

## Notice of Intent to Award a Sole Source Procurement

Notice is hereby given that the Hillsborough County Aviation Authority (Authority) intends to award a sole source technical support services contract to Brock Solutions US Systems LLC for the proprietary Brock Smart Suite upper level software and programming used exclusively as the platform for the West Baggage Handling System (BHS) at Tampa International Airport. The Authority intends to begin negotiations with Brock Solutions US Systems LLC on or about October 26, 2020.

The Authority has been under contract with the Brock Solutions US Systems LLC since 2006 to provide technical support of the proprietary software package used to monitor, control and provide required system reports for the BHS equipment located in the main terminal, at Airside C and the A-Sort facility. Brock Solutions US Systems LLC is the software manufacturer and sole provider of the technical services. Authority technicians require continued technical support 24/7/365 from Brock Solutions US Systems LLC in order to resolve complex control system issues encountered in the daily processing of baggage.

Companies who believe they can meet or exceed the above stated requirements must provide, in writing, convincing technical data sufficient to support their position. Responses to this notice will be used to determine whether bona fide competition exists. Send written responses to the Hillsborough County Aviation Authority, Tampa International Airport, 4160 George J. Bean Parkway, Suite 2400, Administration Building, Tampa, Florida 33607, Attention: Anita Hoover, Sr. Procurement Agent. For further information, email [AHoover@TampaAirport.com](mailto:AHoover@TampaAirport.com). Responses must be received by October 23, 2020 at 2:00 p.m. ET.
