shall maintain the confidentiality of all such records; however, Authority and its auditors will comply at all times with applicable Florida and Federal public records laws.
- B. Company agrees to deliver or to provide access to all records requested by Authority's auditors within fourteen (14) calendar days of the request at the initiation of the engagement and to deliver or to provide access to all other records requested during the engagement within seven (7) calendar days of each request. The Authority will limit the number of items requested to 10 items per request, per calendar day, with the exception of the initial request which is a more all-encompassing request list that generally exceeds 10 items. The Parties recognize that Authority will incur additional costs if records requested by Authority's auditors are not provided in a timely manner and that the amount

of those costs is difficult to determine with certainty. Consequently, the Parties agree that Company may be charged liquidated damages of \$100.00, in addition to all other contractual financial requirements, for each item in a records request, per calendar day, for each time Company is late in submitting requested records to perform the engagement. Accrual of the fee will continue until specific performance is accomplished.

- C. If, as a result of any engagement, it is determined that Company owes additional fees or other charges to Authority, Company will pay such amounts, and Authority may assess interest up to twelve percent (12%) on the amount due from the date the amount was initially due. If it is determined that Company has underreported Gross Receipts or underpaid fees related to Gross Receipts by three percent (3%) or more for the period under review, Company will also pay for the entire cost of the engagement, provided Company shall not be charged based on the amount of the recovery. If as a result of any engagement, it is established that Company has correctly reported or over reported fees or other charges or has paid fees or other charges greater than the sum due, Authority shall refund Company and the entire expense of the engagement shall be paid by Authority.
- D. The Company agrees to comply with Section 20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

ARTICLE 8 OBLIGATIONS OF COMPANY

8.01 Business Operations

Company will provide all necessary equipment, personnel and other appurtenances necessary to conduct its operations. Company will conduct its business operations hereunder in a lawful, orderly and proper manner, so as not to unreasonably annoy, disturb, endanger or be offensive to others at or near the Premises or elsewhere on the Airport.

8.02 Conduct of Employees and Invitees

Company will, within reason, control the conduct, demeanor and appearance of its employees, invitees, and of those doing business with Company and, upon objection from Authority concerning the conduct, demeanor or appearance of any such persons, will immediately take all reasonable steps necessary to remove the cause of objection.

8.03 Equipment and Vehicle Parking

Company will ensure that all equipment, including but not limited to, vehicles owned or operated by Company, its vendors and/or contractors, will not be parked in a manner that interferes in any way with any operations at the Airport. Company's equipment and vehicles and those of its vendors and/or contractors will be parked in designated parking areas as provided by Authority. ASSIGNMENT AND SUBLEASING

31.01 Company will not have the right to transfer, sell, assign, sublet or license this Agreement or otherwise transfer any or all of the Premises, Common Use Areas, or Company's rights under this Agreement without the prior written consent of Authority. Such consent may be withheld at the sole discretion of Authority. If a transfer, sublease, assignment or delegation is approved, Company will be solely responsible for ensuring that its transferee, sublessee, assignee or delegate performs pursuant to and in compliance with the terms of this Agreement.

Any transfer of fifty percent (50%) or more of Company's stock shall be deemed an assignment, and Company shall immediately notify the Authority of any such transfer.

The Authority's granting of approval to the transfer, sublease, assignment or delegation shall be conditioned on the proposed assignee providing to the Authority: (i) evidence that assignee has prior business experience in the operation of the business facilities built upon and operated by the Company; and (ii) a financial statement that establishes assignee's capability to pay all MAPFs, Percentage Privilege Fees, fees and other charges due under the Agreement.

Any transfer, sublease, assignment, delegation, license or the like will be subject to all of the terms and conditions contained in this Agreement and all transfers, assignments, subleases, or delegations shall incorporate all provisions contained in this Agreement.

In no event will any approved transfer, sublease, assignment, delegation, or license diminish Authority's rights to enforce any and all provisions of this Agreement.

31.02 Prior Notice of Transfer, Sublease, Assignment, or Delegation

Any attempted transfer, sublease, assignment, delegation, or license of this Agreement, except as provided in Section 31.01 above, without the prior written approval of Authority shall be void and of no effect, except Company and all purported transferees, subleases, assignees, delegates, and licensees shall be obligated and liable to Authority with respect to each and every provision of this Agreement as fully as if such attempted transfer, sublease, assignment, delegation, or license had been valid.

31.03 Subsequent Assignment/Sublease

Any transfer, sublease, assignment, delegation, or license of this Agreement approved by Authority will not be construed to authorize or permit any additional or subsequent transfer, sublease, assignment, delegation, or license of this Agreement.

31.04 Company's Liability

Unless specifically released by Authority, in the event of an transfer, sublease, assignment, delegation, or license, Company will remain obligated and liable to Authority for the performance of all covenants, terms, conditions, warranties and other provisions of this Agreement to the same extent that it would have been obligated and liable if no transfer, sublease, assignment, delegation, or license had been made.

ARTICLE 32
COMPANY TENANCY

The undersigned representative of Company hereby warrants and certifies to Authority that Company is an organization in good standing in its state of registration, that it is authorized to do business in the State of Florida, and that the undersigned officer is authorized and empowered to bind the Company to the terms of this Agreement by his or her signature thereto.

ARTICLE 33
CONDEMNATION

If the whole or any part of the Premises is acquired by a condemning authority, either by sale in lieu of condemnation or by the exercise of the power of eminent domain, then in and as a direct result of that event, this Agreement will terminate from the date of sale or title vesting, and Company will have no claim whatsoever, including claims of apportionment, against Authority either for the value of any unexpired term of said Agreement or for the value of leasehold improvements. However, nothing in this provision will limit or destroy any right of Company to separately claim moving costs or business loss solely against the condemning authority where statutes or other applicable law apply.

ARTICLE 34
SURRENDER OF PREMISES

Company will surrender up and deliver the Premises to Authority upon the conclusion of the term in the same condition as existed at the commencement of the term, ordinary wear and tear excepted. Provided Company is not in default of this Agreement, Company will immediately remove all of its personal property from the Premises on the date of termination. Failure on the part of Company to remove its personal property within ten (10) days after the date of termination will constitute a gratuitous transfer of title thereof to Authority for whatever disposition is deemed to be in the best interest of Authority. Any costs incurred by Authority in the disposition of such personal property will be borne by Company. If Company is in default of any MAPF, Percentage Privilege Fee, fees or other charges or terms of this Agreement, Authority will have a lien for such MAPF, Percentage Privilege Fee, fees or other charges upon any personal property found upon the Premises in accordance with Florida Statutes and, in such event, Company will not remove any personal property from the Premises without written approval of Authority.

ARTICLE 35
PERSONAL PROPERTY

Any personal property of Company placed on the Premises will be at the sole risk of Company, and Authority will not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage. Company hereby waives all rights of subrogation against or recovery from Authority for any such loss or damage.

ARTICLE 36
APPLICABLE LAW AND VENUE

This Agreement will be construed in accordance with the laws of the State of Florida. Venue for any action brought pursuant to this Agreement will be in Hillsborough County, Florida, or in the Tampa Division of the U.S. District Court for the Middle District of Florida.

Company hereby waives any claim against Authority and its officers, Board members, agents, or employees for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part hereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, or voidable, or delaying the same, or any part hereof, from being carried out.

ARTICLE 37
AUTHORITY APPROVALS

Except as otherwise indicated elsewhere in this Agreement, wherever in this Agreement approvals are required to be given or received by Authority, it is understood that the Chief Executive Officer, or a designee of the Chief Executive Officer, is hereby empowered to act on behalf of Authority.

ARTICLE 38
INVALIDITY OF CLAUSES

The invalidity of any part, portion, article, paragraph, provision, or clause of this Agreement will not have the effect of invalidating any other part, portion, article, paragraph, provision, or clause thereof, and the remainder of this Agreement will be valid and enforced to the fullest extent permitted by law.

FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of the Airport or the portion thereof wherein the Premises are located, for war or national emergency, for a period in excess of ninety (90) consecutive days, then this Agreement will terminate and Authority will be released and fully discharged from any and all liability hereunder. In the event of this termination, Company's obligation to pay the MAPF, Percentage Privilege Fees, fees and other charges will cease; however, nothing herein will be construed as relieving either party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.
