

Notice of Intent to Award a Sole Source Procurement

Notice is hereby given that the Hillsborough County Aviation Authority (Authority) intends to award a sole source maintenance contract to Eaton Crouse-Hinds Airport Lighting Products, a division of Cooper Crouse-Hinds, LLC (CHALP), for the Airfield Lighting and Control Monitoring System (ALCMS) at Tampa International Airport. The Authority intends to begin negotiations with CHALP on or about May 10, 2021.

The ALCMS, in operation at Tampa International Airport, supplied by CHALP, provides critical control of airfield lighting during standard and low visibility periods of airport operations. CHALP is the manufacturer and only authorized supplier of equipment, OEM parts, software and services for maintenance, upgrades and modification to this ALCMS. The Authority requires maintenance and support from CHALP for the ALCMS.

Companies who believe they can meet or exceed the above stated requirements must provide, in writing, convincing technical data sufficient to support their position. Responses to this notice will be used to determine whether bona fide competition exists. Send written responses to the Hillsborough County Aviation Authority, Tampa International Airport, 4160 George J. Bean Parkway, Suite 2400, Administration Building, Tampa, Florida 33607, Attention: Anita Hoover, Procurement Agent. For further information, email AHoover@TampaAirport.com. Responses must be received by May 7, 2021 at 2:00 p.m. ET.
