THIS CODIFIED AND RESTATED TRUST AGREEMENT, dated for convenience of reference as of the 1st day of October, 1968 (but becoming effective as of August 22, 2024), by and between the HILLSBOROUGH COUNTY AVIATION AUTHORITY (hereinafter sometimes referred to as “Authority”), and THE BANK OF NEW YORK MELLON, a New York banking corporation having an office in the City and State of New York (as successor to JPMorgan Chase Bank, N.A.), which is authorized under such laws to exercise corporate trust powers, as Trustee under the Trust Agreement hereinafter referred to (together with its successor or successors and any other corporation which may hereafter be substituted in its place as Trustee under the Trust Agreement, the “Trustee”),

WITNESSETH

WHEREAS, the Authority was created as a public body corporate by Chapter 23339, Laws of Florida, Acts of 1945, as codified, amended and supplemented by Chapter 2022-252, Laws of Florida (2022), and as further amended by acts amendatory thereof and supplemental thereto (collectively, the “Act”), for the purpose of operating airports and aviation facilities including Tampa International Airport, Peter O. Knight Airport, Plant City Airport and Tampa Executive Airport and any additions, extensions and improvements thereto hereafter constructed or acquired (collectively, the “Airport System”); and

WHEREAS, the principal of and interest on said Bonds and all of the other payments provided for herein will be payable solely from the revenues derived from said Airport System and other moneys pledged therefor and the payment thereof shall not constitute an indebtedness of the Authority, the County of Hillsborough, the City of Tampa or any other political subdivision in said County within the meaning of any constitutional or statutory debt limitation or provision nor a lien upon any property of the Authority, said County or City or other political subdivision in said County and no Holder of Bonds issued hereunder shall ever have the right to require or compel the exercise of the ad valorem taxing power of the Authority, said County or City or other political subdivision in said County for the payment thereof; and

WHEREAS, the Authority represents that it has full power and authority to issue the Bonds and to pledge the revenues derived from said Airport System and other moneys pledged therefor pursuant to said Act, and the Authority has taken all actions necessary to authorize its proper officers to acknowledge, execute, sign, seal, and deliver this Trust Agreement and to execute, sign and deliver the Bonds initially issued hereunder; and

WHEREAS, the Bonds to be initially issued and secured hereby, the Trustee’s authentication certificate, the validation certificate and the provisions for registration to be endorsed on all of the Bonds issued hereunder are to be substantially in the form set forth in Appendix “A” hereto, with appropriate omissions and insertions or variations permitted or authorized as hereinafter provided;

NOW, THEREFORE, this Trust Agreement witnesseth, that in consideration of the premises, of the acceptance by the Trustee of the trusts hereby created, and of the purchase and acceptance of the Bonds by the Holders thereof, and also for and in consideration of the sum of One Dollar (\$1.00) to the Authority in hand paid by the Trustee at or before the execution and

delivery of this Trust Agreement, the receipt of which is hereby acknowledged, and for the purpose of fixing and declaring the terms and conditions upon which the Bonds are to be issued, authenticated, delivered, secured and accepted by all persons who shall from time to time be or become Holders thereof, and in order to secure its obligations under Qualified Hedge Agreements, its reimbursement obligations to the Credit Providers and Liquidity Providers and the payment of all the Bonds at any time issued and Outstanding hereunder and the interest thereon according to their tenor, purport and effect, and in order to secure the performance and observance of all the covenants, agreements and conditions therein and herein contained, the Authority has pledged and does hereby pledge to the Trustee the revenues derived from the Airport System of the Authority and other moneys pledged therefor, to the extent provided in this Trust Agreement, as security for the payment of the Bonds and the interest thereon and as security for its obligations under Qualified Hedge Agreements, its reimbursement obligations to the Credit Providers and Liquidity Providers, and the satisfaction of any other obligation assumed by it in connection with such Bonds or other obligations, and it is mutually agreed and covenanted by and between the parties hereto, for the equal and proportionate benefit and security of all and singular the present and future Holders of the Bonds issued and to be issued under this Trust Agreement, without preference, priority or distinction as to lien or otherwise, except as otherwise hereinafter provided, of any one Bond over any other Bond by reason of priority in the issue, sale or negotiation thereof, or otherwise, and as security for the obligations of the Authority under the Qualified Hedge Agreements and with respect to reimbursement obligations to Credit Providers and Liquidity Providers, as and to the extent herein contemplated, as follows:

ARTICLE I. DEFINITIONS

Section 1.01 Definitions. In addition to words and terms elsewhere defined herein, the following words and terms as used in this Trust Agreement shall have the following meanings unless some other meaning is plainly intended:

“Additional Bonds” shall mean Bonds of the Authority authenticated and delivered under and pursuant to the provisions of Sections 2.09 and 2.10 hereof.

“Airport Consultant” shall mean, as the context may require as determined by the Authority, (a) the airport consultant or firm of airport consultants retained by the Authority to perform and carry out the duties imposed on said Airport Consultant by this Trust Agreement

- (2) The amount required to pay the principal of Serial Bonds in that Bond Year, and the principal of Term Bonds maturing in that Bond Year that are not included in the Sinking Fund Installments for such Term Bonds;
- (3) The Sinking Fund Installments for all series of Term Bonds for that Bond Year; and
- (4) The premium, if any, payable on all Bonds required to be redeemed in that Bond Year in satisfaction of the Sinking Fund Installment.

If Variable Rate Bonds or lines of credit are then Outstanding, the interest rate on such Bonds or lines of credit for purpose of determining the Bond Service Requirement shall be calculated pursuant to the provisions included in the definition of Debt Service Requirement herein.

For purposes of calculating the Bond Service Requirement with respect to Designated Maturity Bonds, the unamortized principal coming due on any date that exceeds twenty-five percent (25%) of the original principal amount of such Designated Maturity Bonds and which the Authority reasonably anticipates it will refinance on maturity, as reflected in the Annual Budget and/or a certificate of the Chief Financial Officer, shall not be included, and in lieu thereof there shall be included in the Bond Service Requirement for the Bond Year in which such amount becomes due and in each subsequent Bond Year during a period not to exceed thirty (30) years from the original issue date of such Designated Maturity Bonds, only the principal amount thereof the Authority certifies that it reasonably anticipates to become due in each such Bond Year, taking into account any such anticipated refinancing of such Designated Maturity Bonds.

“Bond Year” means the annual period beginning on the first day of October of each year and ending on the last day of September of the following year; provided that when such term is used to describe the period during which deposits are to be made to amortize the principal and interest on the Bonds maturing or becoming subject to mandatory redemption, the principal and interest maturing or becoming subject to redemption on October 1 of any year shall be deemed to mature or become subject to redemption on the last day of the preceding Bond Year.

“Bonds” shall mean, except where the context refers to particular Bonds, all Bonds issued and Outstanding hereunder and any Additional Bonds authenticated and delivered pursuant to Sections 2.09 and 2.10 hereof but shall not include any Special Purpose Bonds issued pursuant to Article XIII hereof.

“Business Day” means, except as otherwise provided in a Supplemental Trust Agreement with respect to a Series of Bonds issued hereunder, any day except Saturday, Sunday or any day on which banking institutions located in the states of New York or Florida are required or authorized to close or on which the New York Stock Exchange is closed.

“Chairman” means the Chairman, Vice Chairman or any other officer designated by the Authority to execute documents in accordance with the provisions hereof.

“Code” means the Internal Revenue Code of 1986, as amended, or any applicable corresponding provision of any future laws of the United States of America relating to federal income taxation, and except as otherwise provided herein or required by the context hereof, includes interpretations thereof contained or set forth in the applicable regulations of the Department of Treasury (including applicable final regulations and temporary regulations), the applicable rulings of the Internal Revenue Service (including published Revenue Rulings and private letter rulings) and applicable court decisions.

“Credit Facility” shall mean, with respect to the Bonds of a Series or a maturity within a Series, an insurance policy, letter of credit, surety bond or any other similar obligation acquired or secured by the Authority, under which the Credit Provider is unconditionally obligated to pay when due, the principal of and interest on such Bonds as the same become due, directly or after the Authority has defaulted in the payment thereof. The term “Credit Facility” shall not include any secondary market facilities to which the Authority shall not have expressly consented.

“Credit Provider” shall mean person or entity that is designated in a Supplemental Trust Agreement as a Credit Provider with respect to a Series of Bonds or portion thereof issued hereunder, and that provides a Credit Facility to secure such Bonds.

“Debt Service Requirement” for any period shall mean, as of any date of calculation and with respect to any Series, an unpaid amount equal to the sum of (i) interest accruing during such period on Bonds of such Series, except to the extent that such interest is to be paid from deposits into the Interest Account in the Sinking Fund made from the proceeds of Bonds (including amounts, if any, transferred thereto from the Construction Fund) and (ii) that portion of each Principal Installment for such Series coming due on the next respective Principal Installment due date within each applicable Fiscal Year (including for this purpose the first day of the following Fiscal Year and excluding the first day of the current Fiscal Year) that would accrue during such period if such Principal Installment were deemed to accrue daily in equal amounts from the next preceding Principal Installment due date to the next succeeding Principal Installment due date. If there shall be no such preceding Principal Installment due date, then principal shall be deemed to

accrue daily from a date one year preceding the next succeeding due date of such Principal Installment, or from the date of issuance of the Bonds of such Series, whichever date is later.

The calculation of the Debt Service Requirement hereunder shall be subject to the following rules:

(1) Interest and Principal Installments for such Series shall be calculated on the assumption that no Bonds of such Series Outstanding at the date of calculation will cease to be Outstanding except by reason of the payment of each Principal Installment on the due date thereof.

(2) Tender option features of any Option Bond shall be ignored for purposes of this calculation.

(3) If the calculation of the Reserve Requirement for any separate account in the Reserve Fund created for a specific Series of Bonds takes into account the Debt Service Requirement, then, for purposes of such calculation, the Debt Service Requirement shall be calculated only with respect to the Bonds of the Series secured thereby.

(4) With respect to Bonds which are Variable Rate Bonds:

(A) the interest rate on such Bonds for any period prior to the date of calculation shall be the actual interest borne by such Bonds from the last Interest Payment Date through the date of calculation; and

(B) for any forward looking period after the date of calculation, (1) if the interest on such Variable Rate Bonds was intended at the time of issuance to be excluded from the gross income of the holders thereof for federal tax purposes, the interest rate on such Bonds shall be assumed to be the average of the SIFMA Municipal Swap Index for the twelve full months preceding the date of calculation, plus 0.25% per annum, or (2) if the interest on such Variable Rate Bonds is expected at the time of issuance to be included in the gross income of the holders thereof for federal tax purposes, the interest rate on such Bonds shall be assumed to be the Term SOFR Rate on the date of calculation, plus 0.25% per annum.

(5) If the Authority has entered into a Qualified Hedge Agreement with respect to Derivative Bonds, the interest on such Bonds (but only during the related Derivative Period) shall be calculated by adding (x) the amount of interest payable by the Authority on such Derivative Bonds pursuant to its terms (applying, as appropriate, the assumptions for Variable Rate Bonds set forth above) and (y) the Qualified Hedge Payments payable by the Authority under the related Qualified Hedge Agreement(s), based on a notional amount equal to the principal amount of the Derivative Bonds and the interest rate assumptions stated therein (applying, as appropriate, the assumptions for Variable Rate Bonds set forth above to any variable rate payable by the Authority under such Qualified Hedge Agreement(s), whether or not such variable rate is the SIFMA Municipal Swap Index or the Term SOFR Rate), and subtracting (z) the Qualified Hedge Receipts payable by the counterparty(ies) under the related Qualified Hedge Agreement(s), using the same notional amount and the interest rate assumptions stated therein (applying, as appropriate, the assumptions for Variable Rate Bonds set forth above to any variable rate to be made by such counterparty(ies) under the related Qualified Hedge

Agreement(s), whether or not such variable rate is the SIFMA Municipal Swap Index or the Term SOFR Rate); provided, however, that (A) Derivative Non-Scheduled Payments and Derivative Non-Scheduled Receipts due or that may become due under any Qualified Hedge Agreement(s) shall not be taken into account and (B) from and after the expiration or termination of a Qualified Hedge Agreement relating to Derivative Bonds, the amount of interest payable on such Derivative Bonds shall be the interest calculated pursuant to the terms of such Derivative Bonds as if such Qualified Hedge Agreement had not been executed.

(6) Payments arising from mandatory redemption (other than from Sinking Fund Installments) shall be ignored.

(7) For purposes of calculating the Debt Service Requirement with respect to Designated Maturity Bonds, the unamortized principal coming due on any date that exceeds twenty-five percent (25%) of the original principal amount of such Designated Maturity Bonds and which the Authority reasonably anticipates it will refinance on or before the maturity thereof, as reflected in the Annual Budget and/or a certificate of the Chief Financial Officer, shall not be included, and in lieu thereof there shall be included in the Bond Service Requirement for the Bond Year in which such amount becomes due and in each subsequent Bond Year during a period not to exceed thirty (30) years from the original issue date of such Designated Maturity Bonds, only the principal amount thereof the Authority certifies that it reasonably anticipates to become due in each such Bond Year, taking into account any such anticipated refinancing of such Designated Maturity Bonds.

(8) Lines of credit (whether or not revolving), issued as Additional Bonds under the provisions of this Trust Agreement may be deemed to be fully drawn on the date of issuance and amortized in accordance with such agreements or if no amortization schedule is provided under any such agreement or if a line of credit would qualify as Designated Maturity Bonds, then it shall be amortized in accordance with the assumptions set forth in subsection (7) above. If a line of credit is deemed to be fully drawn on the date of issuance and satisfies the requirements for the issuance of such Bonds hereunder, amounts thereunder may be advanced thereunder without any further limitations herein for the incurrence of additional Bonds; provided, however, a line of credit may at the discretion of the Authority be deemed issued only to the extent of each advance and such advance shall be subject to the satisfaction of the conditions herein for the incurrence of additional Bonds. The assumptions of whether fully drawn or partially drawn for advances under a line of credit may be modified upon satisfaction of the applicable conditions precedent for the incurrence of additional Bonds and evidenced by a certificate of the Authority evidencing the change in such assumptions.

“Derivative Bond” means one or more Bonds of a Series for which the Authority shall have entered into a Qualified Hedge Agreement, as identified in a Supplemental Trust Agreement with respect to such Bonds or pursuant to a certificate of an Authorized Officer filed with the Trustee.

“Derivative Non-Scheduled Payments” means (without duplication) payments due from the Authority (other than Qualified Hedge Payments) under a Qualified Hedge Agreement, including without limitation (i) any termination payments (whether as a result of optional, elective, early or mandatory termination), (ii) any periodic payments not based on notional

amounts or indices to keep such Qualified Hedge Agreement in effect, and (iii) any payments in respect of fees, costs, indemnities, interest or expenses with respect to such Qualified Hedge Agreement.

“Derivative Non-Scheduled Receipts” means (without duplication) payments due to the Authority (other than Qualified Hedge Receipts) under a Qualified Hedge Agreement, including without limitation, (i) any termination payments (whether as a result of optional, elective, early or mandatory termination), (ii) any periodic payments not based on notional amounts or indices to keep a Qualified Hedge Agreement in effect, and (iii) any payments in respect of fees, costs, indemnities, interest or expenses with respect to such Qualified Hedge Agreement.

“Derivative Period” means the period during which a Qualified Hedge Agreement is in effect with respect to related Derivative Bonds.

“Designated Maturity Bonds” means all of the Bonds of a Series so designated by the Authority by a Supplemental Trust Agreement or certificate executed in connection with the issuance thereof, more than twenty-five percent (25%) of the original principal amount of which matures in a single Bond Year and for which no mandatory debt service redemption requirements have been established therefor.

“DTC” means The Depository Trust Company, New York, New York or any substitute securities depository appointed pursuant to Section 2.04.

“DTC Participant” means one of the entities which is a member of the Securities Depository and deposits securities, directly or indirectly, in the Book-Entry System.

“EMMA” means the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board (MSRB), or any other municipal market access site designated by the U. S. Securities and Exchange Commission as an official source for municipal securities data and disclosure documents.

“Fitch” means Fitch Ratings, its successors and their assigns, and, if such corporation shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency, “Fitch” shall be deemed to refer to any other nationally recognized securities rating agency designated by the Authority by notice to the Trustee.

“Fiscal Year” for the purposes of this Trust Agreement shall mean the period beginning with and including October 1 of each year and ending with and including the next September 30th.

“Gross Revenues” or “Revenues” shall mean Qualified Hedge Receipts and all rates, fees, rentals or other charges or income received by the Authority or accrued to the Authority from the operation of the Airport System, all as calculated in accordance with sound accounting practice, and other moneys pledged herein. Such term shall not, however, include gifts, grants, either federal, state or any other public body, ad valorem taxes or moneys paid to the Authority by the City of Tampa or County of Hillsborough, moneys derived by the Authority from Special Purpose Facilities, except ground rentals, or any other moneys not derived from the operation of said Airport System as defined herein. Pursuant to the Supplemental Trust Agreement dated July

1, 2003 and executed in connection with the issuance of the Series 2003 Bonds, “Gross Revenues” or “Revenues” shall include any Available PFC Revenues until Available PFC Revenues have been released from the pledge hereunder in accordance with Section 5.05 thereof. Except as otherwise provided in a Supplemental Trust Agreement, upon the initial issuance and delivery of the Bonds after January 1, 2006, such Additional Bonds (referred to in this section as “Book Entry Bonds”) shall be issued in the name of the Securities Depository or its nominee, as registered owner of the Bonds, and held in the custody of the Securities Depository.

(A) Except as provided in subsections B and C of this Section, the registered Holder of all Book Entry Bonds shall be, and the Book Entry Bonds shall be registered in the name of, Cede & Co., as nominee of DTC. Payment of interest for any Book Entry Bond, as applicable, shall be made in accordance with the provisions of this Trust Agreement to the account of Cede, on the Interest Payment Date for the Book Entry Bonds at the address indicated for Cede in the registration books of the Authority kept by the Trustee as bond registrar (the “Bond Registrar”).

(B) The Book Entry Bonds shall be initially issued in the form of a separate single fully registered Bond in the amount of each separate stated maturity of the Book Entry Bonds. Upon initial issuance, the ownership of each such Book Entry Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC. With respect to Book Entry Bonds so registered in the name of Cede, the Authority, the Bond Registrar and any Paying Agent shall have no responsibility or obligation to any DTC Participant or to any Beneficial Owner of any of such Book Entry Bonds. Without limiting the immediately preceding sentence, the Authority, the Bond Registrar and any Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any beneficial ownership interest in the Book Entry Bonds, (ii) the delivery to any DTC Participant, Beneficial Owner or other person, other than DTC, of any notice with respect to the Book Entry Bonds, including any notice of redemption, (iii) the payment to any DTC Participant, Beneficial Owner or other person, other than DTC, of any amount with respect to the principal or Redemption Price of, or interest on, any of the Book Entry Bonds, (iv) the selection by DTC and the DTC Participants of the beneficial interests in Book Entry Bonds of a maturity to be redeemed in the event such Book Entry Bonds are redeemed in part, or (v) any consent given or other action taken by DTC as the Holder of the Book Entry Bonds. The Authority, the Bond Registrar and any Paying Agent may treat DTC as, and deem DTC to be, the absolute Holder of each Book Entry Bond for all purposes whatsoever, including (but not limited to) (a) payment of the principal or Redemption Price of, and interest on, each such Book Entry Bond, (b) giving notices of redemption and other matters with respect to such Book Entry Bonds, (c) registering transfers with respect to such Book Entry Bonds, (d) selecting Book Entry Bonds, or portions thereof, to be redeemed, and (e) obtaining any consent or other action to be taken by Holders, and the Authority, the Bond Registrar and any Paying Agent shall not be affected by any notice to the contrary.

In the event of a redemption of all or a portion of a Book Entry Bond, DTC, in its discretion (i) may request the Trustee to authenticate and deliver a new Book Entry Bond, or (ii) if DTC is the sole Owner of such Book Entry Bond, shall make an appropriate notation on the Book Entry Bond indicating the date and amounts of the reduction in principal thereof resulting

from such redemption, except in the case of final payment, in which case such Book Entry Bond must be presented to the Trustee prior to payment.

The Paying Agent shall pay the principal or Redemption Price of, and interest on, all Book Entry Bonds only to or upon the order of DTC, and all such payment shall be valid and effective to satisfy fully and discharge the Authority's obligations with respect to such principal or Redemption Price and interest, to the extent of the sums so paid. Except as provided in Section 2.04(E), no person other than DTC shall receive a Book Entry Bond evidencing the obligation of the Authority to make payments of principal or Redemption Price of, and interest on, any such Book Entry Bond pursuant to this Trust Agreement. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions of this Trust Agreement, the word "Cede" in this Trust Agreement shall refer to such new nominee of DTC.

Except as provided in Section 2.04(E), and notwithstanding any other provisions of this Trust Agreement to the contrary, the Book Entry Bonds may be registered, in whole but not in part, only in the name of the DTC or a nominee of DTC or to any successor securities depository appointed pursuant to this Section 2.04 or any nominee thereof.

In order to qualify the Book Entry Bonds for DTC's book-entry system, the Authority may execute and deliver to DTC a letter of representations required by DTC. The execution and delivery of such letter of representations shall not in any way impose upon the Authority, the Trustee, the Bond Registrar or any Paying Agent any obligation whatsoever with respect to persons having interests in such Book Entry Bonds other than DTC as the Registered Owner. Such letter of representations may provide the time, form, content and manner of transmission, of notices to DTC.

(C) DTC may determine to discontinue providing its services with respect to the Book Entry Bonds at any time by giving written notice to the Authority, the Bond Registrar and the Paying Agent, which notice shall certify that DTC has discharged its responsibilities with respect to the Book Entry Bonds under applicable law.

(D) The Authority, in its sole discretion and without the consent of any other person, and upon compliance with any agreements between the Authority and DTC (including a letter of representations), may request termination of the services of DTC with respect to the Book Entry Bonds if the Authority determines that: (i) DTC is unable to discharge its responsibilities with respect to the Book Entry Bonds; or (ii) a continuation of the requirement that all of the Outstanding Book Entry Bonds be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, is not in the best interest of the Beneficial Owner of the Book Entry Bonds. Current DTC rules provide that upon receipt of such a request, DTC will take the following actions: (i) DTC will issue an "Important Notice" notifying its Participants of the receipt of a withdrawal request from the Authority reminding Participants that they may utilize DTC's withdrawal procedures if they wish to withdraw their securities from DTC; and (ii) DTC will process withdrawal requests submitted by Participants in the ordinary course of business, but will not effectuate withdrawals based upon a request from the Authority. The Authority shall, by written notice to the Bond Registrar, terminate the services of DTC with respect to the Book Entry Bonds upon receipt by the Authority, the Bond Registrar and the

Paying Agent of written notice from DTC to the effect that DTC has received written notice from DTC Participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the Outstanding Book Entry Bonds to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Book Entry Bonds; or (ii) a continuation of the requirement that all of the Outstanding Book Entry Bonds be registered in the registration books kept by Registrar, in the name of Cede, as nominee of DTC, is not in the best interests of the Beneficial Owner of the Book Entry Bonds.

(E) Upon the termination of the services of DTC with respect to the Book Entry Bonds pursuant to subsection (D), or upon the discontinuance or termination of the services of DTC with respect to the Book Entry Bonds pursuant to subsection (B) or subsection (C), the Authority may within 90 days thereafter appoint a substitute Securities Depository which, in the opinion of the Authority, is willing and able to undertake the functions of DTC hereunder upon reasonable and customary terms. If no such successor can be found within such period, the Book Entry Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar, in the name of Cede, as nominee of DTC. In such event the Authority shall execute and the Bond Registrar shall authenticate Book Entry Bond certificates as requested by DTC of like principal amount, maturity and Series, in authorized denominations and the Bond Registrar shall deliver such certificates at its corporate trust office to the Beneficial Owners identified in writing by the Securities Depository in replacement of such beneficial owners' beneficial interests in the Book Entry Bonds.

(F) Notwithstanding any other provision of this Trust Agreement to the contrary, so long as any Book Entry Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal or Redemption Price of, and interest on, such Book Entry Bond and all notices with respect to such Book Entry Bond shall be made and given, respectively, to DTC as the registered Holder of such Bonds.

(G) In connection with any notice or other communication to be provided to Holders of Book Entry Bonds registered in the name of Cede pursuant to this Trust Agreement by the Authority or the Bond Registrar with respect to any consent or other action to be taken by such Holders, the Authority shall establish a record date for such consent or other action by such Holders and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

NEITHER THE AUTHORITY NOR THE REGISTRAR WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, SINKING FUND INSTALLMENT FOR, REDEMPTION PRICE OF OR INTEREST ON THE BOOK ENTRY BONDS; (3) THE DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY

PARTIAL REDEMPTION OF THE BOOK ENTRY BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY CEDE & CO. AS THE NOMINEE OF DTC, AS REGISTERED OWNER.

SO LONG AS CEDE & CO IS THE REGISTERED OWNER OF THE BOOK ENTRY BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED HOLDERS OF THE BOOK ENTRY BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BOOK ENTRY BONDS.

Section 2.05 Registration and Transfer. The Authority shall cause books for the registration and for the transfer of Bonds as provided in this Trust Agreement to be kept by the Trustee as Bond Registrar. Any Bond may be transferred only upon the books kept for the registration and transfer of Bonds, upon surrender thereof to the Bond Registrar together with an assignment, duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Bond Registrar. Upon the transfer of any such registered Bond the Authority shall thereupon execute in the name of the transferee and the Trustee shall authenticate and deliver a new registered Bond or Bonds, of the same maturity and bearing interest at the same rate, of any denomination or denominations authorized by this Trust Agreement, in an aggregate principal amount equal to the principal amount of such registered Bond, or the unredeemed portion thereof, of the same maturity and bearing interest at the same rate.

In all cases in which Bonds shall be transferred hereunder, the Authority shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Trust Agreement. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee. Neither the Authority nor the Trustee shall be required to make any such exchange or transfer of Bonds during the ten (10) days next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, after such Bond or any portion thereof has been selected for redemption.

Section 2.06 Registered Owners. The person in whose name a Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond and the interest on any such registered Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon to the extent of the sum or sums so paid. The Authority, the Trustee, the Bond Registrar and the Paying Agents may deem and treat the registered owner of any Bond, as the absolute owner of such Bond for all purposes hereof, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever and neither the Authority, the Trustee, the Bond Registrar nor the Paying Agents shall be affected by any notice to the contrary.

Section 2.07 [Intentionally Deleted].

Section 2.08 [Intentionally Deleted].

Section 2.09 Additional Bonds. To the extent necessary to provide funds to pay the cost of constructing or acquiring additions, extensions and improvements to said Airport System (each being referred to herein as an “Airport System Project”), Additional Bonds may be issued under and secured by this Trust Agreement, at one time or from time to time, in addition to the Bonds issued under the provisions of Section 2.10 of this Article. Such Additional Bonds shall be dated, shall bear interest at a rate or rates not exceeding the legal rate, and shall mature in such years and amounts, all as shall be hereafter determined by resolution of the Authority and specified in the supplemental trust agreement entered into in connection with the issuance of such Additional Bonds.

Such Additional Bonds shall be executed substantially in the form and manner herein set forth, with such changes as may be necessary or appropriate to conform to the provisions of the resolution authorizing the issuance of such Additional Bonds, and deposited with the Trustee for authentication, but before such Additional Bonds shall be authenticated and delivered by the Trustee, there shall be filed with the Trustee the following:

(a) A certified copy of a resolution adopted by the Authority, certified by the Secretary of the Authority, authorizing the issuance of such Additional Bonds;

(b) A certified copy of a resolution adopted by the Authority, certified by the Secretary of the Authority, awarding such Additional Bonds, specifying the interest rate or rates of such Additional Bonds and directing the authentication and delivery of such Additional Bonds to or upon the order of the purchasers therein named upon payment of the purchase price therein set forth;

(c) [Intentionally Deleted.]

(d) [Intentionally Deleted.]

(e) [Intentionally Deleted.]

(f) Certificates, to be executed respectively by the Trustee and the Authority with respect to the funds and accounts held by each, stating that all payments into the Sinking Fund, the Reserve Fund and the Operation and Maintenance Fund have been made in full, as required by this Trust Agreement to the date of delivery of such Additional Bonds, that such accounts are current, and that there are no deficiencies in the amounts required to be on deposit therein. The Authority shall also certify that all payments into the various other Funds and Accounts herein provided for have been made in full as required by this Trust Agreement to the date of delivery of the Additional Bonds or, if any such deficiency exists, a statement by the Authority that (i) such funds and accounts were fully funded as of the last day of the prior Fiscal Year and (ii) the Authority has made arrangements through proposed rate increases, cost reductions or otherwise, to cause such funds and accounts to be fully funded and current as of the last day of the current Fiscal Year;

(g) An opinion of counsel for the Authority stating that the signer is of the opinion that the issuance of such Additional Bonds has been duly authorized, that all conditions precedent to the delivery of such Additional Bonds has been fulfilled, and that said Additional Bonds have been duly sold in accordance with all requirements of Florida law; and

(h) Either of the following:

(x) A statement signed by the Chief Executive Officer or Executive Vice President of Finance, Procurement and Capital Programs, or equivalent officer, of the Authority to the effect that the Authority's Revenues for the last Fiscal Year preceding the issuance of such Additional Bonds for which audited statements are available (provided that the last day of the latest audited Fiscal Year falls within the 24 month period immediately preceding the issuance of such Additional Bonds), were not less than the sum of (i) all amounts required to be deposited in the Operation and Maintenance Fund, the Reserve Fund, including in each case all accounts therein, and any funds required to be set aside for the payment of subordinated indebtedness in such Fiscal Year, plus (ii) One Hundred twenty-five percent (125%), of the Maximum Bond Service Requirement in any succeeding Fiscal Year on account of the Bonds of each Series then Outstanding (including the Additional Bonds proposed to be issued but excluding those Outstanding Bonds to be defeased by the issuance of such Additional Bonds); or

(y) A statement of the Airport Consultant that in his opinion, the Revenues to be derived from the Airport System during the Fiscal Year in which such Additional Bonds are issued and for each Fiscal Year thereafter through the Period of Review referred to below, taking into account, among other factors, increases in rates, fees, rentals and charges, shall not be less than the sum of (i) all amounts required to be deposited into the Operation and Maintenance Fund and the Reserve Fund, including in each case all accounts therein, and any funds required to be set aside for the payment of subordinated indebtedness during the Period of Review, plus (ii) One Hundred Twenty-Five percent (125%) of the Bond Service Requirement in each such corresponding Fiscal Year during the Period of Review, on account of the Bonds of each Series then Outstanding (including the Additional Bonds proposed to be issued but excluding those Outstanding Bonds to be defeased by the issuance of such Additional Bonds).

For purposes of this Trust Agreement, the "Period of Review" shall be that period beginning on the first day of the Fiscal Year of the Authority in which such Additional Bonds are issued and ending on the last day of the Fiscal Year during which either of the following two events shall occur: (i) the fifth anniversary of the date of issuance of such Additional Bonds or (ii) the third anniversary of the later to occur of the scheduled completion date of the project to be financed with proceeds of such Additional Bonds or the date on which capitalized interest with respect to such project has been exhausted, whichever date described in clause (i) or clause (ii) is later.

For purposes of this requirement, moneys remaining in the Surplus Fund at the end of any Fiscal Year which the Authority elects to redeposit into the Revenue Fund in the following Fiscal Year may be considered as Revenues in the Fiscal Year in which they are, or are projected to be so redeposited; provided that without regard to the use of such funds, the Authority shall have collected, or shall be projected to collect, as the case may be, sufficient rates and charges under its Rate Covenant so that the actual or projected Revenues, as the case may be, for the Fiscal

Year or years in question, were, or are projected to be, at least sufficient to pay 100% of the yearly deposit requirements into the Operation and Maintenance Fund, the Sinking Fund, the Reserve Fund and subordinated indebtedness accounts, without regard to carry over amounts from the Surplus Fund.

If Available PFC Revenues are included in determining compliance with the foregoing requirements, the following rules will apply:

(i) Airport Consultant may assume (a) that the rate of the levy of Passenger Facility Charges constituting a part of the PFC Revenues in effect on the date of issuance of such Series will be in effect for the entire forecast period, and (b) a higher rate to the extent legislation has been enacted to permit an increase in Passenger Facility Charges if the Authority has taken all action required to impose and use such increased charges at Tampa International Airport pursuant to such legislation prior to the date of the Airport Consultant's report;

(ii) The Airport Consultant, in making its forecast shall assume that the percentage of enplaned passengers subject to Passenger Facility Charges during the forecast period will not exceed the average percentage during the three fiscal years immediately preceding the year the report of the Airport Consultant is issued;

(iii) Available PFC Revenues, so long as they are pledged as Revenues under this Trust Agreement, may be taken into account in determining compliance with the requirements of Section 2.09(h)(x), in an amount equal to the lesser of (A) the Available PFC Revenues reflected in the statement of the independent certified public accountant and (B) the lowest amount of Available PFC Revenues the Authority estimates, based on its then existing PFC Approvals, will be available during the Period of Review; and

The amount of Available PFC Revenues included in determining compliance with the requirements of Section 2.09(h)(x) or (y) shall be limited to Available PFC Revenues in an amount not to exceed 125% of the Maximum Bond Service Requirement on the Outstanding PFC Bonds, and the PFC Bonds, if any, proposed to be issued, or such lesser amount as may be required under the PFC Act, PFC Regulations and PFC Approvals as in effect from time to time.

The Trustee will not authenticate and deliver Additional Bonds until it shall have first received the statement required by subparagraph (x) or (y) above.

When the documents mentioned above shall have been filed with the Trustee and when the Additional Bonds described in the resolutions mentioned in clauses (a) and (b) of this Section have been executed and authenticated as required by this Trust Agreement, the Trustee shall deliver such Additional Bonds to or upon the order of the purchasers named in the resolution mentioned in clause (b) of this Section, but only upon payment to the Trustee of the purchase price of such Additional Bonds. The Trustee shall be entitled to rely upon such resolution as to the names of the purchasers and the amount of such purchase price.

Such Additional Bonds shall be on a parity and rank equally with all other Bonds issued under this Trust Agreement as to lien on and source and security for payment from the Revenues and other income derived from said Airport System and other moneys pledged therefor (except

that Additional Bonds for which a special account in the Reserve Fund is established at the time of issuance thereof shall look solely to the Reserve Fund Credit Enhancement with respect to such Additional Bonds or to the cash deposited into a special account in the Reserve Fund established solely for the benefit of such Additional Bonds) and in all other respects, and upon the issuance of any such Additional Bonds all payments into the Sinking Fund and the separate accounts therein and the Reserve Fund (but only to the extent that a cash deposit to the Reserve Fund with respect to such Additional Bonds is required by Section 5.02(C) hereof) shall be proportionately increased as necessary over the amounts required by this Trust Agreement to be deposited therein for any other Bonds then Outstanding and secured by this Trust Agreement, and all of the provisions of this Trust Agreement, except as to details inconsistent therewith, shall apply to and be for the benefit and security and protection of the holders of such Additional Bonds as fully and to the same extent as for the holders of any other Bonds then Outstanding and secured by this Trust Agreement.

The proceeds (excluding accrued interest, and any amounts of capitalized interest which the Authority shall deem necessary or advisable for said Additional Bonds, which shall be deposited in the Interest Account in the Sinking Fund) of all Additional Bonds issued under the provisions of this Section shall be deposited to the credit of a Construction Fund to be created and established pursuant to Article IV hereof for said issue of Additional Bonds and used to pay the cost of the construction and acquisition of said additions, extensions and improvements to said Airport System.

Section 2.10 Refunding Bonds. The Authority may issue Additional Bonds hereunder without complying with the requirements of Section 2.09(h) above:

(A) to complete projects specifically authorized and theretofore funded with Additional Bonds under this Trust Agreement, provided that the aggregate principal amount of such completion Bonds does not exceed 15% of the aggregate principal amount of the Bonds or portions of Bonds issued to fund such projects, and

(B) to refund any Bond or Bonds Outstanding hereunder, provided that prior to the issuance of refunding Bonds under this Section 2.10, the Airport Consultant or another qualified independent consultant must deliver to the Trustee a statement stating (i) that, in each Fiscal Year, the debt service with respect to the refunding Bonds will be equal to or less than the debt service with respect to the Bonds to be refunded, or (ii) (a) that the aggregate debt service with respect to all Bonds Outstanding after the issuance of the refunding Bonds (excluding the Bonds to be refunded and including the refunding Bonds) will be equal to or less than the aggregate debt service with respect to all Bonds Outstanding prior to the issuance of the refunding Bonds, and (b) that the Maximum Bond Service Requirement with respect to all Bonds Outstanding after the issuance of the refunding Bonds (excluding the Bonds to be refunded and including the refunding Bonds) will be equal to or less than the Maximum Bond Service Requirement on all Bonds Outstanding prior to the issuance of the refunding Bonds. For purposes of the foregoing, if the Outstanding Bonds or the proposed refunding Additional Bonds, or both, include Variable Rate Bonds, the assumed interest rate thereon for purposes of the foregoing calculations shall be determined in accordance with the procedures set forth in the definition of Debt Service Requirement herein, determined on or as of the date of calculation.

Section 2.11 Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bonds shall become mutilated or be improperly cancelled, or be destroyed, stolen or lost, the Authority may, in its discretion, adopt a resolution and thereby authorize the issuance and delivery of a new Bond of like tenor as the Bond so mutilated, improperly cancelled, destroyed, stolen or lost, in exchange and substitution for such mutilated or improperly cancelled Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon the holder furnishing the Authority and the Trustee proof of his ownership thereof and proof of such mutilation, improper cancellation, destruction, theft or loss satisfactory to the Authority and the Trustee, upon his giving to the Authority and the Trustee an indemnity bond in such amount as they may require, and upon his compliance with such other reasonable regulations and conditions as they prescribe and paying such expenses as they may incur. All Bonds so surrendered shall be cancelled by the Trustee and held for the account of the Authority. If any Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Authority may cause the same to be paid upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the Authority, whether or not the lost, stolen or destroyed Bonds be at any time found by anyone. Such duplicate Bonds shall in all respects be identical with those replaced except that they shall bear in their face the following additional clause:

“This Bond is issued to replace a lost, stolen, cancelled or destroyed Bond.”

Such duplicate Bonds shall be signed by the same officers who signed the original Bonds, provided, however, that in the event the officers who executed the original Bonds no longer hold office, then the new Bonds shall be signed by the officers then in office. Such duplicate Bonds shall be entitled to equal proportionate benefits and rights as to lien and source and security for payment from the Revenues derived from said Airport System as provided herein with all other Bonds issued hereunder, the obligations of the Authority upon the new Bonds being identical with its obligations upon the original Bonds and the rights of the holder being the same as those conferred by the original Bonds.

Section 2.12 Reimbursement Obligations.

(A) One or more issues of Reimbursement Obligations may be issued concurrently with the issuance of the Bonds of a Series authorized pursuant to the provisions of this Article II for which a Credit Facility or Liquidity Facility, or both, is being provided with respect to such Bonds (or a maturity or maturities) by a third party. Such Reimbursement Obligations shall be issued for the purpose of evidencing the Authority’s obligation to repay any advances or loans made to, or on behalf of, the Authority in connection with such Credit Facility or Liquidity Facility; provided, however, that the stated maximum principal amount of any such issue of Reimbursement Obligations shall not exceed the aggregate principal amount of the Bonds with respect to which such Credit Facility or Liquidity Facility is being provided, plus such number of days’ interest thereon as the Authority shall determine prior to the issuance thereof, but not in excess of 366 days’ interest thereon, computed at the maximum interest rate applicable thereto.

(B) Except as otherwise provided in a Supplemental Trust Agreement authorizing an issue of Reimbursement Obligations, for the purposes of (i) receiving payment of a Reimbursement Obligation, whether at maturity or upon redemption or (ii) computing the principal amount of Bonds held by the Holder of a Reimbursement Obligation in giving to the Authority any notice, consent, request, or demand pursuant to this Trust Agreement for any purpose whatsoever, the principal amount of a Reimbursement Obligation shall be deemed to be the actual principal amount that the Authority shall owe thereon, which shall equal the aggregate of the amounts advanced to, or on behalf of, the Authority in connection with the Bonds of the Series or portions thereof for which such Reimbursement Obligation has been issued to evidence the Authority's obligation to repay any advances or loans made in respect of any Credit Facility or Liquidity Facility provided for such Bonds, less any prior repayments thereof.

Section 2.13 Qualified Hedge Agreements.

(A) The Authority may, to the extent permitted by law, enter into one or more Qualified Hedge Agreements concurrently with or at any time after the issuance of the Bonds hereunder.

(B) Before effecting any transaction under a Qualified Hedge Agreement, there shall be provided to the Trustee an opinion of Bond Counsel that the Authority's execution, delivery and performance of the Qualified Hedge Agreement will not, in and of themselves cause the interest on such Bonds not to be excludable from gross income for federal income tax purposes.

(C) Unless the counterparty to any Qualified Hedge Agreement shall agree that hedge payments with respect thereto shall be subordinate to payments on the Bonds or shall be unsecured, (i) the Authority shall by Supplemental Trust Agreement prior to the effective date of such Qualified Hedge Agreement cause the Qualified Hedge Receipts thereunder to be pledged as part of the trust estate securing the Bonds and (ii) Qualified Hedge Payments under such Qualified Hedge Agreement shall be on parity with interest payments on the Bonds, all in the manner and to the extent specified in Section 5.02(B). Qualified Hedge Payments under any Qualified Hedge Agreement shall only be paid in the manner and to the extent specified in Section 5.02(B). Neither Qualified Hedge Payments nor other payments due under any Qualified Hedge Agreement shall be secured by funds on deposit in the Operation and Maintenance Fund or funds on deposit in the Construction Fund.

ARTICLE III. REDEMPTION OF BONDS

Section 3.01 Privilege of Redemption. The Bonds initially issued under the provisions of this Trust Agreement may have such provisions for redemption prior to maturity and at such price or prices as the Authority shall hereafter determine by resolution adopted prior to the sale of such Bonds.

If less than all of the Outstanding Bonds shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be in the inverse order of maturities and by lot within maturities if less than a full maturity to be selected by lot by the Trustee in such manner as the Trustee, in its discretion may determine; provided, that the portion of any registered Bond

to be redeemed shall be in the principal amount of Five Thousand Dollars (\$5,000) or some multiple thereof, and that, in selecting Bonds for redemption, the Trustee shall treat each registered Bond as representing that number of Bonds which is obtained by dividing the principal amount of such registered Bond by Five Thousand Dollars (\$5,000).

Any Additional Bonds hereafter issued pursuant to Sections 2.09 or 2.10 hereof may be redeemable prior to their stated dates of maturity at such price or prices and under such terms and conditions as shall be provided in the Supplemental Trust Agreement or the proceedings which authorize the issuance of such Additional Bonds.

Section 3.02 Notice of Redemption. Except as otherwise provided in a Supplemental Trust Agreement with respect to a particular Series of Additional Bonds issued hereunder, a notice of any such redemption, either in whole or in part, signed by the Trustee (a) shall be submitted to EMMA once by the Trustee at least twenty (20) days before the redemption date, (b) shall be filed with the Paying Agents, and (c) shall be mailed, postage prepaid, or delivered electronically to all registered owners of Bonds or portions of Bonds to be redeemed at their addresses as they appear on the registration books hereinabove provided for; but failure so to mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of registered Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any registered Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

Any notice provided pursuant to the provisions of this Section may state that the redemption contemplated therein is conditioned upon the occurrence of one or more events or circumstances described therein prior to the stated redemption date and that the Authority will not be obligated to redeem such Bonds unless all such events and circumstances described therein have occurred.

Section 3.03 Effect of Notice of Redemption. Notice having been published and filed in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date. On the date so designated for redemption, notice having been published and filed and moneys for payment of the redemption price being held in separate accounts by the Trustee or by the Paying Agents in trust for the holders of the Bonds or portions thereof to be redeemed, all as provided in this Trust Agreement, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds and portions of Bonds shall cease to be entitled to any lien, benefit or security under this Trust Agreement, and the holders or registered owners of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in Section 3.05 of this Article, to receive Bonds for any unredeemed portions of registered Bonds.

Section 3.04 [Intentionally Deleted].

Section 3.05 Redemption in Part. In case part but not all of an Outstanding registered Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Authority shall execute and the Trustee shall authenticate and deliver to or upon the order of such registered owner, without charge therefor, Bonds representing the unredeemed balance of the principal amount of the registered Bond so surrendered.

Section 3.06 Cancellation of Bonds. Bonds so presented and surrendered shall be cancelled by the Trustee upon the surrender thereof.

Section 3.07 Redeemed Bonds Not Outstanding; Conditional Notice. Bonds and portions of Bonds which have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption at the earliest redemption date have been given to the Trustee, in form satisfactory to it, and for the payment of the redemption price of which and accrued interest to the date fixed for redemption moneys shall be held in separate accounts by the Trustee or the Paying Agents, in trust for the holders of the Bonds or portions thereof to be redeemed, as provided in this Trust Agreement, shall not be deemed to be Outstanding under the provisions of this Trust Agreement.

If a conditional notice of redemption has been given pursuant to Section 3.02, the Bonds to which such notice pertains shall be deemed Outstanding until the conditions to such redemption have been satisfied and the notice becomes irrevocable.

Section 3.08 Redemption of Additional Bonds. The provisions for redemption of Bonds contained in this Article III may be modified or amended with respect to any series of Additional Bonds issued hereunder by any Supplemental Trust Agreement entered into in connection with the issuance of such series of Additional Bonds and, as to such Series, the provisions contained in such Supplemental Trust Agreement shall control and supersede the provisions contained in this Article III.

ARTICLE IV. CUSTODY AND APPLICATION OF PROCEEDS OF BONDS

Section 4.01 Establishment of Construction Fund. The Hillsborough County Aviation Authority Construction Fund (the "Construction Fund"), is hereby created and established, and the Authority shall establish separate accounts therein pursuant to each Supplemental Trust Agreement pertaining to Additional Bonds issued pursuant to Section 2.09 and Section 2.10(a) hereof, to the credit of which proceeds of such Additional Bonds shall be deposited. Each such account in the Construction Fund shall be held by the Authority pursuant to the Supplemental Trust Agreement. There may also be deposited into the applicable account or accounts in the Construction Fund any moneys received from any other source for the construction or acquisition of each respective Airport System Project.

Each account in the Construction Fund shall be held separate and apart from each other account therein and shall be used and applied in accordance with the terms of this Trust Agreement and the Supplemental Trust Agreement pursuant to which it was created.

The moneys in each account in the Construction Fund shall be held by the Authority in trust and shall be applied to the payment of the cost of the Airport System Projects for which such accounts were created, and pending such application, shall be subject to a lien and charge in favor of the holders of the Bonds issued to finance such Airport System Projects and for the further security of such holders until paid out or transferred as herein provided.

Section 4.02 Payment of Project Costs. Payment of the cost of the construction and acquisition of said Airport System Projects shall be made from the separate account in the Construction Fund created therefor, or from any other available funds. All payments from the Construction Fund and each account therein shall be subject to the provisions and restrictions set forth in this Article, and the Authority covenants that it will not cause or permit to be paid from the Construction Fund any sums except in accordance with such provisions and restrictions.

Section 4.03 Description of Project Costs. For the purpose of this Trust Agreement the cost of the construction and acquisition of any Airport System Project to be financed by the issuance of Additional Bonds may include, without intending thereby to limit or restrict or to extend any proper definition of such cost under the provisions of law, the following:

(a) Obligations incurred for labor and materials and to contractors, builders and materialmen in connection with the construction and acquisition of said Airport System Project for machinery and equipment, and for the restoration or relocation of property damaged or destroyed in connection with such construction or acquisition;

(b) The cost of acquiring by purchase, if such purchase shall be deemed expedient, and the amount of any award or final judgment in or any settlement or compromise of any proceeding to acquire by condemnation, such lands, property rights, rights-of-way, franchises, easements and other interest as may be deemed necessary or convenient and authorized for the construction and acquisition of said Airport System Project, options and partial payments thereon, and the amount of any damages incident to or consequent upon the construction and acquisition of said Airport System Project;

(c) The fees and expenses of the Trustee during construction and municipal or governmental charges, if any, lawfully levied or assessed during construction upon said Airport System Project or any property acquired therefor, and premiums on insurance, if any, in connection with said Airport System Project;

(d) The expenses necessary or incident to determining the design and construction of the Airport System Project and fees and expenses for making studies, surveys, appraisals and estimates of cost and of revenues and other estimates and for preparing plans and specifications and supervising construction, as well as for the performance of all other duties set forth herein in relation to the construction and acquisition of said Airport System Project, or the issuance of Bonds therefor;

(e) Legal, engineering and Airport Consultant fees and expenses, financing charges, cost of audits during the construction of said Airport System Project and of preparing and issuing the Bonds, and all other items of expense not elsewhere in this Section specified incident to the construction, acquisition and equipment of said Airport

System Project, the financing thereof, the placing of the same in operation, and the cost of acquisition of lands, property rights, rights-of-way, franchises, easements, servitudes, and interests therein.

Section 4.04 [Intentionally Deleted].

Section 4.05 [Intentionally Deleted].

Section 4.06 Limitations on Requisitions. The Authority covenants that no payment will be made from the Construction Fund for labor or materials or to contractors, builders or materialmen, on account of the construction and acquisition of said Airport System Project, or any part thereof, unless such part is located on lands which are owned by the Authority in fee simple or over which the Authority shall have acquired sufficient leases, easements, licenses or servitudes or other agreements for or related to the use, occupancy or operation of any rights or space in any property, for the purposes of said Airport System Project.

Section 4.07 [Intentionally Deleted].

Section 4.08 Completion; Disposition of Excess Proceeds. When the construction and acquisition of said Airport System Project shall have been completed, which fact shall be evidenced by a certificate of the Authority stating the date of completion, the balance of any bond proceeds in the applicable account in the Construction Fund not reserved by the Authority for the payment of any remaining part of the cost of the construction and acquisition of said Airport System Project shall be transferred to the Trustee for deposit in the Reserve Fund, to the extent necessary to make the amount then on deposit therein equal to the maximum amount required to be on deposit in said Reserve Fund at any time. Any balance thereafter remaining from the moneys in said Construction Fund so transferred to the Trustee shall be retained by the Authority and used, at its option, upon receipt of an opinion of Bond Counsel that such use or uses by the Authority will not, in and of themselves cause the interest on such Bonds not to be excludable from gross income for federal income tax purposes, for one or more of the following purposes: (i) for the construction or acquisition of additions, extensions and improvements to said Airport System, (ii) for the purchase or prior redemption of Bonds in the manner provided herein for the purchase or prior redemption of Bonds from the Redemption Account in the Sinking Fund or (iii) for the payment of interest or principal, or both next coming due on the Bonds from which such funds were derived. Any balance remaining in the Construction Fund derived from sources other than bond proceeds, shall be transferred to and deposited in the Surplus Fund.

Section 4.09 Special Provisions for Additional Bonds. Notwithstanding any other provision contained herein, the provisions of this Article IV as they pertain to any account in the Construction Fund may be amended, modified or superseded by the Supplemental Trust Agreement creating such account and, with respect to such account, in the event of a conflict between the provisions of this Article IV and the provisions of such Supplemental Trust Agreement, the provisions of such Supplemental Trust Agreement shall control.

**ARTICLE V.
REVENUES AND FUNDS**

Section 5.01 Rate Covenant. The Authority will fix, revise from time to time when necessary, maintain and collect such fees, rates, rentals and other charges for the use of the products, services and facilities of the Airport System, or concessions granted in connection therewith, that will always provide Revenues in each Fiscal Year that will be sufficient to pay, in accordance with the provisions of this Trust Agreement, (i) all amounts required to be deposited in the Reserve Fund, the Operation and Maintenance Fund and the Operating Reserve Account in the Revenue Fund, including in each case all accounts therein, plus (ii) One Hundred Twenty-Five percent (125%) of the Bond Service Requirement for such Fiscal Year. The Authority covenants that it shall not permit such fees, rates, rentals and other charges to be reduced so as to be insufficient to provide Revenues for such purposes. For purpose of determining compliance with this requirement, the Authority may include Available PFC Revenues in an amount not to exceed One Hundred Twenty Five Percent (125%) of the amounts required to be deposited into the Interest Account, Principal Account and Redemption Account in the Sinking Fund for such year on the Outstanding PFC Bonds, or such lesser amount as may be required under the PFC Act, PFC Regulations and PFC Approvals as in effect from time to time.

For purposes of this requirement, moneys remaining in the Surplus Fund (other than moneys set aside for the payment of Derivative Non-Scheduled Payments) at the end of any Fiscal Year which the Authority elects to redeposit into the Revenue Fund in the following Fiscal Year may be considered as Revenues in the Fiscal Year in which they are so redeposited for purpose of satisfying the Rate Covenant set forth above; provided, however, that without regard to the use of such funds, the Authority shall always establish its rates and charges under this Section so that Revenues collected in the current Fiscal Year, without regard to carry over amounts from the Surplus Fund, will be at least sufficient to pay 100% of the yearly deposit requirements into the Operation and Maintenance Fund, the Sinking Fund, the Reserve Fund and subordinated indebtedness accounts.

Section 5.02 Funds and Accounts. The following special funds and accounts are hereby created and designated as follows:

The Airport System Sinking Fund (herein called the Sinking Fund), and four separate accounts therein to be known as the Interest Account, the Principal Account, Qualified Hedge Payment Account and the Redemption Account, each to be held and administered by the Trustee.

The Airport System Revenue Fund (herein called the Revenue Fund), and a separate account therein to be known as the Operating Reserve Account, to be held and administered by the Authority.

The PFC Revenue Fund to be held and administered by the Authority.

The PFC Capital Fund to be held and administered by the Authority.

The Reserve Fund to be held and administered by the Trustee. The Authority may require the Trustee to create separate accounts in the Reserve Fund for any series of Additional Bonds.

The Operation and Maintenance Fund, to be held and administered by the Authority.

The Airport System Surplus Fund (herein called the Surplus Fund), to be held and administered by the Authority.

All Revenues, as defined herein, derived from said Airport System (but not including PFC Revenues, CFCs, gifts, grants, either federal, state or any other public body, ad valorem taxes or any other moneys or funds not derived from the operation of the Airport System as defined herein), in each case, to the extent included within the definitions of "Gross Revenues" shall be deposited with the Authority in the Revenue Fund, and are hereby pledged for the purposes, and with the priorities, set forth in this Trust Agreement.

All Available PFC Revenues shall be deposited by the Authority upon receipt into the PFC Revenue Fund and applied in accordance with Section 5.03 below, to reduce the deposit requirements otherwise provided in subsections (B), (C), and (E) below, and are hereby pledged for the purposes, and with the priorities, set forth in this Trust Agreement.

Disposition of Revenues. The moneys in the Revenue Fund shall be disbursed and applied by the Authority on the first day of each month only in the following manner and order of priority:

(A) Operation and Maintenance Fund. The moneys in said Revenue Fund shall first be used for deposits into the Operation and Maintenance Fund, and the Authority shall deposit in said Operation and Maintenance Fund on the first day of each month an amount equal to one-twelfth (1/12) of the amount provided in the Annual Budget of the Authority then in effect for the Operating Expenses, as defined herein, of said Airport System, as defined herein.

The moneys in said Operation and Maintenance Fund shall be used by the Authority only for the Operating Expenses, as defined herein, of the Authority, including fees of the Trustee, Paying Agents, Liquidity Provider, Credit Support Provider, Tender Agents, Auction Agents, Remarketing Agents and other agents employed by the Authority in connection with one or more Series of Bonds issued thereunder. Any moneys remaining in the Operation and Maintenance Fund at the end of each Fiscal Year may be transferred therefrom by the Authority and deposited in the Revenue Fund.

(B) Interest Account and Qualified Hedge Payment Account. The moneys in said Revenue Fund shall next be deposited pro rata into the Interest Account and the Qualified Hedge Payment Account in the Sinking Fund, after making the deposits provided for in subsection (A) above, and the Trustee shall deposit in said Interest Account on the first day of each month an amount which, together with funds deposited therein under Section 5.03 below, is necessary to make the funds on deposit therein equal the interest component of the Accrued Aggregate Debt Service Requirement for such month with respect to the Bonds (including any net Qualified Hedge Payment then due or to become due within such month); *provided, however*, that such deposits into said Interest Account shall not be required to be made to the extent sufficient

moneys are then on deposit in the special fund in said Interest Account either from the proceeds of said Bonds or from any other source.

The moneys in said Interest Account shall be used only for the payment of the interest on said Bonds, both Serial Bonds and Term Bonds, and the Trustee shall transfer to the Paying Agents the necessary moneys to pay all such interest becoming due on each interest payment date not later than such interest payment date. The moneys in said Qualified Hedge Payment Account shall be used only for the payment of Qualified Hedge Payments, and the Trustee shall transfer to the counterparty under the respective Qualified Hedge Agreement the necessary moneys to pay such Qualified Hedge Payment on the next respective payment date.

(C) Principal Account. Such moneys shall next be used for deposits into the Principal Account in the Sinking Fund, after making the deposits provided for in subsections (A) and (B) above, and the Trustee shall deposit in said Principal Account on the first day of each month, an amount which, together with funds deposited therein under Section 5.03 below, shall be necessary to make the funds on deposit therein equal the scheduled principal component of Serial Bonds included within the Accrued Aggregate Debt Service Requirement for such month.

The moneys in said Principal Account shall be used only for the payment of the principal on Serial Bonds, and the Trustee shall transfer to the Paying Agents the necessary moneys to pay all such principal becoming due on said Serial Bonds on each principal maturity date prior to such principal maturity date.

(D) Reserve Fund. Such moneys shall next be used for deposits into the Reserve Fund, after making the deposits provided for in subsections (A), (B) and (C), inclusive, above, and the Trustee shall deposit in said Reserve Fund, and pro rata into each separate Reserve Account created therein pursuant to Supplemental Trust Agreements entered into with respect to each Series of Additional Bonds issued hereunder, on the first day of each month, an amount which, together with funds currently deposited in the Reserve Fund and each such Reserve Account, will be sufficient to make the funds on deposit therein equal to the aggregate Reserve Requirement; provided, however, that no further deposits shall be required to be made into said Reserve Fund or into any separate Reserve Account therein whenever and as long as the amount then on deposit therein is equal to the Reserve Requirement for each respective Series of Bonds then Outstanding.

The moneys in the Reserve Fund shall be used only for the payment of the interest on all Bonds, including both Serial Bonds and Term Bonds, the principal of Serial Bonds and the required deposits into the Redemption Account for Term Bonds as the same mature or become due, whenever the moneys in the Interest Account, Principal Account and Redemption Account are insufficient therefor. If separate accounts in the Reserve Fund have been established for Additional Bonds, deficiencies in the Interest Account, Principal Account and Redemption Account with respect to such Additional Bonds shall be payable solely from the funds deposited in each respective special Reserve Account created with respect to such Additional Bonds, or from the respective Reserve Fund Credit Enhancement acquired with respect thereto, and not from other funds deposited in the Reserve Fund. Funds on deposit in the Reserve Fund in excess of the Reserve Requirement (taking into account the several Reserve Requirements for each Series of Bonds Outstanding hereunder) may be withdrawn at the Authority's request and

deposited (i) into the Sinking Fund to pay principal, interest or redemption premium on Bonds next coming due, (ii) into the Redemption Account for redemption of Bonds from which such surplus funds were derived, (iii) into escrow deposit trust funds for Bonds secured thereby that have been defeased or called for redemption, or (iv) into the Revenue Fund provided that the Authority first receives an opinion from bond counsel that the use of such funds will not adversely affect the excludability from gross income for federal income tax purposes of interest on any Series of Bonds then Outstanding under the terms of this Trust Agreement (other than any Series of Bonds issued with the intent that interest thereon be includable in gross income for federal income tax purposes). All deficiencies in said Reserve Fund shall be restored from the first Revenues and other moneys pledged herein which are available after making all prior required deposits into the Operation and Maintenance Fund, the Interest Account, the Principal Account and the Redemption Account.

Upon the issuance of a series of Additional Bonds, or at any time in replacement of moneys then on deposit in the Reserve Fund, in lieu of making a cash deposit to the Reserve Fund, or in substitution therefor, the Authority may deliver to the Trustee a Reserve Fund Credit Enhancement in an amount which, together with moneys, securities or other Reserve Fund Credit Enhancements on deposit in or credited to the Reserve Fund and any special Reserve Account created with respect to Additional Bonds, equals or exceeds the largest amount of principal, interest and required deposits into the Redemption Account with respect to the Bonds which will mature or become due in any succeeding year on the following terms and conditions:

(1) All such Reserve Fund Credit Enhancements (i) will name the Trustee as beneficiary or insured, (ii) will have a term of not less than the maturity of such Additional Bonds for which such Reserve Fund Credit Enhancement was issued, or if issued to replace cash proceeds then existing in the Reserve Fund, the final maturity of the last maturing Bond then Outstanding secured by such cash proceeds (provided, however, that the provisions of this clause (ii) will not apply if such Reserve Fund Credit Enhancement is a Letter of Credit which, by its terms may be drawn upon at least fifteen (15) days prior to the stated expiration date thereof if a substitute Letter of Credit, or an extension thereof, with a new term of not less than one year has not theretofore been obtained and credited to the Reserve Fund) and (iii) will provide by its terms that it may be drawn upon to make up any deficiencies in the Principal Account, Interest Account or Redemption Account on the due date of any interest or principal payment or mandatory sinking fund redemption with respect to such Additional Bonds with respect to which such Reserve Fund Credit Enhancement was issued, or if issued to replace cash proceeds then existing in the Reserve Fund, any interest or principal payment or mandatory sinking fund redemption with respect to any Bonds Outstanding.

(2) Any excess funds on deposit in the Reserve Fund after a Reserve Fund Credit Enhancement has been provided shall be deposited into the Principal Account, Interest Account and/or Redemption Account and used to pay debt service on or redeem Bonds from which such funds were derived or for any other purpose provided that the Authority shall have first received an opinion from Bond Counsel that the use of such proceeds will not adversely affect the exclusion from gross income of interest on such Bonds.

(3) The obligation to reimburse the issuer of Reserve Fund Credit Enhancement for any fees, expenses, claims or draws thereon shall be subordinate to the payment of debt service on the Bonds and replenishment of the Reserve Fund. Such issuer's right to reimbursement for claims or draws shall be on a parity with the cash replenishment of the Reserve Fund provided that the Reserve Fund Credit Enhancement shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of such issuer to reimbursement will be further subordinated to cash replenishment of the Reserve Fund to an amount equal to the difference between the full original amount available under the Reserve Fund Credit Enhancement and the amount then available for further draws or claims. If (a) the issuer of the Reserve Fund Credit Enhancement becomes insolvent or (b) the issuer of the Reserve Fund Credit Enhancement defaults in its payment obligations thereunder or (c) the claims-paying ability of the issuer of the Reserve Fund Credit Enhancement falls below a S&P "A" or a Moody's "A," the obligation to reimburse the issuer of the Reserve Fund Credit Enhancement shall be subordinate to the cash replenishment of the Reserve Fund.

(4) If the Authority chooses to provide or substitute Reserve Fund Credit Enhancement in lieu of a cash-funded Reserve Fund, any amounts owed by the Authority to the issuer of such Reserve Fund Credit Enhancement as a result of a draw thereon or a claim thereunder, as appropriate, shall be included in determining amounts required to be deposited to the credit of the Reserve Fund and in any other calculation of debt service requirements required to be made pursuant to this Trust Agreement for any purpose, e.g., Rate Covenant or Additional Bonds test.

(E) *Redemption Account.* Such moneys shall next be used for deposits into the Redemption Account in the Sinking Fund, after making the deposits provided for in subsections (A), (B), (C) and (D) above, and the Trustee shall deposit in said Redemption Account on the first day of each month, an amount which, together with funds deposited therein under Section 5.03 below, shall be necessary to make the funds on deposit therein equal the Sinking Fund Installment portion of the Accrued Aggregate Debt Service Requirement for such month with respect to Term Bonds maturing within such Fiscal Year.

A separate subaccount shall be set up and maintained in said Redemption Account for each separate issue of Additional Bonds; provided, however, that the separate account for any Additional Bonds issued for the completion of any project shall be the same separate subaccount as for the Bonds originally issued to finance such project.

The moneys in said Redemption Account shall be applied to the retirement of Term Bonds, issued under the provisions of this Trust Agreement as follows:

(a) The Trustee may, in its discretion, endeavor to purchase Term Bonds secured hereby and then Outstanding, on the most advantageous terms at a price not exceeding the price at which the Term Bonds may be redeemed by operation of the Redemption Account on the next ensuing redemption date, either by purchase in the open market or by publishing an appropriate notice at least once at least fourteen (14) days

prior to the receipt of tenders in a newspaper or financial journal published in the City of New York, New York, calling for tenders of Term Bonds for purchase by the Trustee. The Trustee shall pay the interest accrued on Term Bonds so tendered and purchased to the date of delivery thereof from the Interest Account, and the purchase price from the separate account in the Redemption Account for such issue but no such purchase shall be made by the Trustee within the period of forty-five (45) days next preceding any interest payment date; and

(b) Subject to the provisions of Article III of this Trust Agreement, the Trustee shall call for redemption on each interest payment date on which Term Bonds are subject to redemption, from moneys in the appropriate separate accounts in the Redemption Account for each issue of Term Bonds, such amount of Term Bonds then subject to redemption as with the redemption premium, if any, and all necessary and proper expenses incurred in connection therewith, will exhaust all moneys on deposit in the appropriate separate accounts in the Redemption Account on the forty-fifth (45th) day preceding such interest payment dates, as nearly as may be practicable; provided, however, that the Trustee shall not be required to call less than Ten Thousand Dollars (\$10,000) principal amount of Term Bonds for prior redemption from each separate account in the Redemption Account at any one time. Such redemption shall be made pursuant to the provisions of Article III of this Trust Agreement. Not less than ten (10) days before the redemption date, the Trustee shall withdraw from the Interest Account and the appropriate separate accounts in the Redemption Account and set aside in separate accounts or deposit with the Paying Agents the respective amounts required for paying the interest on, and the principal and redemption premium, if any, of the Term Bonds so called for redemption from the appropriate separate accounts in the Redemption Account and shall pay all expenses in connection with such redemption from the appropriate separate accounts in the Redemption Account.

Alternative Method of Satisfying Sinking Fund Installment.

The Authority may satisfy its obligations under Section 5.02(E) above with respect to the Sinking Fund Installments, on or before the 45th day next preceding each principal payment date on which Term Bonds are to be retired pursuant to the Sinking Fund Installments, by delivering to the Trustee for cancellation, Term Bonds of the Series and maturity required to be redeemed on such principal payment date in any aggregate principal amount desired. Upon such delivery, the Authority will receive a credit against the amounts required to be deposited into the Interest Account and Redemption Account on account of such Term Bonds in an amount equal to 100% of the principal amount thereof so purchased and cancelled and the interest accruing thereon to the next succeeding Interest Payment Date.

All Additional Bonds which are Term Bonds hereafter issued shall be on a parity with the Term Bonds initially issued hereunder and all deposits into the Redemption Account for different parity Term Bonds shall rank equally.

In addition to the foregoing, if the Authority deposits moneys in to the Redemption Account for purposes other than with respect to mandatory sinking fund redemptions required under this Trust Agreement or any supplemental trust agreement executed under the terms

hereof, such funds shall be applied at the direction of the Authority to call for redemption any Bonds or maturities thereof as specified by the Authority, provided that prior to such redemptions from proceeds of Bonds issued hereunder, the Authority shall have first received an opinion of Bond Counsel that the Authority's the application of such Bond proceeds will not, in and of themselves cause the interest on such Bonds not to be excludable from gross income for federal income tax purposes.

(F) Subordinated Indebtedness. Such moneys shall next be used for the payment of debt service on, and other requirements with respect to, debt obligations of the Authority (including reimbursement obligations to credit providers) having a lien on the Revenues which, by their terms, is expressly made junior and subordinate to the lien thereon in favor of the holders of Bonds issued hereunder.

(G) Operating Reserve Account. Such moneys shall next be used for deposits into the Operating Reserve Account in the Revenue Fund, after making the deposits provided for in subsections (A) to (F), inclusive, above, and the Authority shall deposit in said Operating Reserve Account on the first day of each month, the amount necessary, together with the moneys then on deposit in said Account, to make the amount then on deposit therein equal to one-sixth (1/6) of the annual amount of Operating Expenses of said Airport System provided in the Annual Budget of the Authority then in effect. The Authority covenants that it will prior to or simultaneously with the issuance of the Bonds initially authorized hereunder, deposit in said Operating Reserve Account, from moneys legally available therefor other than the proceeds of the Bonds, an amount equal to one-sixth (1/6) of the amount of Operating Expenses estimated by the Airport Consultant to be provided for in the first Annual Budget of the Authority adopted after the issuance of said Bonds.

The moneys in said Operating Reserve Account shall be used only for the payment of Operating Expenses of said Airport System when the moneys in the Operation and Maintenance Fund are insufficient therefor, and the moneys in said Account may be used by the Authority upon requisition of the Authority stating that such moneys are necessary to pay the Operating Expenses of the Authority and that the moneys in the Operation and Maintenance Fund are insufficient therefor. Any withdrawals from said Operating Reserve Account for such purposes shall be restored to said Operating Reserve Account from the first Revenues available after all deposits under subsections (A) to (F), both inclusive, above, including any deficiencies for prior required deposits, have been fully made. Any moneys in said Account in excess of the maximum amount required to be on deposit therein at the end of each Fiscal Year, shall be transferred to and deposited in the Revenue Fund.

(H) Surplus Fund. After making all the deposits or payments provided in subsections (A) to (G), inclusive, above, including all deficiencies for prior required payments, the Authority shall on the first day of each month, withdraw all moneys then remaining in said Revenue Fund and deposit the same into the Surplus Fund.

Moneys in the Surplus Fund may be used by the Authority for the payment of all Reimbursement Obligations and Derivative Non-Scheduled Payments then due, or to reduce airline rental payments described above, to make deposits into the Rebate Account, which is hereby created and established, in such amounts with respect to any of the Bonds Outstanding

hereunder, as may be required to be paid to the United States pursuant to Section 148(f) of the Code, or for any other lawful purpose, or any combination of the foregoing; provided, however, that without regard to the use of such funds, the Authority shall always establish its rates and charges under Section 5.01 so that Revenues collected in the current Fiscal Year, without regard to carry over amounts from the Surplus Fund, will be at least sufficient to pay 100% of the yearly deposit requirements into the Operation and Maintenance Fund, the Sinking Fund, the Reserve Fund and subordinated indebtedness accounts.

(I) In the event any of the deposits or payments required under subsections (A) to (G), inclusive, above, are not made when due, then such deficiencies shall be added to the deposits or payments to be made on the next deposit or payment date.

(J) In the event of the issuance of any Additional Bonds pursuant to Sections 2.09 or 2.10 hereof, all deposits or payments into the Interest Account, Principal Account, Redemption Account, and Reserve Fund shall be increased to the extent necessary, and all Additional Bonds shall be on a parity and rank equally with the Bonds initially issued hereunder.

Section 5.03 Receipt and Disbursement of PFC Revenues. So long as Available PFC Revenues are pledged hereunder, all Available PFC Revenues received by the Authority shall be deposited into the PFC Revenue Fund and shall be set aside or disposed of on the first business day of each month as follows:

(A) The moneys in the PFC Revenue Fund shall first be transferred to the Trustee for deposit into the Interest Account, the Principal Account and the Redemption Account, respectively, that portion of each monthly deposit requirements therein that are attributable to the debt service requirements with respect to the PFC Bonds;

(B) The moneys in the PFC Revenue Fund shall next be used to fund any deficiency in the Reserve Fund (or any special account therein) allocable to or set aside for the benefit of PFC Bonds or any separate series thereof;

(C) The moneys in the PFC Revenue Fund shall next be used for the payment of debt service on, and other required deposits with respect to, PFC indebtedness of the Authority (including reimbursement obligations to credit providers) having a lien on the PFC Revenues which, by their terms, is expressly made junior and subordinate to the lien thereon in favor of the holders of Bonds issued hereunder;

(D) The moneys in the PFC Revenue Fund shall next be applied to replenish funds in the Revenue Fund that were used to pay or to satisfy the monthly deposit requirements with respect to the principal of, interest on or redemption premiums with respect to PFC Bonds that were paid or allocated from non-PFC Revenues because PFC Revenues at the time of such deposit requirements were insufficient or ineligible for such purposes; and

(E) After making the deposits or payments provided in subsections (A) through (D), above, including all deficiencies for prior required payments, the Authority shall on the first business day of each month, withdraw all moneys then remaining in the PFC Fund and not otherwise set aside for such purposes and deposit the same into the PFC Capital Fund.

(F) Funds in the PFC Capital Fund may be used by the Authority for any lawful purpose in accordance with the PFC Act, the PFC Regulations and the PFC Approvals.

Section 5.04 Limitation on Additional Indebtedness. The Authority covenants that it will not issue or incur any obligations, payable from the Revenues derived from said Airport System and other moneys pledged herein, nor voluntarily create or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or any other charge, having priority to or being on a parity with, the lien of the Bonds issued pursuant to this Trust Agreement and the interest thereon, upon any of the Revenues and income of said Airport System, in each case except Additional Bonds, Reimbursement Obligations, and obligations arising under Qualified Hedge Agreement, in each case in the manner and subject to the terms provided herein.

Section 5.05 Subordinated Indebtedness Covenant. The Authority covenants that any obligations or indebtedness issued by it other than in accordance with the terms hereof and payable from Revenues, including subordinated indebtedness as herein contemplated, shall contain an express statement that such obligations are junior and subordinate in all respects to the Bonds issued hereunder as to lien on, source of and security for payment from, the Revenues.

Section 5.06 Funds Held in Trust. Subject to the terms and conditions set forth in this Trust Agreement, moneys to the credit of the Interest Account, Principal Account and Redemption Account shall be held in trust and disbursed by the Trustee for (a) the payment of interest on all Bonds issued hereunder as such interest falls due, and (b) the payment of principal of all Serial Bonds as such principal falls due and for the making of all required payments into the Redemption Account for Term Bonds as the same become due, and such moneys are hereby pledged to and charged with the payments mentioned in this Section in the manner hereinbefore provided.

Section 5.07 Unclaimed Funds. All moneys which the Trustee shall have withdrawn from the Sinking Fund or shall have received from any other source and set aside, or deposited with the Paying Agents, for the purpose of paying any of the Bonds hereby secured, either at the maturity thereof or upon call for redemption, together with interest and premiums, if any, thereon, shall be held in trust for the respective holders of such Bonds. Any moneys which shall be so set aside or deposited by the Trustee and which shall remain unclaimed by the holders of such Bonds for the period of five (5) years after the date on which such Bonds shall have become payable (or such shorter or longer period of time as may be specified in Section 717.112, Florida Statutes (1997) as amended) shall be paid to the Authority, and thereafter the holders of such Bonds shall look only to the Authority for payment, and then only to the extent of the amounts so received without any interest thereon, and the Trustee and the Paying Agents shall have no responsibility with respect to such moneys.

Section 5.08 Cancellation Certificates. All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Trustee when such payment, redemption or purchase is made and such Bonds shall thereupon be cancelled. All cancelled Bonds shall be held by the Trustee until this Trust Agreement shall be released; provided, however, that Bonds so cancelled may at any time be cremated by the Trustee in the presence of two (2) of its authorized officers, who shall execute a certificate of cremation in duplicate describing the Bonds so cremated, and one (1) executed certificate shall be filed with the Authority, and the

remaining executed certificate shall be retained by the Trustee. All such cremation certificates shall contain, among other things, the identifying numbers, dates of issue and maturity, denominations and interest rates of such cancelled Bonds.

Section 5.09 Use of Funds in Operating Reserve Account. Notwithstanding any of the other provisions of this Article or of this Trust Agreement, the Authority shall be mandatorily and irrevocably obligated at all times to use any moneys in the Operating Reserve Account, for the payment of the interest on said Bonds, both Serial Bonds and Term Bonds, for the principal of Serial Bonds, and for required deposits into the Redemption Account for Term Bonds whenever the moneys in the Interest Account, Principal Account, Redemption Account and the Reserve Fund are insufficient for such purposes.

ARTICLE VI. DEPOSITARIES OF MONEYS, SECURITY FOR DEPOSITS, AND INVESTMENTS OF FUNDS

Section 6.01 Depositaries. All moneys received by the Authority under the provisions of this Trust Agreement shall be deposited with the Trustee, to the extent herein required, or with one or more other banks or trust companies designated by the Authority (each such depositary, including the Trustee, being herein called a "Depositary"). All moneys deposited under the provisions of this Trust Agreement with the Trustee, or any other Depositary shall be held in trust and applied only in accordance with the provisions of this Trust Agreement, and shall not be subject to lien or attachment by any creditor of the Authority.

No moneys shall be deposited with any Depositary, other than the Trustee, or a Paying Agent in its capacity as such, in an amount exceeding one hundred per centum (100%) of the amount which an officer of such Depositary shall certify to the Trustee or Authority as the combined capital and surplus of such Depositary.

Except as otherwise provided in Section 6.02 hereof, all moneys deposited with the Trustee, or any other Depositary hereunder, in excess of the amount insured against loss by the depositor by the Federal Deposit Insurance Corporation, shall be continuously secured, for the benefit of the Authority and the holders of the Bonds, by lodging with the Federal Reserve Bank or the Trustee, as custodian, as collateral security, direct obligations of the United States of America or other securities eligible under the laws of the State of Florida as collateral security for deposits of public funds, having a market value (exclusive of accrued interest) not less than the amount of such deposit; provided, however, that in the case of the Trustee it shall not be necessary for them to lodge such collateral security with any other bank or trust company, but it shall suffice if they lodge such collateral security with its Trust Department as custodian; and provided, further, that it shall not be necessary for the Paying Agents to give security for the deposit of any moneys with them for the payment of the principal or the redemption premium or the interest on any Bonds issued hereunder, or for the Trustee to give security for any moneys which shall be represented by investments in the obligations referred to in Section 6.02 hereof, purchased under the provisions of this Article, except as to any moneys in any Fund or Account which shall be invested in time deposits in banks or trust companies evidenced by certificates of deposit for which collateral security has been given as provided in Section 6.02 hereof.

All moneys deposited with each Depository, including the Trustee, shall be credited to the particular Fund or Account to which such moneys belong.

Section 6.02 Investment of Certain Funds; Valuation; Disposition of Investment Income. The Authority may invest and reinvest moneys on deposit to the credit of the Construction Fund, pending the dates upon which such moneys will be needed for the construction and acquisition of said Airport System Project, in any investments (and with such collateralization, if any, and maturity) as may be permitted for an independent special district as a unit of local government under the laws of the State of Florida and as may otherwise be specified in the Supplemental Trust Agreement pursuant to which such Construction Account was created.

No investments of any moneys in the Construction Fund shall mature later than the dates upon which it is estimated that such moneys will be needed for the purposes of such Construction Fund.

It shall be the mandatory duty of the Trustee, at the written direction of the Authority, to keep all the moneys on deposit to the credit of the Interest Account, Principal Account, Redemption Account and the Reserve Fund, invested and reinvested in (1) direct obligations of the United States of America, or (2) time deposits in banks or trust companies evidenced by certificates of deposit; provided, however, that all such time deposits shall be further secured by collateral in the obligations described in clause (1) above having at all times a market value at least equal to the amount of such time deposits. Such investments or reinvestments shall mature not later than the respective dates, as estimated by the Trustee or the Authority, as the case may be, when the moneys held for the credit of said Funds or Accounts will be needed for the purposes of such Funds or Accounts, except that the moneys in the Reserve Fund may be invested and reinvested for a period of not exceeding five years² from the date of the making of such investments or reinvestments.

It shall be the mandatory duty of the Authority to keep all moneys on deposit to the credit of the Operating Reserve Account and the Surplus Fund invested and reinvested in any investments (and with such collateralization, if any, and maturity), as may be permitted for political subdivisions under the laws of the State of Florida. The moneys in the Surplus Fund may be invested and reinvested in such securities and for such periods of time as the Authority shall deem advisable.

All of the investments and reinvestments provided for in this Article VI may be made by the Trustee without further resolution or other action by the Authority; all such investments or reinvestments by the Authority shall be made on its direction.

Obligations so purchased as an investment of moneys in any such Fund or Account shall be deemed at all times to be a part of such Fund or Account, and except with respect to the Reserve Funds and the accounts therein, shall at all times, for the purposes of this Trust Agreement, be valued at the cost thereof at the time of purchase, without regard to fluctuation in

² Investments in the Reserve Fund as of the effective date of this Codified Trust Agreement shall be grandfathered and not subject to this limitation.

market value. Funds and investments in the Reserve Fund, and the common reserve account or accounts therein, shall be valued not less frequently than annually at the mark-to-market value thereof, as of October 1 of each year. Accounts in the Reserve Fund created solely for the benefit of specific Series of Bonds shall be valued in accordance with the preceding sentence or as may otherwise be specified under the terms of the Supplemental Trust Agreement pursuant to which such Bonds were issued. The Trustee or the Authority, as the case may be, shall sell at the best price obtainable any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from such Funds or Accounts. Neither the Trustee nor the Authority shall be liable or responsible for any loss resulting from any such investments or reinvestments.

All income derived from the investment of moneys in the Construction Fund shall remain in and be a part of said Construction Fund. All income derived from the investment of moneys in the Interest Account, Principal Account, Reserve Fund and Operating Reserve Account shall be retained in such Funds or Accounts to the extent necessary to make the amount then on deposit therein equal to the maximum amount required to be on deposit in such Funds or Accounts, and any remaining balance shall be deposited in the Revenue Fund and used as provided herein for said Revenue Fund; provided, however, that all income from the investment or reinvestment of moneys in the Redemption Account shall be retained in said Redemption Account and used as provided herein for said Redemption Account.

ARTICLE VII. PARTICULAR COVENANTS

Section 7.01 Payment of Bonds. The Authority covenants that it will promptly pay the principal of and the interest on every Bond issued under the provisions of this Trust Agreement at the places, on the dates and in the manner provided herein and in said Bonds and any premium required for the retirement of said Bonds by purchase or redemption, according to the true intent and meaning thereof. The principal, interest and premiums on said Bonds are payable solely from the Revenues derived by the Authority from said Airport System and other moneys pledged therefor under this Trust Agreement, all of which are hereby pledged to the payment thereof and to the payment of Reimbursement Obligations and Qualified Hedge Payments in the manner and in the order of priority and to the extent hereinabove particularly specified and all as provided in this Trust Agreement and the Act hereinbefore referred to.

Section 7.02 Construction of Projects. The Authority covenants that upon the receipt of the proceeds of Additional Bonds issued under the provisions of Section 2.09 or Section 2.10 (with respect to Completion Bonds) of this Trust Agreement, it will to the full extent of its legal powers, proceed to acquire and construct the Airport System Projects for which such Additional Bonds were issued, substantially in accordance with the plans and specifications therefor, and in conformity with law and all requirements of all governmental agencies having jurisdiction thereover, and that it will complete such acquisition and construction with all expedition practicable.

Section 7.03 Rules and Regulations. The Authority covenants that it will establish and enforce reasonable rules and regulations governing the use of the Airport System and the operation thereof as may be required; that it will cause said Airport System and all parts thereof,

to be maintained at all times in good order and condition, except for normal wear and tear and to make or cause to be made all necessary and appropriate repairs thereto, and that it will comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to said Airport System.

Section 7.04 Liens; Taxes; Compliance with Laws. The Authority covenants that it will pay or cause to be paid all taxes and assessments or other municipal or governmental charges lawfully levied or assessed upon or in respect of said Airport System or any Revenues or other income derived therefrom when the same shall become due; that it will duly observe and comply with all valid requirements of any municipal or governmental authority relative to said Airport System; that it will not create or suffer to be created any lien or charge upon said Airport System or upon the Revenues derived from said Airport System or other moneys pledged herein, except the lien and charge of the Bonds secured hereby upon such Revenues derived from said Airport System and the lien and charge thereon in favor of Reimbursement Obligations, Qualified Hedge Payments and subordinated indebtedness issued in compliance with Section 5.05; and that it will pay or cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon said Airport System or the Revenues derived from said Airport System; provided, however, that nothing in this Section contained shall require the Authority to pay or cause to be discharged, or make provision for, any such lien or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

Section 7.05 Airport Consultant. The Authority covenants that it will employ from time to time as necessary to comply with the requirements of this Trust Agreement, an Airport Consultant to inspect said Airport System and to make reports and recommendations with respect thereto and with respect to the rentals and other charges for the use of the facilities and services of said Airport System, with respect to any proposed changes in such rentals and other charges, concerning the operation and maintenance of said Airport System and to perform all other duties required to be performed by said Airport Consultant.

For the purpose of this Trust Agreement, the term “Airport Consultant,” as it pertains to Airport Consultants described in clause (c) of that defined term, shall mean an engineer or firm of engineers of favorable repute and having national recognition and experience in the design and construction of civil airports and other civil aviation facilities.

For the purposes of this Trust Agreement, the term “Airport Consultant,” as it pertains to Airport Consultants described in clause (a) of that defined term, shall mean an airport consultant or engineer or architect or firm of airport consultants or engineers or architects of favorable repute and having national recognition or experience in relation to the operation and maintenance of civil airports and other civil aviation facilities, the recommending of schedules of rentals and other charges for the use of the services and facilities of civil airports and other civil aviation facilities and the estimating of revenues to be derived from the operation of civil airports and other civil aviation facilities. The Authority hereby covenants and agrees that an Airport Consultant meeting the foregoing requirements will be continuously retained in such capacity as long as any Bonds issued hereunder are Outstanding and unpaid.

Section 7.06 Insurance. The Authority hereby agrees to maintain insurance coverage for the properties or facilities of the Airport System continuously until such time as all Bonds secured hereby, along with accrued interest, are fully discharged or adequate provision for such discharge has been made. This insurance coverage shall be obtained from reputable insurance companies capable of assuming such risks and shall protect against all risk of direct physical loss or damage to Insured Property from a covered loss subject to standard policy exclusions inclusive of customary self-insurance deductibles and allowances, with exceptions as commonly required by insurers for structures or facilities of similar nature. The specific terms, procedures, and coverage amounts shall be made in consultation with the Airport Consultant.

All insurance policies procured under this section shall be designated for the benefit of the Authority. Any proceeds derived from such policies shall be collected and directed to the Authority, to be utilized in accordance with the provisions of this Trust Agreement. These proceeds shall be segregated and held by the Authority until disbursed in accordance with the Trust Agreement.

Following any incident resulting in damage to or destruction of the Airport System, the Authority shall promptly commission the preparation of plans and specifications for the repair, replacement, or reconstruction of the affected property, along with an estimation of associated costs.

The proceeds from such insurance coverage shall be earmarked and applied toward the repair, replacement, or reconstruction of the damaged or destroyed property. These funds shall be managed by the Authority and disbursed in a manner consistent with disbursements from the Construction Fund. Any surplus shall be allocated first to the to cure any deficiencies in the common Reserve Fund, with any remaining surplus being (i) deposited into one or more subaccounts in the Redemption Account for the redemption of Bonds as directed by the Authority in consultation with Bond Counsel, or (ii) applied for such alternate uses upon receipt of an opinion of Bond Counsel to the effect that such use will not, in and of itself, cause interest on any of the Bonds outstanding to be includable in the income of the holders thereof for federal income tax purposes. In the event of an insufficiency of proceeds, the Authority shall supplement the deficit from legally available funds.

The Authority further agrees that, if the estimated cost of repair, replacement, or reconstruction, as determined by the Airport Consultants, does not exceed the available insurance proceeds and other designated funds, it shall expeditiously commence and diligently pursue the necessary actions according to the prescribed plans and specifications. However, should the Authority deem it imprudent to proceed with such actions, it shall be absolved from such obligation, and any insurance proceeds otherwise allocated for such purposes instead shall be used for the redemption of Bonds or for such other purposes as permitted under the preceding paragraph.

If the Airport System, or any portion thereof, sustains destruction, damage, or be become subject to eminent domain proceedings, and the resultant insurance or eminent domain compensation proves insufficient for restoration or replacement, the Authority may supplement the deficiency from any legally accessible funds.

Section 7.07 Lease Exception. The provisions of Section 7.06 shall be inapplicable to the extent they are inconsistent with the terms of any lease between the Authority and any airline company relating to the insurance to be carried on the leased premises either by the Authority or the lessee, and the Authority shall comply fully with the provisions of such leases; provided, however, that the insurance provided for in such leases shall not be less than the insurance provided for in this Article.

Section 7.08 [Intentionally Deleted.]

Section 7.09 No Free Service. The Authority covenants that it will not render or cause to be rendered any free service of any nature by said Airport System; provided, however, that the foregoing limitation shall not be applicable to reasonable and customary incentives granted to airlines and other commercial users of the Airport System in exchange for new or expanded service, and space, services, privileges or facilities furnished to the Authority or to the United States of America to the extent required under applicable laws under contracts which involve the granting of federal aid to the Authority, and to the extent required by applicable laws under instruments of transfer from or other contracts with the United States of America or as otherwise allowed by law. In the event the County of Hillsborough or the City of Tampa or any other public body, agency, or instrumentality, or any department, agency, instrumentality, officer or employee thereof, shall avail itself or themselves of and use said Airport System, or any part thereof, reasonable rates, rentals, fees or other charges shall be charged the County of Hillsborough, the City of Tampa and any other public body, agency, or instrumentality, and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the income so received shall be deemed to be Revenues derived from the operation of said Airport System and shall be deposited and accounted for in the same manner as other Revenues derived from the operation of said Airport System. The Authority shall require any lessees or licensees to observe and enforce the provisions of this Section.

Section 7.10 Annual Budget. The Authority covenants that it will annually after the review thereof and receiving the recommendations relating thereto of the Airport Consultant, prepare and adopt by resolution a detailed budget for the succeeding Fiscal Year in compliance with the Act, which budget shall contain the estimated expenditures in such succeeding Fiscal Year for operation and maintenance, for the replacement of capital assets or any unusual or extraordinary maintenance or repairs, for the building and constructing of permanent improvements, alterations, buildings and other structures, including runways, taxiways and taxilanes and aprons of said Airport System, and any other matters required by said Act. No expenditures for the operation and maintenance of said Airport System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without the written finding and recommendation of the Chief Executive Officer of such Airport System or other duly authorized officer in charge thereof, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures, and no such increased expenditures shall be made until the Authority shall have approved such finding and recommendation by resolution duly adopted. To the extent not posted on the Authority's website, the Authority shall mail copies of all annual budgets, and all resolutions authorizing increased expenditures, to any registered owner of Bonds specifically requesting the same.

Section 7.11 Restriction on Use of Revenues. The Authority covenants and agrees that, until the Bonds secured hereby, and the interest thereon, shall have been paid or provision for such payment shall have been made, none of the Revenues derived from said Airport System, or other moneys pledged herein, will be used for any purpose other than as provided in this Trust Agreement and no contract or contracts will be entered into or any action taken by which the rights of the Trustee or Bondholders might be impaired or diminished; *however*, nothing contained in this section shall prohibit the Authority from issuing Senior PFC Indebtedness in accordance with the terms of Section 7.19 hereof.

Section 7.12 Compliance with Covenants. The Authority covenants that it will, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Trust Agreement.

Section 7.13 Accounting and Audit Requirements. The Authority covenants that it or the Trustee will keep an accurate record of the Revenues derived from said Airport System, and other moneys pledged herein, and of the application of such Revenues or other moneys pledged herein.

The Authority further covenants that within 180 days after the close of each Fiscal Year, or as soon thereafter as practicable, it will cause an audit to be made of its books and accounts relating to said Airport System during the preceding Fiscal Year by an independent and recognized certified public accountant not in the regular employ of the Authority. Promptly following the receipts of the auditor's report, the Authority shall file a copy thereof to the Authority's Records Information Center and the Trustee and copies of such reports shall be posted by the Authority on EMMA. Each audit in respect of the preceding Fiscal Year shall be based on the Government Auditing Standards issued by the Comptroller General of the United States and presented in accordance with the Governmental Accounting Standards Board (GASB), as the same may be amended from time to time.

Section 7.14 Sale or Disposition of Property. The Authority covenants that, until the Bonds secured hereby and the interest thereon shall have been paid or provision for such payment shall have been made, and except as in this Trust Agreement otherwise permitted, it will not sell or otherwise dispose of or encumber said Airport System, or any part thereof, and it will not create or permit to be created any charge or lien on the Revenues derived therefrom or other moneys pledged herein other than with respect to Additional Bonds, subordinated indebtedness issued in compliance with Section 5.05 and Senior PFC Indebtedness issued pursuant to Section 7.19. The Authority may, however, from time to time, abandon or destroy obsolete buildings and infrastructure and sell for fair and reasonable value, any of the property comprising a part of said Airport System hereafter determined by a resolution duly adopted by the Authority to be no longer necessary, useful or profitable in the operation thereof. If the property to be sold shall consist of movable facilities, such proceeds may be used for the acquisition of other movable facilities, or if not so used, the proceeds derived from the sale of such movable facilities shall be used in the manner provided below for the proceeds of the sale of real estate. The proceeds derived from the sale of any real property, including any improvements thereon, may be deposited in the Surplus Fund, and any of such proceeds not so used shall be deposited in the Redemption Account in the Sinking Fund and used as provided herein for such Redemption Account.

Section 7.15 Use of Non-Pledged Funds. Nothing contained in this Trust Agreement shall be deemed to prevent the Authority from creating or providing such funds or accounts which shall not be subject to the provisions of this Trust Agreement for any ad valorem taxes, grants, gifts, passenger facility charges, moneys withdrawn from the Surplus Fund, or any other moneys whatsoever which do not constitute Revenues derived from said Airport System as defined herein or moneys pledged under this Trust Agreement.

Section 7.16 Financing Improvements Outside Airport System. Nothing contained in this Trust Agreement shall be deemed to prevent the Authority from issuing any bonds or notes which are not secured by this Trust Agreement to finance the construction of any legally permissible airport or aviation related facilities, or additions, extensions or improvements thereto, which are not a part of said Airport System, as defined herein, as long as the Airport Consultant shall state that in his opinion such airport or aviation facilities, or additions, extensions or improvements thereto, will not materially and adversely affect the Revenues to be derived from said Airport System, as defined herein, or the rights, security and remedies of the holders of Bonds issued pursuant to this Trust Agreement.

Section 7.17 Conditions Precedent to Bond Issuance. The Authority covenants that upon the date of the issuance of any of the Bonds, all conditions, acts and things required by the Constitution or statutes of the State of Florida, or by the Act or this Trust Agreement, to exist, to have happened and to have been performed precedent to or in the issuance of such Bonds shall exist, have happened and have been performed.

Section 7.18 Tax Covenant. The Authority covenants with the holders of each Series of Tax-Exempt Bonds issued hereunder to comply with those tax law requirements applicable to such Series as set forth in tax covenants included in the Supplemental Trust Agreement executed with respect to that Series.

Section 7.19 Senior PFC Indebtedness. The Authority covenants that it will not issue Senior PFC Indebtedness payable from PFC Revenues having a lien thereon superior to the lien thereon created by this Trust Agreement unless (i) the Authority is not in default hereunder at the time of issuance thereof, (ii) the Authority shall have delivered to the Trustee a certificate to the effect that it is in compliance with the PFC Act, the PFC Regulations and the PFC Approvals and that the Senior PFC Indebtedness is being issued for the purpose of funding the cost of PFC Projects, and (iii) the Authority shall have delivered to the Trustee on or immediately prior to the issuance of such Senior PFC Indebtedness a statement of the Airport Consultant that in his opinion, the PFC Revenues to be received by the Authority during the Fiscal Year in which such Senior PFC Indebtedness is issued and for each Fiscal Year thereafter through the Period of Review, shall not be less than One Hundred Twenty-Five percent (125%) of an amount equal to the largest amount of principal, interest and the required deposits into a redemption account or amortization fund that will mature or become due in any succeeding Fiscal Year on account of all Senior PFC Indebtedness and PFC Bonds then Outstanding (including the Senior PFC Indebtedness proposed to be issued but excluding any Senior PFC Indebtedness or PFC Bonds to be defeased by the issuance of such Senior PFC Indebtedness).

For purposes of determining compliance with the foregoing requirements, the following rules will apply:

- (i) Airport Consultant may assume (a) that the rate of the levy of Passenger Facility Charges constituting a part of the PFC Revenues in effect on the date of issuance of such Series will be in effect for the entire forecast period, and (b) a higher rate to the extent legislation has been enacted to permit an increase in Passenger Facility Charges if the Authority has taken all action required to impose and use such increased charges at Tampa International Airport pursuant to such legislation prior to the date of the Airport Consultant's Report; and
- (ii) The Airport Consultant, in making its forecast shall assume that the percentage of enplaned passengers subject to Passenger Facility Charges during the forecast period will not exceed the average percentage during the three fiscal years immediately preceding the year the report of the Airport Consultant is issued.

**ARTICLE VIII.
REMEDIES**

Section 8.01 [Intentionally Deleted].

Section 8.02 Events of Default. Each of the following events is hereby declared an "event of default":

(a) payment of the principal and premium, if any, or the making of any deposits into the Redemption Account, of or for any of the Bonds shall not be made when the same shall become due and payable, either at maturity or on required payment dates by proceedings for redemption or otherwise; or

(b) payment of any installment of interest shall not be made within thirty (30) days after the same shall become due and payable; or

(c) the Authority shall for any reason be rendered incapable of fulfilling its obligations hereunder; or

(d) final judgment for the payment of money shall be rendered against the Authority as a result of the ownership and control of said Airport System and any such judgment shall not be discharged within ninety (90) days from the entry thereof or an appeal shall not be taken therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, in such manner as to conclusively set aside or stay the execution of or levy under such judgment, order, decree or process or the enforcement thereof; or

(e) an order or decree shall be entered, with the consent or acquiescence of the Authority, appointing a receiver or receivers of said Airport System or the Revenues derived therefrom, or if such order or decree, having been entered without the consent or acquiescence of the Authority, shall not be vacated or discharged or stayed on appeal within ninety (90) days after the entry thereof; or

(f) any proceedings shall be instituted, with the consent or acquiescence of the Authority, for the purpose of effecting a composition between the Authority and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statutes now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Revenues derived from said Airport System or other moneys pledged therefor; or

(g) the Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Trust Agreement on the part of the Authority to be performed, and such default shall continue for one hundred eighty (180) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority by the Trustee, or such longer period as may be reasonably required to cure such default as long as the Authority diligently pursues such cure, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written direction of the holders of not less than thirty-three per centum (33%) in principal amount of the Bonds then Outstanding.

Section 8.03 Remedies. Upon the happening and continuance of any event of default specified in Section 8.02 of this Article, then and in every such case the Trustee may proceed, and upon the written request of the holders of not less than twenty-five per centum (25%) in principal amount of the Bonds then Outstanding hereunder shall proceed, subject to the provisions of Section 9.02 of this Trust Agreement, to protect and enforce its right and the rights of the Bondholders under the laws of the State of Florida, or under this Trust Agreement by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board, body or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights. Such remedy shall include the right to the appointment of a receiver for said Airport System, which receiver shall be under the duty of collecting and distributing the rentals and other income thereof pursuant to the provisions and requirements of this Trust Agreement. Additionally, the rights and remedies which the Trustee may or shall exercise include, but are not limited to, all or any of the following; provided, however, that no Bond issued hereunder may be declared due and payable before its scheduled maturity or redemption date:

(a) The right in its own name by any action, writ, or other proceeding to enforce all rights of the Bondholders, including the right to require the Authority to perform its duties under this Trust Agreement and the Act;

(b) The right to bring an action upon all or any part of the Bonds or claims appurtenant thereto;

(c) The right, by action, to require the Authority to account as if it were the trustee of an express trust for the Bondholders; or

(d) The right, by action, to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

In the enforcement of any remedy under this Trust Agreement the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining due from the Authority for principal, premium, interest or otherwise under any of the provisions of this Trust Agreement or of the Bonds and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bond together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Authority, but solely as provided herein and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from moneys in the Sinking Fund and any other moneys available for such purpose) in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 8.04 Application of Funds After Default. If at any time the moneys in the Sinking Fund shall not be sufficient to pay the principal of or the interest on the Bonds and the Qualified Hedge Payments as the same become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied (1) to the payment of all installments of interest and Qualified Hedge Payments then due, in the order of the maturity of the installments of such interest and Qualified Hedge Payments, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds or the Qualified Hedge Payments, and (2) to the payment of all installments or principal then due in the order of the maturity of such installments of principal.

(b) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, or any Qualified Hedge Payment over any payment due with respect to the Bonds, ratably, according to the amounts due, respectively, for principal, interest and Qualified Hedge Payments, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

The provisions of this Section are in all respects subject to the provisions of Section 8.01 of this Article.

Whenever moneys are to be applied to the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys

available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of any of such moneys with any of the Paying Agents, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances and ultimately applies the same in accordance with such provisions of this Trust Agreement as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to the holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.05 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 8.06 Holders' Control of Proceeding. Anything in this Trust Agreement to the contrary notwithstanding, the holders of a majority in principal amount of the Bonds then Outstanding hereunder shall have the right, subject to the provisions of Section 9.02 of this Trust Agreement, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Trust Agreement, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 8.07 Restriction on Bondholder's Action. No holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder or for any other remedy hereunder unless such holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be taken, and unless the holders of not less than twenty-five per centum (25%) in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of

this Trust Agreement or for any other remedy hereunder. It is understood and intended that no one or more holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Trust Agreement, or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of the Outstanding Bonds.

Section 8.08 Proceedings by Trustee. All rights of action under this Trust Agreement or under any of the Bonds secured hereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the holders of such Bonds subject to the provisions of this Trust Agreement.

Section 8.09 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or equity or by statute.

Section 8.10 Waivers and Delays in Enforcement. No delay or omission of the Trustee or of any holder of the Bonds to exercise any right or power accruing, upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Trust Agreement to the Trustee and the holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient; provided, however, no such power or remedy may be exercised in the case of a default where such particular default has later been cured with or without the exercise of such power or remedy.

The Trustee may, and upon written request of the holders of not less than a majority in principal amount of the Bonds then Outstanding shall, waive any default which shall have been remedied before the entry of any judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Trust Agreement or before the completion of the enforcement of any other remedy under this Trust Agreement, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 8.11 Notice of Default to Holders. The Trustee shall mail or electronically deliver (which may be satisfied by filing on EMMA) to all Bondholders who shall have filed their names and addresses with the Trustee for such purpose, written notice of the occurrence of any event of default set forth in clauses (a) or (b) of Section 8.02 of this Article within thirty (30) days after any such event of default shall have occurred. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail or deliver any such notice.

**ARTICLE IX.
CONCERNING THE TRUSTEE**

Section 9.01 Acceptance of Duties. The Trustee accepts and agrees to execute the trusts imposed upon them by this Trust Agreement, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Trust Agreement, to all of which the parties hereto and the respective holders of the Bonds agree. The Trustee shall not be liable for the acts of the other or the failure of the other to act. All funds created under this Trust Agreement to be held by the Trustee shall be administered as trust funds as herein provided.

Section 9.02 Trustee's Duties as to Proceedings. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Trust Agreement, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trust hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment reasonably proper to be done by it as such Trustee, without indemnity, and in any such case the Authority shall reimburse the Trustee from the rentals and other income derived from said Airport System for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make such reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Trust Agreement and shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 9.03 Trustee's Duties as to Insurance; Validity. The Trustee shall be under no obligation, except as provided in Article VII hereof, to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Authority, or to report, or make or file claim or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessment, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity or sufficiency of this Trust Agreement or the due execution or acknowledgment thereof, or in respect of the validity of the Bonds or the due execution or issuance thereof.

Section 9.04 Responsibilities as to Collections, Deposits and Application of Funds. The Trustee shall not be liable or responsible because of the failure of the Authority or any of its employees or agents to make any collections or deposits or to perform any act herein required of them or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other Depository or paying agent other than itself in which such moneys shall have been deposited under the provisions of this Trust Agreement. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred in accordance with the provisions of this Trust Agreement. The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.05 Compensation. Subject to the provisions of any contract between the Authority and the Trustee, the Authority shall from the Revenues derived from said Airport System and other moneys pledged herein, pay to the Trustee reasonable compensation for all services performed by it hereunder and also all of its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and execution of the trusts hereby created and the performance of its powers and duties hereunder, and, from such Revenues derived from said Airport System only, subject to applicable law, shall indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to its own negligence or default. If the Authority shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Trust Agreement and shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 9.06 Reliance. In case at any time it shall be necessary or desirable for the Trustee to make an investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee and in any case in which this Trust Agreement provides for permitting or taking any action, the Trustee may rely upon any certificate required or permitted to be filed with it under the provisions of this Trust Agreement, and any such certificate shall be evidence of such fact to protect the Trustee in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Trust Agreement, any request, notice or other instrument from the Authority to the Trustee shall be deemed to have been signed by the proper party or parties if signed by the Chairman and Secretary of the Authority and the Trustee may accept a certificate signed by said Secretary as to any action taken by the Authority.

Section 9.07 Notice of Events. Except as otherwise provided in this Trust Agreement, the Trustee shall not be obligated to take notice or be deemed to have notice of any event of default hereunder except as to the funds held by it or other defaults actually known to it unless specifically notified in writing of such event of default by a holder or holders of said Bonds.

Section 9.08 Trustee as Bondholder. The bank or trust company acting as Trustee under this Trust Agreement, and their respective directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued under and secured by this Trust Agreement and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Trustee under this Trust Agreement.

Section 9.09 Authority's Representations. The recitals, statements and representations contained herein and in the Bonds (excluding the Trustee's certificate on the Bonds) shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee assumes, and shall be under, no responsibility for the correctness of the same.

Section 9.10 Actions in Good Faith. The Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Trust Agreement, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document

which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of the Trust Agreement, or upon the written opinion of any attorney, engineer or accountant believed by the Trustee to be qualified in relation to the subject matter. The Trustee shall not be bound to recognize any person as a holder of any Bond or to take any action at his request unless proof of ownership of such Bond satisfactory to the Trustee has been exhibited to or deposited with the Trustee.

Section 9.11 Resignation. The Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing to be given to the Authority and to any Bondholder who has filed his name and address with the Trustee for such purpose and posting such notice on EMMA, not less than sixty (60) days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Trustee hereunder, if such Trustee shall be appointed before the time limited by such notice and shall then accept the trusts hereof.

Section 9.12 Removal. The Trustee may be removed by the Authority at any time and a successor Trustee may be appointed hereunder by the Authority; provided, however, that no successor Trustee shall be appointed by the Authority under this Section or Section 9.13 without the written approval of the original purchaser of the Bonds, or the corporate successor or successors of the original purchaser.

Section 9.13 Vacancies; Successor Trustee. If at any time hereafter the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting, as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If at any time moneys on deposit with the Trustee shall not be secured as required in Section 6.01 of this Trust Agreement, a vacancy in the position of Trustee may be declared by a resolution duly passed by the Authority. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, the Authority shall appoint a Trustee to fill such vacancy.

If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article, the holder of any Bond Outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee hereafter appointed shall be a bank or trust company duly authorized to exercise corporate trust powers and subject to examination by a United States federal or state authority, of good standing, and having a combined capital and surplus aggregating not less than Fifty Million Dollars (\$50,000,000).

Section 9.14 Acceptance by Successor of Duties. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee without any further act, shall become fully vested with all the rights, immunities, powers and trusts, and subject to all the duties and obligations of its predecessor; but such predecessor

shall, nevertheless, on the written request of its successor or of the Authority, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.05 of this Article, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Authority.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Trust Agreement and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the assets and business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 9.15 [Intentionally Deleted].

ARTICLE X. EXECUTION OF INSTRUMENTS OF BONDHOLDERS AND PROOF OF OWNERSHIP OF BONDS

Section 10.01 Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by Bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of this Trust Agreement, and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument, if made in the following manner:

(A) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution.

(B) The fact of the holding of Bonds hereunder by any Bondholder and the number of such Bonds and the date of his holding the same (unless such Bonds be registered) may be proved by the affidavit of the person claiming to be such holder, if such affidavit shall be deemed by the Trustee to be satisfactory, or by a certificate executed by any trust company, bank, banker or any other depository, wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with such trust company, bank, banker or other depository the Bonds described in such certificate. The Trustee may conclusively assume that such ownership continues until written notice to the contrary is served upon the Trustee. The ownership of Bonds registered as to principal or as to

principal and interest shall be proved by the registration books kept by the Trustee under the provisions of this Trust Agreement.

None of the provisions contained in this Article, however, shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which to it may seem sufficient. Any request or consent of the holder of any Bond shall bind every future holder of the same Bond in respect of anything done by the Trustee in pursuance of such request or consent.

ARTICLE XI. SUPPLEMENTAL TRUST AGREEMENTS

Section 11.01 Supplements Not Requiring Bondholder Consent. The Authority and the Trustee may, from time to time and at any time, enter into such supplemental trust agreements as shall not be inconsistent with the terms and provisions of this Trust Agreement (which supplemental trust agreements shall thereafter form a part hereof):

(A) To cure any ambiguity or formal defect or omission in this Trust Agreement or in any supplemental trust agreement, or

(B) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or

(C) To make any other changes or modifications to or to otherwise amend the Trust Agreement in any manner that does not materially adversely affect the interests or rights of any of the holders of the Bonds issued pursuant to the terms hereof and then Outstanding; or

(D) To the extent necessary, as evidenced by an Opinion of Bond Counsel, to preserve the exclusion of interest on the Tax-Exempt Bonds Outstanding from gross income for federal income tax purposes. For purposes hereof, "Tax-Exempt Bonds" shall mean Bonds issued hereunder, the interest on which was intended at the time of issuance thereof to be excludable from gross income of the holders thereof for federal income tax purposes.

No such amendment shall affect the payment of debt service on the Bonds when due unless the Bond Insurer shall have first consented to such amendments.

Section 11.02 Modifications Requiring Bondholder Consent. Subject to the terms and provisions contained in this Section and not otherwise, the holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, from time to time, anything contained in this Trust Agreement to the contrary notwithstanding, to consent to and approve the execution by the Authority and the Trustee, as the case may be, of such supplemental trust agreement as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Trust Agreement or in any supplemental trust agreement; provided, however, that nothing herein contained shall permit, or be construed as permitting (a) an extension of the maturity of principal of or the interest on any Bond issued hereunder, or (b) a reduction in the principal amount of any Bond or the redemption premium or the rate of interest

thereon, or (c) the creation of a lien upon or pledge of the Revenues derived from said Airport System or other moneys pledged herein ranking prior to the lien or pledge created by this Trust Agreement for the Bonds, or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental trust agreement. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders of the execution of any supplemental trust agreement as authorized in Section 11.01 of this Article.

If at any time the Authority shall request the Trustee to enter into any supplemental trust agreement for any of the purposes of this Section, the Trustee shall, at the expense of the Authority, cause notice of the proposed execution of such supplemental trust agreement to be posted on EMMA, and, on or before the date of the posting of such notice, the Trustee shall also cause a similar notice to be mailed, postage prepaid, or electronically delivered to all registered owners of Bonds then Outstanding, at their addresses as they appear on the registration books and to all other Bondholders who shall have filed their names and addresses with the Trustee for such purpose. Such notice shall briefly set forth the nature of the proposed supplemental trust agreement and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Bondholders. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to post, mail or deliver the notice required in this Section, and any such failure shall not affect the validity of such supplemental trust agreement when consented to and approved as provided in this Section.

Whenever the Authority shall deliver to the Trustee an instrument or instruments purporting to be executed by the holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed supplemental trust agreement described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice as on file with the Trustee, thereupon, but not otherwise, the Trustee may execute such supplemental trust agreement in substantially such form, without liability or responsibility to any holder of any Bond, whether or not such holder shall have consented thereto. Holders of Bonds issued pursuant to Supplemental Trust Agreements containing such amendments and providing that the holders of such Bonds, by acceptance thereof, consent to and approve the terms thereof, shall be deemed to have consented to such amendments for all purposes hereof.

If the holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of such supplemental trust agreement shall have consented to and approved the execution thereof as herein provided, no holder of any Bonds shall have any right to object to the execution of such supplemental trust agreement or to object to any of the terms and provisions contained therein or in the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental trust agreement pursuant to the provisions of this Section, this Trust Agreement shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Trust Agreement of the Authority, the Trustee and all holders of Bonds then Outstanding, shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

To the extent permitted by law, at the time of issuance or remarketing of Bonds issued under this Trust Agreement, a broker, dealer or municipal securities dealer, serving as underwriter or remarketing agent for such Bonds, may provide consent to amendments to this Trust Agreement on behalf of all subsequent Holders of such Bonds. In addition, Holders of Bonds issued under the Trust Agreement may be deemed to have provided consent to amendments to the Trust Agreement pursuant to this Section 11.02 if the Bonds or the offering document for such Bonds expressly describes the amendments to Trust Agreement contained therein and states by virtue of the purchase of such Bonds, the Holders are deemed to have notice of, and have consented to, such amendments.

Section 11.03 Trustee Joinder. The Trustee is authorized to join with the Authority in the execution of any such supplemental trust agreement and to make the further agreements and stipulations which may be contained therein. Any supplemental trust agreement executed in accordance with the provisions of this Article shall thereafter form a part of this Trust Agreement and all of the terms and conditions contained in any such supplemental trust agreement as to any provisions authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Trust Agreement for any and all purposes. In case of the execution and delivery of any supplemental trust agreement, express reference may be made thereto in the text of any Bonds issued thereafter, if deemed necessary or desirable by the Trustee or the Authority.

Section 11.04 Trustee's Reliance on Opinions. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be Bond Counsel or counsel for the Authority, and the reports or certificates of the Airport Consultant or the Authority's financial advisors, as conclusive evidence that any such proposed supplemental trust agreement does or does not comply with the provisions of this Trust Agreement, and that it is or is not proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental trust agreement.

Section 11.05 Approved Conceptual Amendments³. The holders of more than two-thirds (2/3rds) of the Outstanding Bonds, by acceptance of their respective Bonds, have consented to and approved the following amendments to this Trust Agreement, it being understood and agreed that the provisions set forth below are conceptual and descriptive in nature only and that such consent and approval shall apply to definitive provisions approved by the Authority and the Trustee which embody the intent, and are not inconsistent with, the generalized descriptions of the amendments set forth below:

(A) This Trust Agreement may be amended to authorize and permit the issuance of zero coupon bonds, deep discount bonds, commercial paper, variable rate obligations, tender bonds, designated maturity bonds and other similar or dissimilar project financing vehicles, and derivative products related to such financing including hedges, caps, collars, swaps and similar products. It is contemplated within this general authorization that debt may mature and become payable as frequently as daily. Definitive provisions reflecting the intent of this paragraph will contain methodology or techniques for calculating annual bond service requirements and similar provisions relating to the Rate Covenant, amounts deposited into the Reserve Fund, tests with

respect to the issuance of Additional Bonds, the Bond Obligation to be used for voting and consent purposes, and the like. Provisions may also be added with respect to liquidity facilities required in connection with the issuance of such financing techniques. Any such changes in the Additional Bonds test, the methodology for calculation of the debt service requirements in any year, the Authority's Rate Covenant or the reserve funding requirements that arise from the issuance of such debt products shall be subject to the consent of each respective Bond Insurer, which consent will not be unreasonably withheld.

(B) The definition of "Gross Revenues" or "Revenues" may be amended to specifically exclude, in addition to the moneys theretofore excluded from the definition of that term, all the revenue sources available to the Authority that are not directly related to the handling of passengers and greeters to, from and around the airport facilities or the granting of rights in or with respect to the core terminal facilities. (Airline landing fees and parking revenues, and fees generated from leases and concessionaire agreements in or with respect to the core terminal facilities, shall, for all purposes of this Trust Agreement, be treated as Gross Revenues.) Any such amendment shall provide that before it shall become effective, the Authority shall submit to the Trustee (i) a certificate to the effect that the remaining Revenues in the year in which the exclusion is to be made will be sufficient to meet the Authority's Rate Covenant in such year and (ii) a certificate from an Airport Consultant reasonably acceptable to the Bond Insurer to the effect that, based on its projections and subject to customary assumptions and limitations, the deletion of such revenues from the lien of this Trust Agreement will not adversely affect the Authority's ability to meet the Authority's Rate Covenant in each of the five Fiscal Years following the effective date of such amendment.

(C) Article IV of this Trust Agreement may be amended to provide that separate Construction Accounts may be established for each series of Additional Bonds and that the provisions with respect to such Construction Accounts as set forth in Supplemental Trust Agreements executed in connection with such Additional Bonds may supersede any of the requirements for the Construction Fund contained in Article IV of this Trust Agreement.

(D) The flow of funds contained in Article V may be amended in the following respects:

(i) The Authority shall be free to add additional funds and accounts (including without limitation, accounts with respect to Subordinated Indebtedness and liquidity and credit enhancement products), to arrange the priority of such funds and accounts, and to delete funds and accounts, or modify their funding requirements, in each case with respect to such funds and accounts that are funded subsequent to the funding of the Reserve Fund (and subsequent to the funding of any accounts created for the payment of liquidity reimbursements and subordinated indebtedness if such accounts have been added); provided, however, that the deposit requirements with respect to the Operating Reserve Account as set forth in Section 5.02(G) shall not be reduced or eliminated. In addition, the Authority shall not be restricted as to the amounts it may deposit in the Surplus Fund. If the flow of funds is modified pursuant to the foregoing, the Authority may in connection therewith, make concurrent amendments to the Authority's Rate Covenant to take into account the addition, deletion or modification of such funds or accounts; provided, however, that the Authority shall always be obligated to charge rates

that will provide revenues sufficient to pay Operating Expenses and debt service on the Bonds when required or due, and to fully fund at least once each year the deposit requirements into the Operating Reserve Account and any capital replacement fund then in effect.

(ii) The specific provisions for deposits into the Sinking Fund may be added to comply with the funding requirements for commercial paper, variable rate obligations, demand obligations and similar types of financing structures that may be authorized pursuant to the Supplemental Trust Agreements.

(iii) Section 5.02(D) may be amended to permit separate reserve accounts for each issue of Additional Bonds, and the funding requirements with respect thereto, all as specified in the Supplemental Trust Agreements executed in connection with such Additional Bonds. Following such amendment, the holders of Bonds of a Series will have a lien only on the reserve account created and funded with respect to such Bonds. It is intended that such Supplemental Trust Agreements may provide for the deferred funding of such reserve accounts, or contemplate reserve insurance, letters of credit, surety bonds or other reserve credit facilities in lieu of a cash reserve, and that the existence, sizing criteria and other matters with respect to reserves for any issue of Additional Bonds shall all be specified in each such Supplemental Trust Agreement.

(E) Article VI may be amended to permit the Authority to invest any of the funds and accounts held under or pursuant to the terms of this Trust Agreement, other than the Sinking Fund and the Reserve Fund, in any investments (and with such collateralization, if any, and maturity), as may be permitted for political subdivisions under the laws of the State of Florida. The Reserve Fund with respect to all Bonds Outstanding prior to the effective date of such an amendment shall remain subject to the investment limitations previously contained in this Trust Agreement.

(F) Article VIII may be amended (i) to eliminate the right of acceleration for any Bonds Outstanding and (ii) to permit the Bond Insurer with respect to any series of Additional Bonds, to exercise rights and remedies on behalf of the holders of Bonds it insures, in the manner and to the extent permitted pursuant to the terms of the Supplemental Trust Agreement executed in connection with the issuance of such Additional Bonds.

(G) Article IX may be amended to eliminate the preference in favor of the Trustee with respect to moneys held by it hereunder, for payment of the fees and costs of the Trustee under this Trust Agreement and to allow the Authority to change the Trustee at any time without the consent of the holders of any of the Bonds.

(H) Article XI may be amended to permit any other amendments that would not materially adversely affect the Authority's ability to meet the Authority's Rate Covenant; provided, however, that no such amendment that affects the payment of debt service on the Bonds when due shall be made without the consent of each respective Bond Insurer.

(I) The definition of “Special Purpose Facility” contained in Article XIII may be amended to include any capital project generally relating to airport operations or ancillary services, wherever such projects may be located.

(J) This Trust Agreement may be amended to provide that the Authority may treat the Bond Insurer as the holder of all Bonds Outstanding under this Trust Agreement that are insured by it, for all purposes of this Trust Agreement, or for any limited purpose specified in the Supplemental Trust Agreement executed in connection with such insured Additional Bonds.

The Authority covenants that it will provide each of the national rating agencies then carrying an effective rating on the Bonds with a copy of any amendments made to this Trust Agreement pursuant to the provisions hereof; however, failure to timely provide such notice shall not affect the validity of any such amendment or cause a default under this Trust Agreement.

ARTICLE XII. DEFEASANCE

Section 12.01 Defeasance. If, when the Bonds, or any Series, maturity or portion thereof secured hereby shall have become due and payable in accordance with their terms or otherwise as provided in this Trust Agreement or shall have been duly called for redemption or irrevocable instructions to call such Bonds for redemption shall have been given by the Authority to the Trustee, the whole amount of the principal and the interest and the premium, if any, so due and payable upon such Bonds shall be paid, or sufficient moneys shall be held in trust or in escrow by the Trustee or the Paying Agents and irrevocably set aside for the payment or redemption of such Bonds which, when invested in direct obligations of the United States of America or other securities so designated by Supplemental Trust Agreement for such Bonds, maturing not later than the maturity or designated redemption dates of such principal, interest and redemption premiums, if any, will, together with the income realized on such investments, be sufficient to pay all such principal, interest and redemption premiums, if any, on such Bonds at their scheduled due dates, maturity dates and optional or mandatory redemption dates, then such Bonds shall be deemed paid and no longer be deemed Outstanding for purposes of this Trust Agreement, all liabilities of the Authority to the holders of such Bonds shall cease, terminate and be completely discharged and extinguished, and such Holders shall be entitled to payment of such Bonds solely from moneys and securities so deposited.

If all Bonds Outstanding hereunder shall be deemed paid pursuant to the foregoing provisions and provisions shall also be made for paying all Qualified Hedge Payments, Reimbursement Obligations and Derivative Non-Scheduled Payments in accordance with their terms and all other sums payable hereunder by the Authority, then and in that case the right, title and interest of the Trustee shall thereupon cease, determine and become void, and the Trustee in such case, on demand of the Authority, shall release this Trust Agreement and shall execute such documents to evidence such release as may be reasonably required by the Authority, and shall turn over to the Authority, or such officer, board or body as may then be entitled by law to receive the same, any surplus in any account in the Sinking Fund and all balances remaining in any other funds or accounts other than moneys held for redemption or payment of Bonds; otherwise this Trust Agreement, shall be, continue and remain in full force and effect.

**ARTICLE XIII.

Section 13.02 Authority to Issue Special Purpose Bonds. Before any Special Purpose Facilities shall be constructed or acquired by the Authority, the Authority, pursuant to this Article XIII, shall adopt a resolution describing in reasonable detail, sufficient for identification thereof, the Special Purpose Facilities to be constructed or acquired by the Authority, authorizing the issuance of Special Purpose Bonds to finance the cost of construction or acquisition of such Special Purpose Facilities and prescribing the rights, duties, remedies, and obligations of the Authority and the holders, from time to time, of such Special Purpose Bonds.

determined by the parties to such lease to be a fair and reasonable rental for the land on which said Special Purpose Facilities are constructed.

ARTICLE XIV. MISCELLANEOUS PROVISIONS

Section 14.01 Successor Paying Agents. Any bank or trust company with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Trust Agreement. If the position of any Paying Agent shall become vacant for any reason, the Authority shall, within thirty (30) days thereafter, appoint a bank or trust company located in the same city as Paying Agent to fill such vacancy; provided, however, that if the Authority shall fail to appoint such Paying Agent within said period, the Trustee shall make such appointment.

Section 14.02 Notices. Any notice, demand, direction, request or other instrument authorized or required by this Trust Agreement to be given to or filed with the Authority, the Trustee shall be deemed to have been sufficiently given or filed for all purposes of this Trust Agreement if and when sent by registered mail, return receipt requested:

Section 14.04 Limitation of Liability. Nothing in the Bonds or in this Trust Agreement shall create or constitute or be construed as creating or constituting an indebtedness of the Authority, the County of Hillsborough, the City of Tampa, or any other political subdivision in said County, within the meaning of any constitutional or statutory debt limitation or provision, nor a lien upon any property of the Authority, said County, City, or other political subdivision in said County, except the Revenues derived from said Airport System and other moneys pledged in the manner hereinafter provided. No holder of any Bond issued hereunder shall ever have the right to require the exercise of the ad valorem taxing power of the Authority, the County of Hillsborough, the City of Tampa, or any other political subdivision in said County, for the payment of the principal of or any interest on any Bonds or the making of any payments required by this Trust Agreement.

In case any one or more of the provisions of this Trust Agreement or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Trust Agreement or of said Bonds, but this Trust Agreement and said Bonds shall be construed and enforced as if such illegal and invalid provision had not been contained therein. In case any covenant, stipulation, obligation or agreement contained in the Bonds or in this Trust Agreement shall for any reason be held to be in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the parties thereto to the extent permitted by law.

Section 14.06 Members Not Liable. excluded from participating in any activities covered by such requirements on the grounds of race, creed, color, national origin, or sex. Trustee, if required by such requirements, will provide assurances to Authority that Trustee will undertake an affirmative action program and will require the same of its subconsultants.

EXHIBIT “A”

AMENDMENT TO DEFINITION OF RESERVE REQUIREMENT

[To become effective once the 2017A Bonds, the 2018B Bonds and the 2018C Bonds have been retired or defeased.]

The definition of Reserve Requirement set forth below will become effective and will replace the definition of Reserve Requirement in the body of the Codified Trust Agreement upon the consent of all the Bonds Outstanding under this Trust Agreement. As of the effective date of this Codified Trust Agreement, only the holders of the 2018 Series E Bonds and the 2018 Series F Bonds, and the holders of the 2022 Bonds, have consented to this amendment.

“Reserve Requirement” shall mean:

(a) with respect to Bonds to be secured by the common Reserve Account in the Reserve Fund, an amount equal to the least of (i) the Maximum Annual Principal and Interest Requirement, calculated with respect to all Series of Bonds Outstanding hereunder that are secured by the common Reserve Account, (ii) 125% of the average Annual Principal and Interest Requirement, calculated with respect to all Series of Bonds Outstanding hereunder that are secured by the common Reserve Account, or (iii) 10% of the aggregate of the stated original principal amount on the date of issue of each Series of Bonds Outstanding hereunder that is secured by the common Reserve Account; provided, however, that in determining the stated original principal amount of a Series of Bonds for the purposes of this clause (iii), the issue price (as defined by the Code) of that Series of Bonds (net of pre-issuance accrued interest) shall be substituted for the original stated principal amount of that Series of Bonds if such Series of Bonds was sold at either an original issue discount or premium exceeding two percent (2%) of the stated principal amount at maturity; and

(b) with respect to each Series of Bonds for which a separate Reserve Account is established pursuant to the terms hereof other than the common Reserve Account, the aggregate amount, if any, required to be deposited in such separate Reserve Account, as specified in the respective Supplemental Trust Agreement entered into in connection with the issuance of such Additional Bonds hereunder. If, pursuant to any such Supplemental Trust Agreement, the Authority is authorized to fund the initial designated amount, or deficiencies therein, over time, the Reserve Requirement for any period shall include only the incremental portion of the deposit requirement for that series of Additional Bonds as specified in the Supplemental Trust Agreement authorizing the issuance of such Additional Bonds. If the Reserve Requirement for any separate account in the Reserve Fund other than the common Reserve Account takes into account the Annual Principal and Interest Requirement, that Reserve Requirement shall be calculated only with respect to the Bonds of the Series secured by that separate account.

The calculation of the Reserve Requirement as to Bonds secured by the common Reserve Account shall be subject to the following rules:

(1) The term “Annual Interest and Principal Requirement” for a given Bond Year shall mean the sum of:

(i) The amount required to pay the interest coming due on Bonds during that Bond Year;

(ii) The amount required to pay the principal of Serial Bonds in that Bond Year, and the principal of Term Bonds maturing in that Bond Year that are not included in the Sinking Fund Installments for such Term Bonds; and

(iii) The Sinking Fund Installments for all series of Term Bonds for that Bond Year.

(2) The term “Maximum Annual Interest and Principal Requirement” shall mean, as of any particular date of calculation, the largest Annual Interest and Principal Requirement for any remaining Bond Year, except that with respect to any Bonds for which Sinking Fund Installments have been established, the amount of principal coming due on the final maturity date with respect to such Bonds shall be reduced by the aggregate principal amount of such Bonds that are to be redeemed from Sinking Fund Installments to be made in prior Bond Years.

(3) If Variable Rate Bonds are then Outstanding, the interest rate on such Bonds for purpose of determining the Annual Interest and Principal Requirement shall be calculated pursuant to the provisions included in the definition of Debt Service Requirement herein.

Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day, whether or not a business day, preceding the date of mailing.

Payment of principal of, upon presentation and surrender, or interest on Bonds of this Series may, at the election of a registered owner of \$1,000,000 or more in aggregate principal amount of Bonds of this Series, by written request delivered to the Trustee at least 10 days prior to the applicable Record Date, be transmitted to such registered owner by wire transfer to an account in the continental United States designated by such registered owner. This Bond and the interest and premium, if any, hereon are payable solely from and secured on a parity with certain Bonds of the Authority heretofore issued under a Trust Agreement dated as of October 1, 1968, by and among the Authority and The Chase Manhattan Bank (National Association), as predecessor to the Trustee, as codified and restated effective as of August 22, 2024, as amended, and agreements supplemental thereto (collectively, the “Trust Agreement”), pursuant and subject to the provisions, terms and conditions of Resolution No. ___ - ___ adopted by the Authority on _____, 20__ (the “Resolution”), and the Supplemental Trust Agreement, dated as of _____, 20__ (the “Supplemental Trust Agreement”), by and among the Authority and the Trustee by an equal lien on the revenues derived from the Airport System of the Authority and other moneys pledged therefor in the manner provided in the Trust Agreement and the Supplemental Trust Agreement. Reference is hereby made to the Resolution, the Trust Agreement and the Supplemental Trust Agreement for the provisions, among others, relating to the terms of and lien and security for the Bonds, the custody and application of the proceeds of the Bonds, the rights and remedies of the registered owners of the Bonds and the extent of and limitations on the Authority’s rights, duties and obligations, the provisions permitting the issuance of additional parity indebtedness, and circumstances under which the lien to which this Bond is entitled under the Trust Agreement and the Supplemental Trust Agreement may be released and defeased, to all of which provisions the Registered Owner for himself and his successor in interest assents by acceptance of this Bond.

This Bond shall not be nor constitute a general indebtedness of the Authority, Hillsborough County, the City of Tampa, or any other political subdivision in the State of Florida, within the meaning of any constitutional, statutory or charter provision or limitation, and it is expressly agreed that this Bond and the obligation evidenced hereby shall not constitute nor be a lien upon any property of the Authority, except the revenues derived from the Airport System and other moneys pledged therefor, or of Hillsborough County, the City of Tampa or any other political subdivision in the State of Florida, and no registered owner of this Bond shall ever have the right to require or compel the exercise of the ad valorem taxing power of the Authority, Hillsborough County, the City of Tampa or any other political subdivision in the State of Florida, for the payment of this Bond or any interest due hereon and the Authority is not and shall never be under any obligation to pay the principal of or interest on this Bond except from the revenues derived from the Airport System and other moneys pledged therefor, in the manner provided in the Trust Agreement and the Supplemental Trust Agreement. It is further agreed between the Authority and the Registered Owner of this Bond that this Bond and the indebtedness evidenced hereby shall not constitute a lien upon the Airport System, or any part thereof, or any other tangible personal property of or in the Authority, but shall constitute a lien only on certain Revenues derived from the operation of the Airport System and certain other funds and investment earnings thereon, all in the manner and to the extent provided in the Trust Agreement

and the Supplemental Trust Agreement. Neither the members of the Authority nor any person executing the Bonds shall be liable personally on the Bonds by reason of their issuance.

Each Sinking Fund Installment of this Bond shown above under “Amounts to be Redeemed” shall be treated as principal payments on Serial Bonds for purposes of Section 5.02(C) of the Trust Agreement.

A notice of the redemption of any of said Bonds shall be sent to the registered owners of such Bonds by regular mail, postage prepaid, or by electronic delivery, in either case at their addresses as they appear on the registration books, at least twenty (20) days prior to the redemption date in the manner provided in the Trust Agreement and Supplemental Trust Agreement; provided, however, that failure to so mail such notice to such registered owners, or any defect therein, shall not affect the validity of the proceedings for redemption of Bonds with respect to which no such failure or defect occurred. The Bonds so duly called for redemption

shall become and be due and payable at the redemption price provided for such Bonds or portions thereof on the dates designated for redemption, and when the necessary moneys shall have been deposited with, or shall be held by, the Trustee or Paying Agents, interest on such Bonds called for redemption shall cease to accrue on the dates designated for redemption, and the holders or registered owners of said Bonds called for redemption shall not have any lien, rights, benefits or security under the Trust Agreement and Supplemental Trust Agreement, except to receive payment of the redemption price on the designated date of redemption from moneys deposited with or held by the Trustee or Paying Agents for such redemption of such Bonds. Any notice mailed in accordance with the foregoing requirements shall be conclusively presumed to have been duly given, whether or not the Registered Owner actually receives such notice. Any notice of redemption may state that the redemption contemplated therein is conditioned upon the occurrence of certain events or circumstances described therein as contemplated in the Trust Agreement, as amended, or may be revoked for any other reason, in which case the Authority will not be obligated to redeem such Bonds unless the events therein described have occurred.

The Registered Owner hereof, by acceptance of this Bond, hereby consents to the terms and provisions of the Trust Agreement, including the conceptual amendments set forth in Section 11.05 thereof, and those amendments set forth in subsequent Supplemental Trust Agreements, including the 20__ Supplemental Trust Agreement pursuant to which this Bond was issued.

In all cases of a transfer of a Bond, the Registrar shall at the earliest practical time in accordance with the provisions of the Supplemental Trust Agreement enter the transfer of ownership in the registration books and (unless uncertificated registration shall be requested and the Authority has a registration system that will accommodate uncertificated registration) shall deliver in the name of the new transferee or transferees a new fully registered Bond or Bonds of the same series and maturity and of authorized denomination or denominations, for the same aggregate principal amount and payable from the same sources of funds. Neither the Authority nor the Registrar shall be required to register the transfer of any Bond during the twenty-five (25) days next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, after such Bonds or any portion thereof has been selected for redemption. The Authority and the Registrar may charge the owner of such Bond for the registration of every such transfer of a Bond an amount sufficient to reimburse them for any tax, fee or any other governmental charge required (other than by the Authority) to be paid with respect to the registration of such transfer, and may require that such amounts be paid before any such new Bond shall be delivered.

If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the corporate trust office of the Trustee is located are authorized by law or executive

order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Bond, exist, have happened and have been performed in regular and due form and time as required by the Constitution and laws of the State of Florida applicable thereto and that the issuance of this Bond is in full compliance with all constitutional and statutory limitations, provisions and restrictions.
