

APPENDIX G

Consultation and Correspondence

This Appendix will include correspondence and consultation associated with Tampa International Airport Draft Noise Exposure Map (NEM) Update. Due to the COVID-19 pandemic, the Hillsborough County Aviation Authority (HCAA) postponed several consultation and correspondence activities associated with the NEM Update to ensure public health and safety. The HCAA plans to resume consultation and correspondence activities associated with the NEM Update starting in Fall 2021. These include additional meetings with local jurisdictions and presentations to the Community Noise Forum.

**DOCUMENTATION WILL BE COMPILED FOLLOWING THE COMPLETION OF
CONSULTATION AND CORRESPONDENCE ACTIVITIES**
